J. H. MANLEY'S PREDICTION

Says McKinley Will be Nominated on the First Ballot.

THE OHIO MAN'S FIRST VICTORY

The National Committee Seats Nearly All the McKinley Delegates From Alabama. More Trouble Over the Colored Delegates—Statement From the Sergeant-at-Arms.

ST. LOUIS, June 11.—Mr. Manley, of Maine, who is managing Speaker Reed's canvass, said this forenoon: "In my judgment the convention will nominate Governor McKinley on the first ballot for the presidency. It is useless to attempt to deny that this will be the result. The action of the national committee in its overwhelming vote on the Alabama case settles conclusively how the respective states which the members of the committee represent will vote in the convention.

"Mr. Reed's name will be presented to the convention and he will be voted for, and I am authorized to say that under no conditions or circumstances can he or will he accept the nomination for vice president, if it should be tendered to him. The great majority of the New England delegates will be loyal to Mr. Reed, but the convention is for McKinley and will nominate him."

While the declaration of Mr. Manley contained nothing that has not been looked for for many weeks, yet it caused a flutter

HON. JOSEPH H. MANLEY.

of excitement when it was known that the manager of Mr. Reed had announced that there was no further hope among the leaders of the forces of the man from Maine. Other supporters of Mr. Reed said the declaration would cost Mr. Reed at least half of the votes that would have been cast for him had nothing of the kind been said.

Several of Reed's supporters asserted that the declaration of Mr. Manley ought to be followed by a statement from Reed that his name would not be presented, so that those who were yet under obligations to vote for him would be released. It was said that in the face of certain and admitted defeat, delegates could not be expected to vote for Reed, and that probably all of New England's votes, all of Rhode Island's and all but one in Connecticut would be cast for McKinley, even if Reed's name was presented. There are some delegations from the south which will take similar action.

It was also stated that the declaration of Mr. Manley would weaken the other candidates, as it would be sure to influence the wavering to vote for McKinley. Senator Gear, who is representing Iowa on the national committee, said that, notwithstanding the declaration of Mr. Manley, Senator Allison's name would be presented to the convention and voted for. W. A. Sutherland, member of the national committee from New York, and who is the only prominent representative of Governor Morton's interest in St. Louis, said sentimentally: "Governor Morton will be presented to the convention and we hope to nominate him."

Mr. T. E. Byrnes, sergeant-at-arms of the convention, gives out the following

SERGEANT-AT-ARMS BYRNES.

for publication: "Much inquiry having been made relative to the extent of the damage done to the convention hall by the cyclone, I think it proper to inform the public that the damage has been entirely repaired and that the hall is as good as it was before the storm. Everything is in readiness for the convention."

The convention hall was dedicated last night by impressive exercises and in the presence of a large number of people, for the most part from St. Louis, who will see the inside of the building for the only time during the convention. Senator Carter and other members of the national committee and some of the most prominent people in the city occupied seats on the stage. The services consisted of vocal and instrumental music and speeches made by Governor W. J. Stone, Hon. S. M. Kennard, chairman of the local committee; Mayor C. P. Waldbridge and ex-Governor E. O. Stannard.

The meeting of the Republican national committee to decide the contests for seats in the national convention absorbed the general interest in affairs pertaining to the convention yesterday. The proced-

Captain Wiborg's Plea for Pardon.

PHILADELPHIA, June 11.—Captain Wiborg, the master of the Hart line steamer *Horsa*, who was recently convicted of violation of the United States neutrality laws in conveying a filibustering expedition to Cuba, has appealed to the president of the United States for a pardon. His application was filed in Washington in the department of justice yesterday. It was at once sent back to United States District Attorney Beck for the purpose of being referred to Judge Butler, before whom Captain Wiborg was tried and convicted. If both of these officials unite in opposing a pardon the petition will not be laid before the president. If either one of them expresses no opposition to a pardon the petition will be sent to the president.

Miraculous Escape from Death.

LANCASTER, Pa., June 11.—Matthias Henkel jumped from the third story window of Foch's cafe last night. His fall was unbroken by a canvas awning at the second story, through which he tore a big hole, and several men standing in front of the restaurant grabbed at him and partially broke the violence with which he struck the marble step on which he landed. The man came down on his feet, and, strange to say, his injuries are apparently trifling, consisting of the fracture of the bones of one foot and a bruised body. Henkel had been drinking heavily for several days past, and was on the verge of delirium tremens. He is a brother-in-law of the proprietor of the restaurant, and worked around the place. North Queen street was crowded with pedestrians when he made his startling leap. He wore only his shirt.

A FIRST WARD LOVE AFFAIR

After Paying For the Ocean Voyage a Lover Refuses to Marry.

THE SHERIFF FIGURES IN THE CASE

Joseph Kurciewicz, of the First Ward, Has a Sister-in-Law Engaged to Three Boarders Within a Week—A Money Consideration.

