LI VISITS WILLIAM.

The Chinese Viceroy at the Imperial Court of Germany.

FRIENDLY GREETINGS EXCHANGED.

China's Representative Dwells Upon the Fact That the Relations Between His Country and Germany Are More Friendly Than Those Between Other Powers.

Berlin, June 15.—Emperor William granted an imposing audience yesterday to Li Hung Chang in the knights' hall of the old castle. Li Hung Chang was conveyed thither in the royal carriage, escorted by Chinese. Emperor William and Empress Augusta were seated upon thrones surrounded by the royal princes. Chancellor Von Hohenlohe and Freiherr Marschall Von Bieberstein, the minister of foreign affairs, were also present.

Li Hung Chang bowed low upon approaching the throne, and presented to the emperor his credentials, at the same time delivering an address expressing his admiration of Germany. He dwelt upon the fact that the relations between Germany and China were more friendly than those between other powers. He also thanked the emperor that German aid regarding the retrocession to China of the Japanese of the Liao-Tung peninsula. He referred to the German army as the first in the world and expressed hope for a lasting friendship between Germany and China.

Emperor William replied with a cordial welcome, and sincerely reciprocated the friendly sentiments with an earnest hope that the friendship between the two nations would develop. He begged Li Hung Chang to thank the emperor of China for sending him to Germany as an envoy, and to convey his best wishes for the welfare and prosperity of the Chinese empire.

Ex-Detective Clifford Convicted of Murder.

JERSEY CITY, June 15.—Probably for the first time on record in this state, a jury in a murder case brought in a verdict of murder in the first degree, accompanied by a recommendation of mercy. This precedent was established by the struck jury which tried ex-detective Edward Clifford for the murder of Superintendent William G. Watson of the West Shore railroad, on March 5. The court would not accept the recommendation of mercy. The law does not permit it. Clifford was remanded for sentence. He will be hanged, unless the court of pardons interposes. He killed Watson because Watson had discharged him.

Fatally Stabbed in a Quarrel.

HOLLIDAYSBURG, Pa., June 15.—The people of this community were startled by the fatal stabbing of John Lemon, Jr., aged 24 years. He is a son of the late John A. Lemon, of this place, who was auditor general of Pennsylvania, and for many years state senator from this district. The young man was engaged in an altercation with a companion, John Farnholt, when the latter, it is said, suddenly drew a pocketknife and made a furious assault on Lemon, slashing him in the left side, making several gashes four inches deep. Lemon lies at his home in a comatose condition, and Farnholt has been arrested.

Murdered at His Own Door.

CLEVELAND, June 15.—At a late hour Saturday night Ignatz Karkowski knocked at the door of the house at which Michael Leiss boarded, at No. 130 Sowienicki street. Leiss opened the door and as he did so Karkowski shot him through the chest with a revolver. Leiss died in an hour. Karkowski escaped. It is said the two men had been drinking together, and it is supposed that the shooting was the result of a quarrel they had in the saloon.

A Juvenile Horse Thief.

MATCH CHENK, Pa., June 15.—Arthur Houser, of Fullerton, a youth not yet 19, was sentenced by Judge Craig on Saturday to the Huntingdon reformatory for horse stealing. He is a genuine horse thief, probably the youngest in the state. A few nights ago he entered his employer's stable in Mahoning valley, hitched up the best horse he had and drove off. He was captured forty miles distant, with the horse and carriage in his possession.

More Charges Against Moreland.

PITTSBURGH, June 15.—County Detective R. G. Robinson, acting under instructions from District Attorney John C. Haymaker, went before Alderman J. V. Mc-Masters and entered additional suits against ex-city attorney W. C. Moreland and his former assistant, W. H. House. The two appeared with their bondsmen, waited a hearing and gave bail for court. The suits entered are general, charging embezzlement of \$17,000.

Condensed Testimony.

