## MYSTERIOUS DEATH.

**Harry Mee, of Mahanohy City, Died in a Philadelphia Hospital.**  
Harry Mee, of Mahanohy City, an expert accountant, died at the Hahnemann hospital at 11 o'clock last night as the result of a blow upon the head inflicted in a manner which is as yet a mystery. Last Saturday evening Mee registered at the Hotel Vaudig and was assigned to a room. He went out shortly after, but returned about 11 o'clock. He told night clerk William Witt that he had an appointment to meet a girl. After giving Mr. Witt his valuables for safe keeping he again left.  
The next seen of Mee by the hotel people was about 11 o'clock Sunday morning. He came into the office and complained of severe pains in his head. An attack of the hotel showed him to his room and at his request Dr. Homer Laid, 1235 Arch street, was sent for. Before the doctor arrived, however, Mee had lapsed into unconsciousness, from which it was impossible to arouse him. An examination disclosed the presence of a wound on the back of his head, evidently made by a blow from a blunt instrument. Yesterday morning Mee's condition having become no better it was thought advisable to send him to the hospital, where he remained in a comatose state until he died.

Mee was a single man about 35 years of age and was well known to the people of Mahanohy City. At one time he was employed as book-keeper by B. Labrows & Co. of that place and remained in the firm's employ about three years. After that time he devoted himself to expert accountant work and was at times employed by C. D. Kaier. He made his home at the Mansion House. He was an Englishman by birth. Mee was last seen in Mahanohy City on Friday last.

**Will Go to Chicago.**  
Major James Ellis, of Pottsville, and Wm. A. Marx, of Ashland, Schuylkill's delegates to the Democratic National Convention, will leave for Chicago on the train leaving Pottsville at 7 o'clock Sunday morning. Among others who will attend the convention are Democratic County Chairman Josiah Lane, successor of Pottsville; M. T. O'Connor, of Mahanohy City; Postmaster Michael Mellet, of Shenandoah; Hon. John X. Denoe and Charles Granger, of Ashland.

**Search for a Husband.**  
Mrs. Carl Lomberling, of Austria, has traveled three thousand miles over the broad Atlantic ocean in search of her husband. She arrived at Mt. Carmel, having heard in New York city that he went to that place to work in the mines. Without any warning Lomberling suddenly left home and his distracted wife has not heard from him since. Three months after he left and no tidings having been received from him, his wife started out to hunt him up. She first traced him to London and thence to New York. Up to this time her search has been unsuccessful and it is now said Lomberling left for Shenandoah after being there only two days. Lomberling is 5 feet, 8 inches in height, wears a sandy beard, has brown eyes and is pretty well informed on general topics.

**Returns From a Tour.**  
Mr. and Mrs. Christ J. Cox, who were married in town last Wednesday, returned from their wedding tour to their home in Mahanohy City last night and were greeted by a large number of friends, among whom were many from this town.

## COAL TRAIN WRECK.

**A Dispute Over the Cause—Many Cars Were Damaged.**  
A serious wreck occurred yesterday afternoon on the Lehigh Valley railroad, at Barry's Junction. Engine No. 63, with a train of empty coal cars, bound for Packer No. 3 colliery, pulled into a siding to allow a passenger to pass. Engine No. 80 with a train of empty coal cars rounded a curve and ran upon the same siding, crashing into the rear end of the train drawn by engine 63. About twelve cars were wrecked, but none of the crews sustained injury. The wreckage blocked both tracks and delayed the passenger train over an hour. A wreck crew from Delato removed the debris. The rear brakeman of the first train said he flagged the second train, but the engineer of No. 80 said he didn't see it.

Shoes at  
Factory Prices.

**Don't Let  
Your Feet Go  
"Bareheaded"**

It isn't necessary, on the ground of economy, because we're selling foot-gear as near nothing as anybody can; nor is it necessary, on the ground of coolness, because our Russet Shoes are cool enough for any man, woman or child who walketh up and down, to and fro, on this earthly planet of ours. By this time it's pretty well known that we can serve wearers of shoes better than anybody else can; we save them money every time they buy here; the big crowd at our store prove that. People would not come so often if it were not so.

It has taken good shoes at lowest prices to build up the biggest shoe business in town; and just such policy is holding it. What a blessing to lean pocket-books Factory Prices have been. Usually enough saved on two pairs to buy the third. For instance: Child's Russet Shoes, 35c.; Child's Russet Oxford Ties, 65c.; Child's Russet Sandals, with buckle, 75c. and \$1.00; Misses' Russet Shoes, \$1.00; or Oxford Ties, 75c.
