**MCKINLEY WILL BE NOMINATED.**  
Senator M. S. Quay says the Ohioans will have 470 votes.  
WASHINGTON, June 1.—Senator M. S. Quay, while still a candidate for the Presidency, concedes the nomination of William McKinley, Jr., of Ohio, as the Republican candidate for President on the first ballot at the St. Louis convention.  
In a table furnished by him last night he gives Mr. McKinley 470 votes as certain, with the probabilities of others when the delegates realize that the nomination is assured. Senator Quay said: "Here is a table of estimates, with the vote which I believe Mr. McKinley will have on the first ballot at St. Louis. The figures I give you are correct as the delegates stand to-day."  
The Senator's figures are as follows:  
Alabama, 4; Arkansas, 10; California, 10; Connecticut, 6; Georgia, 9; Illinois, 36; Indiana, 30; Kansas, 30; Kentucky, 10; Louisiana, 2; Maryland, 10; Michigan, 28; Minnesota, 18; Mississippi, 10; Missouri, 36; Nebraska, 16; New Jersey, 10; New York, 4; North Carolina, 15; North Dakota, —; Ohio, 40; Oregon, 8; Pennsylvania, 4; South Carolina, 3; South Dakota, 8; Tennessee, 18; Texas, 5; Vermont, 8; Virginia, 10; Washington, 8; West Virginia, 12; Wisconsin, 24; Wyoming, 0; New Mexico, 1; Indian Territory, 2. Total 470. "That," said Senator Quay, "is correct. Of course we cannot tell how many others may swing into line as the vote proceeds." Mr. Quay expressed a preference for Governor Hastings for Vice-President if the latter would accept.

**Base Ball.**  
The best game of base ball played in the region this season took place at Mt. Carmel yesterday afternoon, between the Lincoln base ball club, of town, and the Silver Leaf club. The routers who witnessed the game amounted to several hundred, the home club being accompanied by a large delegation. It took 12 innings to play the game, which resulted in a victory for the Lincoln club, by a score of 16 to 13. The victory was largely due to the battery work of Hafner and Henderson, who played a great game. This was the second game of the series for the championship of this region, which leaves it a tie. The next game will be played at a future date at the Trotting park. A banquet was tendered the visiting club after the game at which the many interesting plays of the game were discussed. The victors returned home last evening.

**Burchill Won.**  
The 24 mile bicycle race at Girardville on Saturday, resulted in Howard Burchill, of Mahanoy City, taking first prize, a gold medal, and a young man named Seaman, of Girardville, winning \$10, the second prize. At the last moment the Chief Burgess tried to stop the race, because it was to take place on Parker street. He failed and yesterday the clergyman of the town scored the official from their pulpits for allowing a dog fight to take place in the town on Friday night, yet trying to appear as a law upholder by interfering with the bicycle race. The dog fight was between canines owned by Owen McNally and Peter McCloskey, both of Girardville, for \$50. It resulted in a draw.

**Injured by a Beer Keg.**

Among the lucky ones were: James McElhenney, Mahanoy City; Martin Lambert and Joseph Schloss, of Shenandoah.

Pottsville carried off the prizes, with Bennett coming in first in 26 minutes, crossing second in 29 minutes and 30 seconds, Highland, of Park Place, third in 30 minutes, and Lambroski, of Pottsville, fourth in 30 minutes and 50 seconds.

**A Verdict Rendered.**  
The coroner's jury appointed to investigate the death of Griffith Roberts, the mine superintendent, submitted the following report: "That the death of Griffith Roberts, resulted at the Miners' hospital, on the 22nd of May, from concussion of the brain, caused by being struck by the first section of Lehigh Valley train, No. 3, at a point opposite the turn table, east of the Lehigh Valley shops, at Hazleton, about 10:25 p. m. on the night of May 21, 1896."

The third brakeman on all Lehigh Valley freight trains on the lower division except the local freight trains were taken off to-day. This will throw fifty men out of work. Some say it will be a violation of the state charter.

The latter committed him to the Pottsville jail in default of \$1,000 bail. Joseph Malone, with Patchen, is charged with shooting Messrs. Ward and Haupt in the riot.

**A Financial Success.**  
The annual picnic under the auspices of the Keystone Gymnasium club, at the Columbia park on Decoration Day, was a grand success, by which a neat sum was realized. The park and pavilion was thronged with a merry crowd from early in the morning until almost midnight. Schoppe's full orchestra furnished excellent music for the dancers and the athletic program by the members of the club was highly appreciated.

**CONVENTION REPRESENTATION.**  
New Plan May be Presented to the Republican National Convention.  
WASHINGTON, June 1.—The question of a change in the representation to future national conventions is likely to come up before the Republican convention at St. Louis. It will be brought to the attention of the convention by the Pennsylvania delegation.  
The plan was presented to the Republican national committee in 1892, by Hon. N. P. Scott, of Wheeling, W. Va. It proposes that the representation of the various congressional districts be based upon the population of each district, one delegate being allotted to each district for each 7,000 inhabitants, with any additional delegate for a fraction exceeding half thereof, each district to have at least one delegate. The committee seemed to think favorably of the resolution.  
Representative Acheson, of the Twenty-fourth district of Pennsylvania, is a delegate to the St. Louis convention, and is agitating this proposition made by Mr. Scott, and the plan is also favored by Senator Quay. Should the Pennsylvania delegation to St. Louis decide in favor of the plan it will be presented to the convention by Governor Hastings.
