Weak women wonder why they cannot be cured. Madam Jacobs, of the Tait Medicine Company, at N. E. 121 North Main street, will, during her office hours, explain from a simple home treatment which is a positive, reliable cure for all diseases peculiar to women and is so simple that any lady can use it and cure herself in the privacy of her own home.

"Five doctors treated me. I was getting worse right along. Three of them said I had a tumor and would have to go to a hospital and be operated on. I was advised to try Tait's Cure for diseases peculiar to women. After three weeks the tumorous enlargement is entirely reduced and I feel better than I have felt in years.

The Madam can be seen during her office hours from 9 to 12 a. m. and 2 to 5 p. m. at 121 North Main street.

The Brewery Outing.

Yesterday the employees of the Columbia brewery and a number of guests enjoyed a day's outing on Zimmerman's farm, in Ringtown. The party was composed of 35 people who left in the morning in a large wagon drawn by four grey horses, and all wearing white duck caps. A cold lunch was served during the day, and the parched tongues of all present were moistened by the product of the brewery. During the course of the day two games of ball were played by members composed of inside and outside hands, of which the latter won both games by a score of 7 to 6 in the first game and 5 to 4 in the second, with Thomas Dove as umpire. The batteries were composed of J. Mackey and Jerry O'Neill for the inside team and W. H. Fairburn and Adam Summers for the outside team. The merry party returned at dusk last evening greatly elated over their day's outing.

Unjust Discrimination.

The theatre entertainment booked for this town one night this week will appear in Pottsville the following evening. The highest price charged for a seat at the latter place is 75 cents, while \$1.00 is the rate here. Persons who have been in both theatres say the difference, if any, should be in favor of this town as the local theatre is no comparison to that at Pottsville in comfort to the patrons, stage equipment and general appointments. The prices charged will keep many away, as the public is quick to resent anything that savors of extortion at this time.

No Trespassing.

All persons caught trespassing upon the grounds of the Columbia Park will be prosecuted to the full extent of the law. So much damage has been done to the place stringent measures are necessary. By order of the 5-6-96 BOARD OF TRUSTEES.

Hotel and Stock Yard Destroyed.

A big conflagration occurred at Pottsville early this morning, at 12:30 o'clock, when John Weisinger's Black Diamond Hotel and stables, corner Coal and Nichols streets, and David Neuser's big stock yards and brick residence, near by, were destroyed. The loss is estimated at \$10,000, and the fire department had much difficulty in containing the flames to the buildings destroyed. The origin of the fire is a mystery.