A complicated love affair in the First ward has resulted in the Sheriff levying upon the goods of one of our Polish citizens. Joseph Kurciewicz and wife keep a boarding house in the First ward, and it appears that Mrs. Kurciewicz has a sister across the water who is very anxious to make this her home. She has not the money, however, to pay for the journey and her sister hit upon a novel plan whereby the desires of the young lady could be satisfied.

At the Kurciewicz house a man boarded who has a great fondness for the fair sex, and in his desire to become a boarder made the following proposition to Joseph. He promised to pay \$50 towards the expense of the trip, if the young lady proved acceptable upon her arrival, with the proviso that the two were to take each for better or for worse. If she was not to his liking Joe was to pay the fare. To bind the bargain the boarder paid Joe \$45 on account, and the latter gave a friend a judgment exemption note as security.

The young woman arrived, and as her charms failed to reach the heart of the boarder, he refused to marry her, and demanded his money back. Failing to get it, she boarded yesterday loved on Kurciewicz's household goods.

Barna Lubrinski also boarded at the same house, and Cupid's darts had the desired effect upon him. As a result the two were perfectly agreeable to a marriage, the license was procured, and to make matters more complicated he now refuses his hand in marriage. Not dismayed by her former efforts, her charms attracted the attention of boarder No. 3, and the wedding is set for next week. What will transpire between now and then is a question of doubt.

Shenandoah's Hogan's Alley.

Our town may justly claim the same title as Gotham, in stating that it contains a modern Hogan's Alley, which lies between Centre and Oak streets and is known to the people of the town as Pear Alley. The latest addition to this renowned thoroughfare is a donkey which has taken up his abode in the Ferguson house stables. The boys in this thoroughfare are arranging for a parade on Saturday which will consist of the chief marshal and his aid, the donkey, several goat teams, a few wheelmen who have bikes made of cart wheels. The sky-high buildings will be decorated in my colors which will present a general holiday appearance. All the arrangements will be completed by Friday night.

Death of Mrs. Toomey.

Mrs. Catherine Toomey, wife of the late Michael Toomey, died this morning at her residence on East Lloyd street, aged 61 years. She had contracted a severe cold some time ago, which developed into lung trouble on Saturday, which resulted in her death. Deceased had been a resident of town for 33 years and is survived by seven sons: Michael, of Wewersville, Jefferson county; William, of Indian Territory; John, of Mt. Carmel; Jeremiah, George, Daniel and Robert, of town; and two daughters, Mary, of Philadelphia, and Kate, of town. The funeral will take place on Saturday morning with high mass in the Amunition church.

Circus Runaway.

A team of horses which was transporting Welsh Bros. circus paraphernalia from the depot to the circus ground, when the driver lost control of his horses on East Centre street, when they started down the thoroughfare, colliding with the letter box at the corner of Centre and Emerick streets, and breaking the tongue on the wagon. This reduced the speed of the runaway and the team was gotten under control.

If you want a fine wedding cake, let Otto make it for you.

A Wreck at St. Nicholas.

A wreck occurred at the St. Nicholas colliery yesterday afternoon by which two men were injured and six cars wrecked. Engine No. 396, of the P. & R. railroad, was pushing two box cars into a siding at the colliery, and the brakes failing to work, collided with two cars that were being loaded with lump coal by two Polanders at the transfer. Six other cars were badly wrecked by the collision and the two men were cut about the head and shoulders.

Got a Donkey.

Francis Hutchinson, the son of Landlord Hutchinson, is the envy of all the small boys in town at present, all due to the fact that he is the owner of a handsome little donkey, which came by United States express from Sturbury yesterday, a gift from his uncle, Dr. Francis Drumheller. Unlike the donkey of the nursery rhyme he has considerable "go" in him and is a source of great pleasure to the youngster.

P. Blakeslee. Rev. Fleck, of White Haven, officiated. The couple were tendered a reception after the ceremony and took the 5:30 p. m. train for an extended tour. They will visit Niagara and Canada and upon their return will reside at Delano.

Miss Mary Whitman, daughter of John Whitman, of Ashland, and Samuel K. Smith, of Reading, were united in marriage yesterday afternoon at the home of the bride's parents. The groom holds a responsible position in the telegraphic department of the P. & B. main line office at Reading, and the bride is prominent in Ashland's society circles. After a wedding dinner the couple departed for their future home in Reading.

Brutal Treatment.

Anthony Amanshah, of North Emerick street, was arraigned before Justice Williams last evening for brutally beating his wife and hitting her on the head, a jarring blow which caused her to bleed. Anthony had been out carousing during the day, returning home in an intoxicated condition, which caused him to commit the deed. The case was finally settled by the prisoner paying the costs.
