

COVERED WITH HUMOR

When I was thirteen years old I began to have some eye and ear, and from my ears a humor spread. I consulted with five different skillful doctors, but they did me no good. My disease was Eczema. By this time it had gone all over my head, face, and body. Nobody thought I would live, and would not have had for Cytocina Tablets. I used four boxes of Cytocina, five cakes of Cytocina soap, and three bottles of Cytocina Resolvent. My skin all came out of that time, but now it is so thick I can hardly comb it. I am sixteen years old, weigh 130 pounds, and am perfectly well.

Three Men Buried Alive.

NASHVILLE, July 7.—Yesterday afternoon, on a branch line of the Nashville, Chattanooga and St. Louis railroad, at Centerville, six men working on the road were buried by a slide of rocks and dirt, caused by recent heavy rains. Men were at once put to work rescuing the buried men, and in two hours three were taken out alive, but seriously injured, and the other three were dead.

Fourteen Prisoners Escape.

GETTYSBURG, O. T., July 7.—Fourteen prisoners overpowered the guards in the United States jail here Sunday night and broke jail. Bill Dollen and "Dynamite Dick," the last survivors of the Dalton gang, who were charged with the murders committed in the Ingalls fight, at which four deputy marshals were killed, were the principal actors.

Death of Ex-Minister Young.

NEW YORK, July 7.—Piero B. M. Young, United States minister to Guatemala and Honduras, died yesterday in the Presbyterian hospital. With him when he died was his brother-in-law, Dr. Jones, of Florida. The hospital authorities are rather reticent as to the nature of General Young's illness. They defined his ailment as a "medical case."

Pugilistic Empire Hurst.

WASHINGTON, July 7.—Umpire Hurst, after the Washington-Pittsburgh game yesterday, met Stenzel and Hawley, of the latter team, in the rear of the grand stand and administered a blow on the jaw to each of them. This action was the result of words which had passed between them on the field. Neither player resented the attack.

Marvelous Results.

From a letter written by Rev. J. Gunderman, of Dimondale, Mich., we are permitted to quote the extract: "I have had hesitation in recommending Dr. King's New Discovery, as the results were almost marvelous in the case of my wife. While I was pastor of the Baptist church at Eves Junction she was brought down with pneumonia succeeding La Grippe. Terrible paroxysms of coughing would last hours with little interruption and it seemed as if she could not survive them. A friend recommended Dr. King's New Discovery; it was quick in its work and highly satisfactory in results." Trial bottles free at A. Wasley's drug store. Regular size 50¢ and \$1.00.

Electric Bitters.

Electric Bitters is a medicine suited for any season, but perhaps more generally needed in the spring, when the languid exhausted feeling prevails, when the liver is torpid and sluggish and the need of a tonic and alterative is felt. A prompt use of this medicine has often averted long and perhaps fatal bilious fevers. No medicine will act more surely in countering and freeing the system from the malarial poison. Headache, Indigestion, Constipation, Dizziness yield to Electric Bitters. Only fifty cents per bottle at A. Wasley's drug store.

BRIDGES SWEEP AWAY

Aid Three Lives Lost by a West Virginia Waterspout.

IMMENSE DAMAGE TO PROPERTY.

Farm Houses Washed from Their Foundations, Stock Drowned and Growing Crops Destroyed—A Heavy Rain in Pennsylvania Floods Several Towns.

WHEELING, W. Va., July 7.—Another waterspout in the interior of Ohio and Marshall counties caused great loss to property and a suspension of railroad traffic out of Wheeling on two railroads Sunday night the rainfall in the interior was very heavy, and about 2 o'clock yesterday morning there was so much rain that it approached a cloudburst in volume. The various creeks, including Big and Little Wheeling creeks, Little Grave creek, Jim's run, on the West Virginia side of the river, and Wheeling creek and other tributaries on the Ohio side, sent out an immense amount of water. The water was speedily out of banks. Farm houses were washed from foundations, stock drowned, growing crops destroyed, and there were many narrow escapes from death in the raging waters.

Wheeling creek put out into the Ohio so furiously that up bound towboats were unable to stem the tide, and had to tie up below the city. The Baltimore and Ohio depot extends over the mouth of the creek, and was soon seen to be in danger, as the water was carrying away the foundations of the pier at the north side. All persons and property of value were taken away and the people warned of the danger. At 11:30 a. m. the east span went down, and carried with it the railroad bridge to the west. Further up the creek the trestle work of the Wheeling Terminal road was carried away, and J. H. Rosenberg, an aged contractor, was carried down with the wreck. He was rescued by spectators. Twelve miles below this city, at Mountsville, the damage was quite severe. The steel bridges of the Ohio river and Baltimore and Ohio roads were carried away, the current being so swift that the Ohio river bridge was sent to the middle of the Ohio river. Up Little Grave creek, a hotel in the oil field was carried off its foundations, but no lives were lost. The Ohio river road is now using a steambelt for hauling passengers, trains for the south starting at the latter point. The Baltimore and Ohio is blocked from Wheeling to Granton, and its east bound passenger trains are going by way of Pittsburgh. The loss to the two railroads named is about \$20,000.
