A BIG CYCLONE IN KANSAS.

It Demolishes Many Buildings and Causes Fatalities.

SENECA GETS THE WORST OF IT.

There Four Persons Were Killed and the Property Loss Will Reach Two Hundred Thousand Dollars—Kentucky Also Gets a Taste of the Heavy Blow.

SENECA, Kan., May 12.—A devastating tornado passed through this city from the southwest to the northeast last evening at 6:30 o'clock. Everything in its path was completely wrecked. Couriers from the country report great damage to property and probable loss of life. In this city four were killed and a number injured. The killed are a boy and a girl of M. R. Conner, a boy of M. B. Voorhees and a 15-year-old boy of Peter Aisenmachers. The seriously injured are M. E. Voorhees, John Belshaw and Alonzo Hawley. The latter will not recover. There were many miraculous escapes from instant death.

The streets are impassable, blocked with debris of buildings and fallen trees. The Grand Opera House is completely demolished. The roof and west side of the \$50,000 court house are blown away and caved in, and the roof of the high school building is gone. The steeples of the new Methodist, Universalist and Catholic churches were scattered to the four winds. Twenty-five residences are razed to the ground, and buildings innumerable unroofed. The damage in this city is over \$200,000.

At Oneida several buildings were destroyed and three children of James Sheppard killed. The west half of the village of Baileyville was swept away, but no one killed.

THE DAMAGE IN SABBETHA.

Twenty-five People Injured and Several Buildings Completely Wrecked.

TOPEKA, May 12.—A funnel shaped cyclone struck the north part of the town of Sabetha, a small place northeast of here, near the Nebraska line, late last evening, destroying the Grand Island railroad depot and elevator, and about twenty residences. Twenty or twenty-five people were wounded, several of whom will die. Twenty families were rendered homeless, losing everything they had. The cyclone passed off towards Falls City and evidently did great damage. Earlier in the evening a cyclone was seen to form over the town of Miltonvale, Kan., and struck the ground a few miles out of town, but did not do much damage there. It is probable this is the same cyclone that struck Sabetha.

Five persons who were in the railroad depot at the time escaped without serious injury, though Mr. Austin, the telegraph operator, was carried several blocks by the force of wind. On Main street the front of nearly every store building was blown in. A large force of men unroofed the streets all night with lanterns, doing all they could to relieve the homeless. G. A. R. hall has been thrown open to the injured and all the doctors of the town are in attendance.

The most seriously injured are: William Carey, wife and eldest daughter, all badly hurt, the latter probably fatally; Mrs. Eliza Murphy (colored), will die; S. P. Hays, buried beneath the ruins of his house, jaw broken and serious internal injuries. The family of E. Horton were in their big block when the whole west side was blown out and the walls came tumbling down, but all escaped uninjured.

Entire Family Killed in Kentucky.

BENTON, Ky., May 12.—A terrible cyclone passed over the northwest corner of this county about 1 o'clock yesterday morning, doing damage to everything in its path. Al Elva it tore down the house of Anderson Jones and killed the entire family, consisting of Jones, aged 80; his wife, aged 55; his oldest child, a son 17 years old, and two girls, one 10 and the other 12. Jones was a poor man and had only lived in that community about six months. Five coffins were sent to Elva yesterday, and the entire Jones family were buried in the same grave. The tornado came out of Graves county, via Symposia, where two stores were demolished, two churches and one school house were torn down, besides barns, stables, fences and everything else in its path. There was considerable damage in other parts of the county. The damage done at Symposia was severe, but no lives were lost.

Three Score of Buildings Demolished.

FRANKFORT, Kan., May 12.—At 10 o'clock last evening a terrible cyclone swept down upon the town of Frankfort from the southwest. Everything in the north and west ends of the town was completely wrecked. Probably three score of buildings were razed to the ground. Some of the best residences of the town were blown to atoms. Reports coming in from the country, where heavy damage has been done, will materially swell the loss. Many are reported painfully injured, but so far as known to one has been killed. Many head of horses, cattle and stock have been killed. The Methodist and Christian churches were demolished, and the Presbyterian church was badly wrecked. Scores of people who are left homeless are being cared for in public halls and in the homes of more fortunate citizens.

Four Counties Visited by the Cyclone.

CONCORDIA, Kan., May 12.—Another cyclone visited north central Kansas last evening. The cyclone started in the northern part of Clay county, seven or eight miles south of the little town of Palmer, and passed in a northeasterly direction through Riley county and into Marshall and Nemaha counties. It crossed the Blue river at the junction of the Missouri Pacific and Union Pacific railroads and passed near the town of Ashtabula. The little hamlet of Bodaville, in Riley county, was entirely swept away. Several are reported killed there and many injured, but nothing can be learned definitely. At Spring Valley, some six miles south of Barnes, the storm demolished a church in which 150 people were worshipping. Many were injured.

Victims of the Texas Cyclone.

SHELMAS, Tex., May 12.—No more bodies have been found in the track of the tornado, although many thousands have followed it from one end to the other. Yesterday a detached arm and hand were found in a ravine near the Washington avenue bridge. It is believed to belong to the badly mutilated body of one of the colored victims who was killed in Houston street, four blocks away. There have been but two deaths at the hospitals in the last twenty-four hours. Miss Sophie Brown and Mattie Lake, colored. It is now believed that 122 were killed in this city and immediate vicinity, while over a hundred are wounded.

