evalue at Barcatons. BURGIDEA, June 5. - A bomb was thrown into the growd during the Corpus Christi procession votorday, and its ex-plosion realized in the alliing of seven per-sons and the injury of fifty. The perpe-trator of the deal is as yet unknown, and by mathematical seven is a seven in the seven The results of recent investigation, have

his motive is equally a mystory. The news of the throwing of a boult sprond like wildfire over the city and con colla panie amongst the great crowds drawn to the streats by the religious fee and similar stomachics, prepared in the tival and the Sunday merganaking usual to the city. The story grew as it traveled, and added to the fright and horror of taste, convenient to entry when traveling, those who heard it. The explosion occurred just as the pro-

cession was ontering the learning and mer-cession was ontering the learning and and clout Church of Santa Maria del Mar, which is the grandest, after the cathedral, in Borcelona. This is in the heart of the old city, not far from the water front and the quay, not far from the water from and the quay, and almost looking upon the Plaza del Palacio, one of the most thickly populated quarters of the populous city. The sound of the explosion and the dis-

tressed cries of the injured and the friends Over six thousand people in the state of of the killed created an indescribable panie among the great crowd in the procession and looking on. The people were terror stricken with the dread of other bombs Full sized packages may be found at all being thrown, and it was with difficulty that they were restriined from crushing each other to death in the stampede. The police have picked up thirty frag-ments of bombs in the street.

Two Dynamite Petards Exploded.

MADBID, June 8.- Two dynamite petards were exploded in front of the house of a priost yesterday at Orendain, near San Sebastian, on the Bay of Blacay. Much damage resulted from the explosion, but there was no fatallty.

C. S. PHILLIPS, M. D.

FOR RECORDER,

There is the good reason for apposition to taxes was \$100.07, was sold to H. B. Graft such a law on the part of either miners or mine owners. A mine foreman who is naturally of good executive ability, energetic and temperate in habits is not injured by the acquisition of technical knowledge. On the contrary, he is improved. Me can, by thoroughly understanding the laws govern-tion the flow of air thready mines, distribute ing the flow of air through mines, distribute porder, a rule was granted to show cause why his available air current to better advantage. Indicament should not be quashed, and can also frequently increase its efficiency. A petition was presented from residents of By a knowledge of the forces of nature and Wayne township asking for viewers to By a knowledge of the forces of mature and of the sciences connected with mining he can produce coal cheaper and can increase the matery of both the miners and the property matery of both the miners and the property. An application for a charter for the Fireentrusted to his cure. Certificates of com- men's Relief Association of Maharoy City petency for mine foremen do not mean fewer was not practical men, they mean practical men with the experiences of others.

'We do not claim that every man who samissia certificate of competency as a mine foreman will be a success. His certificate meredy shows that he has the technical knowledge necessary to keep a mine safe and to get out coal in the heat manner. Whether on said O'Hare be granted to show cause he has the executive ability to handle men he has the executive ability to mandle men must be determined by actual trial just as it must be with non-certificated men. In fact, The puttion of James B. Beatty, trustee, Without certificates of computency neither mine owners nor miners can be sure that a foreman has either mining knowled. mine owners nor miners can be sure that a foreman has either mining knowledge or of Porter township praying for a commission of Porter township praying for a commission f(x) = 0executive ability, unless he has been a fore- to rearrage the polling place in that town man for years. With certificates of com- ship petency issued by a reliable board of examiners, the question of mining knowledge Humbell, lumatic, filed a report and it was is settled, and it is asfe to assume that men conferred ni al.

"As for the selection of mine inspectors by competitive examination, we will only give troversy in Wayne township. competitive examination, we will only give the following reasons for its superiority over other methods: First.—It insures the selec-tion of a computent man, Second.—It re-tions of the office from cartian califica-tion of a computent man. Taird .- The man appointed on morit is present. under obligations to neither miners nor operators, and can therefore fulfill his duties "HIS IN HAPPARTIES MURRIER."
