The bill provides that after June 30 the pay of letter-carriers in cities of more than 75,000 population for the first year of service shall be \$600; second year, \$800; third year, \$1000, and thereafter, \$1200; and after June 30, 1896, the pay of letter-curriers in cities of a population under 75,000, for the first year of service shall be \$600 ; second year, \$800 ; third year and there-

Tint following from the Philadelphia Record of June 5th shows that our Congress man has not entirely forgotten his old fiat money heresies: "Mr. C. N. Brumm, the Populist Republican Representative from the Schuylkill district, predicts that there will be several Populists from Pennsylvania in the next Congress. Such a consummation would not be impossible in a state that sends a Brumm to Congress; but if the Republican of Schuylkill county have the least respect for their professed principles of Sound Money they will see to it that Mr. Brumm's name is not in the list of Pennsylvania Populists in the next House." 'The feeling against Mr. Brumm is rapidly crystallizing, and we opine that our esteemed contemporary need have no fear of old Schuylkill, as she stands solidly for a dollar worth 100 cents and will so proclaim her belief at the proper time.

MICHARL J. POWERS, candidate for the Democratic nomination in the First Legislative district, according to the Daily American, challenges his rivals to a dis the vital questions of the day. He will discuss bi-metalism, free silver, mono-metalism, sixteen to one or the gold standard. An important point in the proposed financial dission is as to which of the five will Mr. Powers advocate; or, is he prepared to stand upon a platform endorsing either of the five. By all means let the delate proceed, A campaign of education in the First die triet, upon a question which is occupying the attention of the leading statesmen of the nation, would be highly appreciated by the voters. Of the eighteen delegates whose cases were decided either by vote of the com-mittee or by withdrawal sixteen are for McKinley and two for Reed for president. There was no division upon any of the contests except that made in the case of the delegates-at-large, and this was over-whelmingly in favor of the Buckley, or Mo Kinley delegates, and against the Mosels or anti-McKinley men.

The motion to sent Mosely was defeated

by a vote of 38 to 6, and the Buckley delegation was then seated without opposition. It was a decided McKinley victory. Those voting to seat the Mosely delegation were Fessenden of Connecticut, Gear of Iowa. Leonard of Louisiana, Crain of Massachu-setts, Sutherland of New York and Carson of Colorado.

At the evening session of the committee the Georgia contests were taken up. The result was the scating of six McKinley delegates. The contests for the day, therefore, resulted in senting twenty-two Mc-Kinley men and two Reed men. A contest from one Georgia and two Alabama dis-tricts remain to be settled.

There has been some effort to secure the co-operation of the southern delegates in this movement, but it has not so far been successful.

The St. James hotel yesterday openly re fused to entertain negro delegates, and cancelled a \$0,000 contract for feeding and housing delegates.

Several weeks ago the officers of the Tippecance club, under the direction of M. A. Hanna, made a contract with Thomas P. Miller, the proprietor of the St. James hotel, to take care of a certain number of delegates for five days during the conven-tion. The club officers then wrote to cer-tain southern delegations that rooms had been engaged for them at the St. James. When Mr. Miller learned that the club intended to fill the rooms with negroes he

Mr. Hanna said he felt very sorry for the Business Men's League, which promised the national committee there would be no color line drawn. "The league has done everything in its power to prevent this trouble," he added, "and I do not consider it in any way to blame."

Mr. Hanna's emissaries also rented the hig Exposition building for use during the convention. It was suggested that con-

It was suggested that cots be placed in it for the use of the colored men, but when the management of the building learned of this it told the club that the negroes could not be quartered there. It was finally agreed, however, that the colored delegates might be fed there.