Fatally Stabbed in a Quarrel.

MT. CARMEL, Pa., May 12.—P. Brogan fatally stabbed Harry McDonald during a quarrel at the Lehigh Valley depot Saturday night. Brogan is a stranger, and after stabbing McDonald fled to the hills. Officers are in pursuit. McDonald died from his wound last night.

Child Killed by Heat.

SCRANTON, Pa., May 12.—Charles Flemming, of Palm street, was overcome by heat while playing near his home. He was carried into the house and died before medical aid could be summoned.

Quay and Platt in Conference.

WASHINGTON, May 12.—Thomas C. Platt arrived here Saturday night and returned to New York yesterday afternoon. During his stay in Washington he was the guest of Senator Quay at his residence. Both Mr. Platt and senator Quay refused any information as to the object or result of the conference.

McKinley Will Not Dictate Principles.

CLEVELAND, May 12.—Ex-Governor McKinley has caused it to be authoritatively announced that neither now nor at the St. Louis convention will he declare himself upon the currency question. He does not want to dictate to the convention. In other words, if nominated, McKinley will run upon whatever platform is given him.

Two Years for a Brute.

SUNBURY, Pa., May 12.—Alfred Bowers pleaded guilty in court here of attacking Ellen Finerty, aged 7 years, of Coal township. Bridget Finerty, the girl's mother, was the prosecutrix. Judge Savage sentenced Bowers to pay \$50 fine and to two years imprisonment.

ASSAILED BY ITALIANS.

They Charge Upon Finvers and Spectator at a Baseball Game.

HAMILTON, Pa., May 12.—Six persons were shot and a number of others seriously injured during a riot at MacAdoo, a town four miles from here, yesterday afternoon. The injured are: Joseph Ward, shot in knee; Thomas Cairns, shot in arm; James Muldowney, finger blown off; Burke Brennan, shot in shoulder; James Brennan, shot in arm; Rizzo Burke, shot in back; Antonio Rizzo, nose broken; Mrs. Rose Vieschio, scalp wound.

A game of baseball was in progress, when a gang of drunken Italians charged upon the players and spectators with revolvers, clubs and stones. Saturday night an Italian had been arrested for assault and battery. A number of young men took him from the constable and unmercifully beat him. The Italians, hearing of this, threatened revenge. They fulfilled their threat yesterday. The first inning had just been finished when there was a pistol shot. It was followed in a few minutes by a promiscuous discharge of firearms. The crowd attempted to run away, but the Italians chased them, discharging their pistols and throwing stones. The foreigners were almost mad with rage and blazed away incessantly until the police arrived.

Several of the Italians were arrested and more will be taken into custody. Ward, who was catcher for the MacAdoo club, is the most seriously injured. He is lying in a hospital in a critical condition.

RECORDS OF POLICE DOINGS

Prisoners Make Themselves a Public Nuisance and Cause Protests.

CITIZENS APPEAL TO THE BURGESS

For the Sake of Peace and Sabbath Observance He Allows Thirteen Prisoners to Go Their Way—They Had Served Eighteen Hours.

Chief Burgess Burns and the police were in a plight Saturday night and yesterday. Men rambled about the streets who should have been locked up, but there was no place in which to confine them, so no arrests were made except in cases of absolute necessity. When the dawn of yesterday arrived there were 25 prisoners in the Council chamber and that was as many as the police felt like crowding into the place. The new steel cells in the lockup will be completed this week and this trouble will not be duplicated. Among the prisoners were 13 of the 10 men arrested at the Polish wedding on Friday night. Friends of several of these men had offered to pay their fines, but they refused to allow that to be done, preferring to remain in confinement pending legal process for their release by W. J. Whitehouse, Esq. The men had evidently preferred putting their money into lawyer's fees instead of fines and costs. But the legal process did not materialize. Yesterday the residents of the neighborhood complained. The prisoners made liberal use of the windows in the Council chamber and church-going people were more or less offended. Finally a written notice signed by Daniel Ellis, Jr., Moses Rogers, James W. Morgan, Lawrence Little, T. R. Edwards and Lewis Powell was sent to Chief Burgess Burns that the nuisance would have to be abated. Burns was in a quandary. The nuisance was really created by the well-dressed prisoners. At 6:30 last night he released them, after they had served 18 hours, and there was no more trouble.

Drinks were very numerous in town yesterday and it is quite evident that the efforts of lectures at the last term of license court have worn off.

As one result of a pay day frolic Anthony Jendreczki almost forfeited his life. He boards in a house on South Pear alley and became involved in a quarrel with Mike Urban and John Machowski. A beer glass figured in the affray and the victim suffered severe lacerations on the left side of the head. He lost a great amount of blood and almost fell to the floor from weakness when making complaint before Justice Rynkawicz. Two doctors dressed his injuries and they say that had they been two minutes later the man would have been dead. Urban gave bail for trial. Machowski went to jail.

Joe Wydosky stood at the corner of Main and Coal streets Saturday night, flourishing a revolver and blackjack, and was taken in charge by Winfield Major and several other citizens. Wydosky gave \$500 bail for trial. Charles Gipeus stole a gold watch from Constantini Kantarawicz while inviting him to go to a saloon to take a drink. He denied the charge when first arrested by Constable Gilbon, but surrendered the watch this morning when about to be taken to Pottsville.

Justice Bailey put Joe Kaputskas under \$300 bail for stealing a gold watch from William Moutalawicz.
