## CONSUL LEE ON CUBA.

An Interesting Letter from Our Representative in Havana.

## SPANISH ATROCITIES CONFIRMED.

The Consul General Declares There is Abundant Evidence to Confirm the Charges—Believes That Peace Cannot be Made Short of Absolute Independence.

WASHINGTON, June 21.—A very interesting letter was received yesterday by a relative from General Fitzhugh Lee. It was written on the 12th, and deals fully with Cuban affairs. The Spanish authorities, the general says, have treated him with great courtesy, and Captain General Weyler has granted every request thus far preferred, even allowing him to visit the prisons where the captured Americans are confined.

Of the Spanish troops, he says, they are fairly well drilled, but under a system of tactics and manual totally different from any the general has ever seen.

As to the insurgents, they practically have control of the island. Their commissaries come in and go out of the towns and cities as they will, and he believes the entire native population is in sympathy with them. As to the inhumanity of the Spanish commanders, General Lee expresses himself in the plainest terms.

"They do not regard the laws of modern war nor the usages customary among civilized nations at all," he says. "From every quarter there is the same testimony concerning the barbarities of the Spanish soldiers. Some of the evidence I have heard would be beyond belief did I not know it to be the most reliable. Violations of women, the plunder of inoffensive citizens, murder, every form of rapine, is the favorite story of prisoners and natives of the island who happen to be under suspicion, and it takes very little, indeed, here to place you under suspicion."

General Lee doubts if peace will be made now short of a basis of absolute independence and freedom from Spanish control.

## Buried in a Fallen Building.

SAN FRANCISCO, June 23.—A three-story building occupied as a lodging house at the corner of Fifth street and Mint avenue collapsed, burying several persons in the ruins. The body of a woman has already been recovered, and it is feared there are at least six others in the debris. Fire broke out in the ruins and enveloped all that was left of the structure. Three of the wounded have been rescued. The disaster was caused by workmen engaged in laying the foundation for another building undermining the walls.

## Yellow Fever Vessel Quarantined.

NEW YORK, June 23.—When the British four-masted ship Nile, from Rio Janeiro, reached quarantine last evening, Captain Clark reported that on May 11, Neils Johansen, seaman, aged 29 years, died from yellow fever, and on the 16th, John Sloan, sailmaker, of Glasgow, aged 27 years, died from the same disease. There was no other sickness during the voyage, which lasted forty-one days. The vessel was detained in quarantine for disinfection and cleansing, and the entire crew was transferred to Hoffman Island.

## Allas Defeats Britannia.

LIVERPOOL, June 23.—Britannia, Allas and Satanilla competed yesterday in the regatta of the Royal Jersey Yacht club, off New Brighton, over a fifty mile course, and for prizes of \$400 for first and \$100 for second. Allas was the winner, Britannia coming in second. With Satanilla a long way astern. It is announced that Emperor William will race the yacht Meteor at Swansea today.

## Transvaal Invaders Indicted.

LONDON, June 23.—The grand jury yesterday found true bills against Dr. Leander Starr Jameson, Major Sir John Willoughby, Colonel R. White, Colonel F. White and the Hon. Henry F. ## STOCK AND PRODUCE MARKETS.

Closing Quotations of the New York and Philadelphia Exchanges.

NEW YORK, June 23.—A variety of influences contributed to bring about a lower range of prices in the stock market today. Although nothing tangible was evolved out of the mass of rumors that obtained circulation in relation to the Cuban situation, enough uneasiness was revealed on this point and regarding other foreign political complications to start a brief selling movement all along the line. Local considerations of a depressing character were also in evidence. Closing bids: Baltimore & Ohio, 17 1/2; Lehigh Valley, 30 1/2; Chesapeake & Potomac, 10 1/2; New Jersey Coal, 10 1/2; Del. & Hudson, 12 1/2; N. Y.
