### One Killed at Columbia.

COLOMBIA, Pa., May 29.—A cyclone and storm struck Columbia yesterday afternoon. In Wrightsville, on the York county side of the Susquehanna river, many houses were unroofed, and Billmyer & Small's planing mill was almost completely wrecked. The storm crossed the river, dividing the water for a space of 500 feet, leaving the bed of the river visible. The water was raised from the river and carried over the town. The planing mill of John Mann & Porey and the Columbia Lumber Company were unroofed, as were also a number of houses. Several cars of lumber standing on the railroad tracks were unroofed, and the boards carried two squares. The storm completely wrecked the mill of the Columbia Rolling Mill company, where 300 men were at work, fifty of whom were imprisoned under the debris, which caught fire. Isaac Haverstick, a puddler, was scalded to death by escaping steam, and several of whom were seriously injured, and fifty of whom may die.

### A Cyclone Scare in Washington.

WASHINGTON, May 29.—For the third time in ten days Washington has experienced a cyclonic storm, and for twenty minutes yesterday afternoon the wind swept the city, and the rain beat down with a violence suggestive of the St. Louis horror. With the newspaper stories of the tornado fresh in mind, the sudden sweep of the storm caused much suffering to nervous people. The wind swept away roofs from a number of buildings. Much damage was done to the splendid foliage in the executive mansion grounds, and two of the finest of the large old trees were torn up by the roots, making four lost in a week from storms. The wind acted like a genuine western cyclone in the White House grounds.

### A Fatality at Langhorne.

LANGHORNE, Pa., May 29.—George Wentz was killed by the destruction of a barn in which he had sought shelter during yesterday's storm. The tobacco houses of James and Samuel Headley and Henry Decker were wrecked. At Wheatcroft, on the Pennsylvania railroad, the station was blown down and five tobacco warehouses unroofed. On its way to Jersey the storm destroyed the barn of William Mershon, on Morris Island. Near White Horse George Newell, while driving a wagon, was caught by the tornado and fatally hurt. Harrison Dillon, colored, was also badly injured.

### Swept Everything in Its Path.

CENTRALIA, Ill., May 29.—Southern II cyclone was the scene of two destructive typhoons Wednesday evening. The first did much damage at East St. Louis and vicinity. The second spent itself in a district less densely populated. The latter struck the village of New Baden, twenty miles west of this city. Only five buildings were left standing, and the list of killed is reported all the way from eighteen to thirty eight. The storm covered a strip about one mile wide and swept everything in its path.

### Swept a Clean Path.

YORK, Pa., May 29.—A wind storm amounting almost to a cyclone, struck near Hanover yesterday. It demolished six barns, blew down Albert Ferry's dwelling house and a schoolhouse in Penn township. On a farm owned by a Mrs. Myers a building enclosing some live stock was lifted up and demolished, but the stock was uninjured. The storm swept a clean path through the wooded lands, showing that it was confined to a narrow space.

A prominent western newspaper recommends lax soap tea as an excellent remedy for whooping cough. It may be good but it is not to be compared with Chamberlain's Cough Remedy. This preparation will allay the violent fits of coughing and make them less frequent and less severe. It also liquidifies the tough mucus, making it easier to expectorate. Complete recovery is much quicker, too, when this remedy is given. There is no danger in giving it to small children, as it is a pleasant syrup and contains nothing injurious. For sale at 25 and 30 cents per bottle by Grubler Bros., druggists.

### CURES DYSPPEPSIA.

A New Preparation, Pleasant, Harmless, Simple, Prepared Specially for Weak Digestion.

It is a new remedy for dyspepsia and indigestion, very highly recommended by Dr. Harland and Dr. Jenkinson, and other prominent physicians in a combination in table form of vegetable and fruit essences, pure aseptic peptin and Golden Seal. One of these tablets should be dissolved in the month after each meal and according to Dr. Jenkinson's effect seems to be that the food is perfectly and promptly digested, before it has time to sour and ferment, which causes all the mischief.

So popular have these tablets become with people who have any form of indigestion that they are now sold by druggists everywhere under the name of Stuart's Dyspepsia Tablets. They are not a secret patent medicine, but as related above, contain vegetable and fruit essences, peptin and Golden Seal in a form absolutely safe and pleasant to take. A few of Stuart's Dyspepsia Tablets should be carried in the pocket and taken after meals and whenever there is any pain or discomfort in the stomach. They cure sour stomach, heartburn, bloating, gas, palpitation and all symptoms arising from deranged digestion. Will cure any stomach trouble except cancer of stomach. All druggists sell Stuart's Dyspepsia Tablets at 50 cents for full sized package, or sent prepaid by mail from Stuart Co., Marshall, Mich.

Gundersman, of Dimondale, Mich., we are permitted to make this extract: "I have no hesitation in recommending Dr. King's New Discovery, as the results were almost marvelous in the case of my wife.
