Base Ball Notes.
Pottsville continues on the toboggan. The Athletics lead the State League. Empire Lilly is the Tim Horst of the State League.

The Pottsville "beauties" have won three games so far. What a fall!

It is rumored that Horan, of Glinesville, will be released by Pottsville.

Carbondale defeated Pottsville yesterday. What will the latter do when they come up against the Athletics.

An effort is being made to organize an amateur league combining Ashland, Mahanoy City, Lost Creek and St. Nicholas. Mahanoy City is to organize this week with Bob Heiser, the popular twirler of that team, at the head. St. Nicholas and Lost Creek have strong teams this year and ready for anything in the county.

Weak women wonder why they cannot be cured. Madam Jacobs, of the Taft Medicine Company, at No. 121 North Main street, will, during her office hours, explain free a simple home treatment which is a positive reliable cure for all diseases peculiar to women and is so simple that any lady can use it and cure herself in the privacy of her own home. Why suffer with backache? Why be despondent? Why have a tired languid feeling when help is at hand? Read what Mrs. J. Miller, of Shamokin, says about the cure:
"Five doctors treated me. I was getting worse right along. Three of them said I had a tumor and would have to go to a hospital and be operated on. I was advised to try Taft's Cure for diseases peculiar to women. After three weeks the tumorous enlargement is entirely reduced and I feel better than I have felt in years. I heartily recommend the cure to all ailing women. It is so simple that any woman can use it."
The Madam can be seen during her office hours from 9 to 12 a. m. and 2 to 5 p. m. at 121 North Main street.

"Taxable" Complaints.
EDITOR EVENING HERALD.—I would suggest that in electing the school teachers for the next term the school board fully weigh all claims of applicants for positions and ascertain from them if they fully realize the duties, responsibilities and position of a school teacher. It strikes me that a large number of them do not know that the money that goes to pay their salaries comes out of the pockets of the business people and others in the form of taxes. They need a little education on this point and after they fully appreciate it I am sure they will be less anxious to hurry to Pottsville whenever they want to buy anything.

A TAXABLE.
Shenandoah, May 11, 1896.

The latest style and color in men's tan shoe can be found at the
FACTORY SHOE STORE.
A Pleasant Gathering.

A cake and lemonade social was held last evening at the residence of Mrs. Harsley, at 28 East Apple alley, under the auspices of the Young People's Guild for the benefit of the Protestant Episcopal church. A nice sum was netted. Among those present were: Misses Clara, Florence and Violet Harsley; Louisa Krohn, of St. Clair; Marie Ellis; Annie Lawson, Mary Rowe, Kate Doldsworth, Lottie Schultz, Laura Hughes, Berta Deater, Hannah Bradley and Messrs. James X. Hilbert, P. J. Hollenback, George Knott, Thomas Timmons, Charles Boughy and William Venle.

Checks for the famous gold aluminum table ware can only be had at the Factory Shoe Store. We give them to every purchaser.
It will be a surprise to the many friends of Miss Bridget Kane, formerly of town, to learn of her death in Philadelphia on Saturday, of typhoid fever. Deceased was formerly a domestic in the family of J. J. Franey, and her death will be mourned by her many acquaintances. The remains were brought last evening to Centra, where her mother resides, and from which place the funeral will take place to-morrow morning at ten o'clock. She was 22 years of age, and was a sister-in-law of George Ploppert, the shoe dealer.

A Mighty Nice Thing for Coughs.
What? Pan-Tina 25c. At Grubler Bros., drug store.

A Depot Incident.
An exhibition of human fitness against steam was given at the Lehigh Valley depot this morning by Representative Joseph Wyatt and Jacob Hertz. Several of the former's constituents had delayed them in making a start for Pottsville and when they were about a hundred yards from the depot the train started. Neither of the men are built on springing lines and they had nerve to attempt to run against a locomotive, but they did not get on the cowcatcher as it receded over the crossing on the south side of Centre street. At the Pennsylvania depot they obtained more comfortable quarters.

HOOD'S PILLS cure Liver Ills, Bileousness, Indigestion, Headache, A pleasurable laxative. All Druggists.

A Bright Outlook.
The production of anthracite coal for the four months ending April 30 is approximately twelve and a half million tons. The May production may probably be three million tons. The coal trade estimates that requirements this year will not fall short of forty-five millions which leaves twenty-nine and a half millions to be produced in the last seven months of the year. This would be an average of about four and a quarter million tons per month. This is very nearly up to the capacity of the companies, and the people of the coal region can look forward with good hopes of seeing the mines have steady work after May 31.

No Trespassing.
All persons caught trespassing upon the grounds of the Columbia Park will be prosecuted to the full extent of the law. So much damage has been done to the place stringent measures are necessary. By order of the
BOARD OF TRUSTEES.

GREATER NEW YORK BILL A LAW.

It Creates a City of Over Three Million Population.
ALBANY, May 12.—Governor Morton has signed the greater New York bill. Under the terms of the bill all the municipal corporations and parts of municipal corporations, other than counties, within the following territory, to-wit: The county of Kings, the county of Richmond, the city of Long Island City, the towns of Newton, Flushing and Jamaica, and that part of the town of Hempstead, in the county of Queens, which is westerly of a straight line drawn from the southerly line of the town of Flushing through the middle of the channel between Rockaway Beach and Shelter Island, in the county of Queens, to the Atlantic ocean, are consolidated with the municipal corporations known as the mayor, aldermen and commonality of the city of New York. The consolidation, however, does not go into effect until Jan. 1, 1898. In the meantime, however, the commission for which the bill provides will preside.

There are at present living in 600 square miles of land in and around New York over 4,000,000 people. The territory embraced in greater New York had by the state census of 1882 a population of 2,985,422, and the natural increase in inhabitants since that enumeration would make the present population over 3,100,000.

Pensions Granted.
Charles Beitz, of town, was granted a pension of \$6 per month for services rendered in the late war dating from Dec. 19, 1865. The application was made through Justice Shoemaker.
Mrs. Bridget Dougherty, wife of the late John Dougherty, was granted a widow's pension of \$6 per month, and a pension of \$2 per month for each of her two children, dating from December 10, 1865, for services rendered by her husband in Co. C, 3rd Regt. Pa. Cavalry, through application made by Justice C. W. Dongler.

D. K. Maurer, a former well known citizen of Ashland, died yesterday at the Harrisburg insane asylum, where he had been an inmate for several years. Mr. Maurer was for many years in the livery business in Ashland. His son, Curtis Maurer, was drawn as a juror for this week's session of court and was in the jury box on trial of a case when informed of his father's death.

"SWALLOWED UP."

Do you remember the story of the penurious man who accidentally swallowed a \$5 Gold Piece? A doctor was summoned and a stomach pump brought; but notwithstanding their most desperate efforts, after five hours, the total amount that could be obtained was \$2.69.

This is the way with some Dealers' shoes, the full amount is there in price, but when you come to get the wear out, you don't get it all. Now we sell the sort that gives up full value. Take our Oxford Ties for example, other stores sell Oxford Ties for \$1. So do we, but our \$1.00 Shoes we guarantee to have as much comfort, style and service as any shoes sold in this town at \$1.50. Then there are 15 different styles to select from here.