Chas. R. Hood, Broker and Manufacturer's Agent, Columbus, Ohio, certifies that Dr. King's New Discovery has no equal as a cough remedy. D. Brown, Prop., St. James Hotel, St. Wayne, Ind., testifies that he was cured of a cough of two years standing, caused by La Grippe, by Dr. King's New Discovery. B. F. Merrill, Baldwinville, Mass., says that he has used and recommended it and never knew it to fail and would rather have it than any doctor, because it always cures. Mrs. Henning, 232 E. 25th St., Chicago, always keeps it at hand and has no fear of Croup, because it instantly relieves. Free Trial Bottles at A. Wasley's Drug Store.

Blow His Head Half Off.

THESTON, June 15.—John Roenley, a carpenter, shot himself by placing the end of a barrel of a gun in his mouth and pulling the trigger with a string looped around his foot. His head was half blown off. He had been drinking.

DYNAMITE IN HAVANA.

It Causes Consternation in the Cuban Metropolis.

TWO STONE BRIDGES DAMAGED.

Evidently an Attempt on the Part of Insurgent Sympathizers to Cut Off the City's Water Supply—Preparing for an Aggressive Campaign.

HAVANA, June 15.—This city was startled and alarmed Saturday night at 9 o'clock by the noise of two successive explosions, which shook the ground for a long distance and was heard for several miles. Consternation prevailed for a time, as it was feared that this was a prelude to an attack or to a series of similar explosions. Excited throngs rushed to the streets, while an armed party proceeded in the direction from which the detonations had been heard.

It was soon found that the stone bridges of Cristina and Concha and the aqueduct of Fernando Septo were the points that had suffered from the dynamite. The bridges were partially destroyed, and the pipes on the aqueduct, upon which the city is dependent for its water supply, were much damaged. It cannot yet be stated how extensive is the damage done, or how long it will require to remedy it.

The windows in many houses in the city were shattered by the reverberation of the explosion, and some market structures were also badly damaged. There is no doubt but that the dynamite which caused this wreck was placed by agents of the insurgents. It has been their determination, announced some time ago, to cut off the water supply of Havana, and so serve to make it as nearly uninhabitable as possible.

The greatest apprehension is felt on account of the secrecy and effectiveness with which the insurgents have been able to carry out the outrages. The night was spent in fear and dread of immediate danger. These fears were largely dispersed by the return of daylight. But the anxiety is felt as to the future. It is believed that the insurgents are bent upon involving Havana by cutting off as much as possible the supply of necessities, if not by actually besieging it.

All fruits and vegetables and fresh meats are unrepresentedly high priced and difficult to obtain, and milk is of the poorest, such as is brought in being much adulterated before it is doled out. Much fever and smallpox has broken out here, and in the unwholesome condition of affairs threatens to become epidemic. Many are suffering from measles, and there is much intestinal trouble among the inhabitants, owing to poor and insufficient food. The failure of the water supply under these conditions is a dire calamity.

It is the announced intention of the authorities to continue the campaign against the insurgents in spite of the unhealthy rainy season having set in, and additional troops are in the field in Pinar del Rio, with the purpose of running down and surrounding Antonio Maceo.

It is evident, however, that the insurgents themselves are preparing to enter upon a more aggressive plan of action, and the gathering of insurgent forces in Puerto Principe and Santa Clara is believed to be a prelude to another raid westward in force by Maximo Gomez. The presence of this combined insurgent force in the neighborhood, and even in the outskirts of Havana in the next month, is a condition that must probably be counted on.

"Last summer while attending court at Uniontown," says D. B. Patton, a prominent druggist of Fayette City, Pa., "three witnesses were suffering from diarrhoea. I gave each a dose of Chamberlain's Colic, Cholera and Diarrhoea Remedy and it gave immediate relief. On the way home one of my neighbors was taken with a severe cramp in the stomach and was suffering with intense pains. I gave him a dose of this remedy and within five minutes the pains had ceased. The remedy is a favorite here. I know of many who are never without it. I always take it with me when going away from home." For sale by Gruhler Bros., druggists.
