FRANK HANNA, Librarian.

The Circus Arrived.

The Welsh Bros. circus arrived in town this morning and gave a very creditable performance this afternoon.

To-night the indications are the tent will be crowded.

They showed at Shamokin last Saturday and the Dispatch says: "Notwithstanding the scarcity of money in this locality at present the Welsh Bros. closed their engagement here Saturday night to the biggest business they have ever done in Shamokin.

Both audiences were phenomenal in size and the performances were up to the usual high standard always maintained by this organization, and to this fact alone is due its great success.

One of the features of the show is the concert which follows the regular entertainment in the ring, and which is, without exception, the best circus concert we have ever seen."

Successful Applicants.

Following are the successful applicants for Mine Foreman and Assistant Mine Foreman's certificates in the Seventh District, of which Edward Brennan is the Inspector:

Mine Foreman—Michael J. Whalen, Mr. Carmel; Terrence D. Ginley, Girardville; George Frountman, Centralia; John E. Heberling, Williamstown; Michael Wildon, Locust Dale; Jas. Jordan, Edward H. Brennan, Michael Dugan, Harry Gaughan, Daniel W. Hird, John W. Harper, Michael J. McBride, John Campbell, Shamokin; Assistant Mine Foreman—Daniel D. Mr. Phillips' Illness.

Hon. D. D. Phillips is at his home in Gordon suffering from a tumorous, cancerous growth in the stomach. Mr. Phillips has been in ill health for some time, and will leave on Monday for Philadelphia to enter the German hospital, where an operation will be performed by the eminent specialist, Dr. Devers. It was reported that Mr. Phillips' condition last night was critical, but a telephone message from Gordon this afternoon states that he is not even confined to his bed. Mr. Phillips' many friends here and throughout the county hope for his speedy recovery.

Sound Money Debate.

The sound money debate at the Ashland opera house last evening between Theodore Knuff, of Philadelphia, and William Wilhelm, of Pottsville, attracted a fair sized audience which listened to both arguments with great interest.

The former's subject was "Gold" and the latter's "The free and unlimited coinage of silver," which occupied a period of over two hours, in which Mr. Wilhelm came out victorious, as the general opinion of the audience was in his favor.

Payne's Girardville Nursery.

We still have on hand a lot of fine geraniums, fuchsias, verbenas, and other garden plants. It is not too late to plant. Prices on these plants were never lower. 9-10-11

More Shupack Trouble.

Harris Shupack swore out a warrant for the arrest of William Lesawicz, a saloon keeper on one of the premises of Mrs. Monaghan, on West Centre street, by whom Shupack was recently evicted, for selling liquor on Sunday and selling to minors, before Justice Williams last evening.

Shupack swore that he bought whiskey there on Sunday, and two brothers, Simon Levine and Isaac Goldstein, who claims he is only 15 years of age, also testified to buying beer at Lesawicz's place on Sunday, May 17. Lesawicz entered bail of \$200 in each case for appearance at court, which was furnished by his landlady, Mrs. Monaghan.

Accident on the Railroad.

A distressing accident occurred on the Philadelphia & Reading railroad near Dreherstown, a station about five miles south of New Ringgold, yesterday. Charles Riegel, not hearing the whistle of the engine, attempted to cross the track with his team. Although the engineer applied the brakes and reversed his engine the wagon was struck with such force as to smash it and cause the team to run away. Riegel was found in the Schuylkill river in a dying condition, where he had been thrown by the force of the collision. He was removed to his home at Orwigsburg. The unfortunate man is a brother of Daniel Riegel, of town. A telephone message from Orwigsburg states that Riegel is still alive, but with little hopes of recovery.

Deeds Recorded.

The following deeds were recorded to-day: From John J. Stauffer to Daniel F. Klime, for lot in Ringtown; from Charles Kuff to W. Leidiger, for lot in Tanamqua; from Daniel S. Althouse to William H. Bremer, Jr., for lot in Port Carbon; from Elizabeth A. Burchill to Daniel Doherty et al., for lot in Frackville; from Mary Frohman to Mary Schauf, for lot in Shenandoah; from Catherine Thomas to A. K. Sellman, for premises in Mahanoy City; from George W. Crossland and wife to George H. Fry, for premises in Pottsville.

Girardville Hustlings.

Vic Kissinger, employed as engineer at the Schuylkill Traction Company power house, at Rappahannock, was seriously burned about the hands and face last evening while at work cleaning the cumulator.

James Cafferty, employed as a slate picker at Hasmond colliery, Girardville, had one of his legs broken below the knee in two places and his right arm badly lacerated. He was placed in the colliery ambulance and conveyed to the Miners' hospital for treatment.

The Mahanoy City Bicycle Club, numbering thirty wheelmen, paid a visit to Girardville last night, and were entertained by George Kachel, of the Globe restaurant.

Found Iron Ore at Quakake.

There is much excitement in the vicinity of Quakake to-day over the discovery of what appears to be a good quality iron ore bed. The strike was made on the land of G. W. Seibert, who was digging post holes, preparatory to building a fence. The stratum in that vicinity has often puzzled geologists, coming, as it does, between the anthracite coal and oil beds.

Arrested for Embezzlement.

Albert Boyer, a former proprietor of the Eagle Hotel, at Shamokin, was arrested on a warrant sworn out by H. D. Brossman & Son, of Reading, for whom Boyer sold cigars since leaving the hotel business. The warrant charged him with embezzlement in the sum of \$250. The accused waived a hearing and says that he will be able to fully clear himself of the charge.
