### ORPHANS' COURT CONTEST.

Judge Lyon Names 123 Illegal Votes From the Districts.  
The bill of particulars asked for by the respondent in the Lyon-Dunn Orphans' Court Judgments contest was filed on Saturday, two days ahead of the time specified by the court. Judge Dunn's counsel now have 15 days in which to make answer. The next sitting of the court will be on Friday, May 8th.  
The order of court provided that the contestants must supply at least 80 names of illegal voters. The bill of Particulars contains 122 names, 48 of which are from the Second ward of Minersville, and 74 are from the Honey Brook poll, Kline township.  
The contestants set forth that the said persons were not upon the registry lists, and no proof of their qualification to vote was made according to the Act of Assembly in such cases made and provided, and no proof of said qualification was returned by the Board of Election officers as required by law. The 74 votes in Honey Brook and 48 of the Second ward of Minersville are said to be illegal for the above reasons, while 14 others in the latter precinct are illegal because they did not state when their tax was assessed nor in what district it was assessed, also because they were not registered nor naturalized, and their affidavits fail to state in what district they were assessed.

A Case of Shoes.  
Harris Shupack, of East Centre street, to-day caused the arrest of his father-in-law, Julius Shepovich, charging him with stealing 35 pairs of mining shoes and 4 pairs of gum boots. Justice Lawlor held the accused under \$500 bail. It seems that last summer Shepovich was engaged in the boot and shoe business in Hazleton, but failed. The stock now in dispute was supposed to have been in the store when the Sheriff made the sale for the benefit of creditors. Last December Shepovich brought the stock to town and, he alleges, placed it in the care of Shupack, his son-in-law. While the latter was absent from his store this morning Shepovich went to the place and carried off the boots and shoes. Mrs. Shupack made no objection, but Mr. Shupack produced before Justice Lawlor a paper purporting to be a receipt from Shepovich on a sale of the stock.

He Needed a Shirt.  
This morning a strange man walked up to Obelsky's furnishing store, on West Centre street, and seized a dozen of working shirts which were displayed on the sidewalk and ran up Pear alley. Mrs. Herman, who lives next door, quickly notified the proprietor, who followed the robber in hot pursuit, yelling "stop the thief." The robber, who was the better of the sprinters, ran down Lloyd street and at Robbins' lumber yard he threw the shirts into a freight car, which discontinued the chase. The name of the thief could not be learned.

Lincoln Club Deterated.  
The initial game of ball by the above named club was played at Gilberton yesterday afternoon before a large crowd of base ball enthusiasts who were defeated by a score of 10 to 10. The club attributes its defeat to the lack of practice, and are endeavoring to secure a future date with the winners.

New Flag Staff Raised.  
A new staff for a flag has been erected on the Jardin street school building at the expense of Major Jennings Council No. 267, Jr. O. E. A. M., and the old one has been removed. The latter was in such a position that the flag caught when being hoisted or lowered and was ruined in a short time. It is quite likely that a new flag will be raised by the organization within a few days. The alteration was made by permission of the School Board.

Requies Immediate Attention.  
The residents of the vicinity of Apple alley, between White and Bowers streets, say that the sanitary condition of the latter place is such that it requires the immediate attention of the borough authorities. The warm weather has made the stench in the vicinity almost unbearable and the principal evil arises from the drainings at the beer storage houses.

It is altogether likely that the mines of the Union Coal Company, of Shamokin, will be operated on full time during May.  
John Beard, of Brownsville, has been appointed coal inspector at Packer colliery No. 5, to succeed John Grant, of town.

Mrs. Carlin and Mrs. Major, both of Gilberton, had a war of words and now the latter is under hail for appearance at court.

The breaker at Middle Creek has been completed and work was resumed to-day after an idleness of two years and a half.

Edward Hayes, of Robinson's patch, chased his family out of the house with two large stones. He is now in jail, charged by his daughter with assault and battery and surety of the peace.

A Useful Career.  
ED. HERALD: There is now visiting Turkey Run an honored resident of Palo Alto, in the person of Alexander Govan. He is the guest of his son-in-law and daughter, Mr. and Mrs. John Britton. His visit at this time, I understand, has for its purpose the spending of his 73d anniversary of his birth with them. Mr. Govan was born on April 19th, 1823, in a suburb of the city of Kilmarnock, Scotland. His childhood days were spent there until his father and a number of other Scotch miners, in 1832, emigrated to the coal fields of Pictou, Nova Scotia. He married at the age of 19, and he now survives his wife seven years, she having died in 1880. His father emigrated to this country in 1843, locating at Pottsville. Mr. Govan has held many prominent positions, having been engineer and superintendent at the old Salem colliery at Port Carbon, and since its abandonment he has held the superintendency of the Palo Alto rolling mills and the same position at the blast furnaces. During the last few years he has been incapacitated for manual labor.

Jones, principal of the High school of that place, and the mother of three children. The funeral will take place to-morrow at 1:30 p. m.  
When John McElevay, an engineer on the Pennsylvania road, arrived home he found his ten-month-old baby lying dead in the crib. The mother was unconscious of the death until informed by her husband. An inquest will be held.

Whi Probably Recover.  
Mrs. Zukoski, the woman who was shot twice in the affray on West Oak street last week, has rallied to such an extent that Dr. Stein now believes she will recover. The woman is over 70 years of age and it is considered remarkable that she did not succumb to the injuries and the increased worryment occasioned by the death of her son, who died from pistol shot wounds received in the same affray.

### A Disastrous Freight Wreck.

A disastrous freight wreck occurred on the Mahanoy division of the Lehigh Valley at Holsdale, directly opposite the pumps of the Tide Water Pipe Line Company, Saturday afternoon. A wheel near the front end broke, while the train was in rapid motion, piling up eleven cars, several of which rolled over the bank. The front brakeman was rolled into an adjoining field with but slight injuries. Many of the cars were reduced to kindling wood.

Died in Philadelphia.
