ERUMM THE RIGHT MAN.

The silverites are preparing for a publi-meeting to be beld in Politeville. William Wilhelm will speak in flavor of silver, and some one will be selected to defined the gold standard.—Politeville Chronicia.

The movement is one that should be encouraged, especially in Schuylkill county and more particularly in the town of Potisville. While we believe the workingmen of this county have greater interests in the tariff question; that their interests are morn closely alibed with Protection than any other char. because it seemes for the mineranid office labor larger and more independent utilization of their own cupital, which is work or employment, nevertheless the financial question about that he overhooked.

The Republican party has adopted a strong platform, and one of the plants declares in fayor of the present gold standard as follows

layer of the present gold standard as follows:

"The Republican party is more servedly for sound manay. It coused the emergency of the amount manay. It caused the emergency of the account is present to the account of the following of the resumption of special party as good as gold. We are unafterned opposed to very memory mischard as defense our currency or impair the around our currency or impair the around our currency of impair the around our country. We are accept by international agreement which the coulding commental radious of the verying which is presented and until another presented the coloring and standard must be preserved. All our store and independent must be preserved. All our store and paper currency cuts to considerated at party with good, and we have all instances designed to minimal memorial of the column of the

It now appears cortain that the Democrats will declare in favor of free sliver at a ratio of 10 to 1. Time it will be seen the two partles are wide apart on the currency queetion, as much so as on the tariff, and all Re-Maldianes will be pleased to meet the enemy, be the look what it may. Let the discussion take p here by all months, and at an early date. It can not some two soon for the advocates of the plank adv, "ed by the Reputations at St.

No man in schoytkill wounty is better a. In to defend the sever side to the controvery in Portsville, affeeding the first birthday 4th, from 2 to 10 p. m. Admission 10 cents, than William William William William with the last given celebration of Louis Cake, of the Lost Creek Constitute Tom Rolling to have heard the subject much thought. He will no doubt he abia to prays: to his heavers that a 50-cent dollar ought to be worth 100 cents; that the ruinous consequences of free silver would not fall most heavily upon the workingmen and farmers; that free sliver is not principally demanded for the benefit of the silver miners and mine owners; that it is not centrary to the teachings of Thomas Jefferson, the great apostle of Democracy; that it would not be special legidation in the interest of a favored class; nor that the free comage of silver would cause a business panic in this country. All these Mr. Wilhelm's eloquence may be will require a fee worthy of his steel to des popular resort on the Fourth. fend the Republican policy.

Republican party in this county, we full to on North Jardin street.

In M. Paglin, of Pittsburg, the new instructor than the gentleman who at present represents for the Jewish Talmud Tohre, arrived in this district in Congress, Hon, Charles N. town today. The opening session of the Brumani. His orniorical abilities are superior to those of Mr. Wilhelm; he, like the latter, morning, has made the currency question a life study has made the currency question a life study and knows the intrinsic value of the money with which Uncle Sam pays his servants on North West street, yesterday. and knows the intrinsic value of the money Mr. Brunni has often addressed the workingmen of Schuylkill county on the money question; in fact, his very political existence Proceedings Before the Final Session of was brought about by a popular money wave that swept over Schnylkill county several

years ago.

We do not believe Mr. Bramm will he import to be except the challenge thrown down by Mr. Wilhelm and his traced by from the constituency knews that his vales has in the past been rived in condensation of the Democratic doctrine. Now sint one of the principal plants in his party, platform has been assailed, we believe Mr. Bramm should be only too willing to accept the challenge, and with the willing to accept the challenge, and with the willing to accept the challenge, and with the less of Continuous and the shoriff's doct only to the Bramm should be only too willing to accept the challenge, and with the willing to accept the challenge, and with the
