HANNA ELECTED CHAIRMAN.

Fresidential Campuign.

Sr. Louis, June 20.—The national Republican committee yesterday elected Ma.

A. Hanna, who managed McKinley's canvass for the nonlinution, chairman of the committee, and he will take the active direction of the Republican campaign. His headquarters probably will be in New York direction.

From an authoritative source it is learned that Chairman Hanna has decided upon the secretary and trensurer of his executive committee, both of which positions he has committee, both of which posttions he has power to fill. The story is that Major Charles L. Dick, of Akron, will get the secretaryship, while Sylvester Efect, of Cheveland, will be made treasurer. With this comes an interesting story. It is that Hanna wanted Dick for national committeeman, but Foraker and Bush-

nell insisted so strongly upon Kurtz that Hanna had to yield, and now he has given Dick, or will give him "something equally as good," to use a Missouri political phrase. It is also understood that ex-Committee-man Hahn, of Ohlo, will be placed upon the executive committee by Mr. Hanna.

The doctors in attendance upon Mr. Vanderbilt give him eight days in which to recover his health. and if he does recover there is no reason why the wedding should not take place two weeks hence.

The Notification Committees. St. Louis, June 20.—The committee ap pointed to notify Major McKinley of his nomination has decided to proceed to Canton, June 29, and perform that office. The members of the committee to notify the vice presidential nominee will call on Garrett A. Hobart, at Paterson, N. J., July ?

The Bolting Republicans, St. Louis, June 20.—At the secret con-ference of the bolting silver delegates an address to the people of the United States was agreed upon. While the address con-tains much in the nature of a silver coinage argument, the concluding paragraphs show the determination of the bolting delegates to bring about the nomination, if possible, of Senator Henry M. Teller, of Colorado, as the candidate for the presidency on a platform having for its card nal principle the free and unlimited coinnge of silver. Messrs. Mantle, Carter and Marshall, of Montana, who did not bolt. declare that their refusal to walk out does not indicate an acceptance of the platform.
