THE IRON AND STEEL SCALE.

It Must be Settled Before Next Tuesday
to Avert a Shutdown.

PITTSBURG, June 23.—All the iron, steel sheet and tin plate scales of wages for the year beginning on July 1, made by the Amalgamated Association of Iron, Steel and Tin Plate Workers, must be settled before Tuesday of next week. If the scales in any of the departments are not signed it will mean a suspension of work in the union mills until an agreement is reached. In the tin plate branch conference there was a disagreement, but there seems to be no doubt that the conference committees of both sides will come together again before Saturday, and either compromise or agree to the Amalgamated Association scale.

In the scale for sheet mill workers no date has yet been fixed for another conference, but it is probable that they will get together again and reach a settlement. There may be a fight, however, as the union mills must all close on Saturday night unless the wage question is definitely arranged.

No conference on the bar iron scale has yet been held, but one of the Pittsburgh manufacturers has been fixed for tomorrow in this city. The most important bar iron conference will be held at Youngstown on Thursday.

President Garland, of the Amalgamated Association, said he did not anticipate any trouble in arranging the scales, and he believes that all will be satisfactorily settled. He did not say definitely when they would be settled, but it is not likely that all will be fixed up. This will be because the manufacturers will hold off for a period in order to make some necessary repairs to the mills.

KISTLER KEIPER NUPTIALS.

Two of Shenandoah's Popular Young
People Married This Morning.

The principal topic of conversation in society circles for the past week or two was the announcement of the engagement of Dr. Milton S. Kistler, one of Shenandoah's bright young practitioners, and Miss Emma Keiper, the accomplished daughter of John Keiper, outside foreman at Kehley Run colliery.

The event occurred this morning, at 8:30 o'clock, at the residence of the bride's parents on East Line street. Rev. E. F. Kohn, of Alburtis, who was at one time pastor of the Presbyterian church of this place, performed the ceremony. The wedding was private, only the immediate relatives and friends of the contracting parties being present.

After the wedding ceremony the bridal party sat down to a table well laden with all the delicacies of the season. Mr. and Mrs. Kistler boarded a morning train for Kempton, Berks county, where they will spend a few days with the former's parents, and from there they will visit Ocean Grove, New York and other points of interest. Upon their return they will take up their residence at 120 North Jardin street.

The couple were the recipients of many beautiful and costly presents, and have the best wishes of a large circle of friends who wish them much happiness, and in which the **HERALD** joins.

The Republican Ratification.

Preparations for the ratification meeting to be held on Friday night at Pottsville are being made on an extensive scale, and the indications point to a large gathering of Republicans from every section of the county. Shenandoah will be well represented. The Pottsville Republican Club last night endorsed the action of the St. Louis convention in the selection of McKinley and Hobart, and the adoption of the platform, and endorsed the action of the Pennsylvania delegation in naming Senator Quay for the Presidency. Committees on finance, program, fire works and music were appointed, and among the aids to Marshall G. A. Doerflinger, of Pottsville, we notice the following: Alex. Scott, of Frackville; J. S. Hodgett, of Gilborton; Supt. W. H. Lewis, Wm. Penn; Joseph McConnell, Ashland; N. M. Frank, of Gordon; Col. P. H. Monaghan, of Girardville; David R. James, Shenandoah; Morgan Price, Lost Creek; Harrison Ball, Mahanoy City; John D. Kershner, Tamaqua; John F. Finney and J. H. Zerber, Pottsville.

Know Their Value.
The railroads of the country are at last clearly realizing the value of legitimate newspapers as advertising mediums. Evidently the Joint Traffic association has come to such realization, as it has just issued a circular ruling that all special circulars, open house advertisements, prospectuses, etc., which have been used to a great extent by different roads, can no longer be used legitimately, and the issuance and passes or favors of any kind by the railroads for the same will be contrary to the rules of the Joint Traffic association. The new order excludes all forms of advertising except notices and standing ads in regularly published newspapers, and goes into effect July 1.

To Meet at Pittsburg.

The National Council of the Dr. J. D. E. A. M., hold at Denver last week, has selected Pittsburg for next year's meeting place. For years the annual meetings have been held in the West and the selection of Pittsburg is a victory for the East. The Council has decided to abolish the parade on Washington's birthday next year, deeming it advisable to have the councils observe the occasion in other ways. A fund of \$10,000 will be raised by the Pittsburg Mechanics to entertain the National Council, whose session is expected to bring 20,000 members of the order to that city.

Davis was endorsed with equal unanimity for State Senator; Dr. W. B. Stoner, of Sundry, was named for Treasurer, and Rev. Charles T. Steck, of Shamokin, for Prothonotary. There were no contests for these offices.

The crime was committed on April 6, Frank Wilson, an accomplice, has already been convicted of murder in the first degree. William Doran, another alleged accomplice, has not yet been arrested.
