REPUBLICAN NATIONAL TICKET. FOR PRESIDENT, WILLIAM McKinLEY, OF Ohio. FOR VICE PRESIDENT, GARIBET A. HOBART, OF New Jersey.

REPUBLICAN STATE TICKET. FOR CONGRESSMAN-AT-LARGE, GALUSIA A. GROW, OF Susquehanna. SAMUEL A. DAVENPORT, OF Erie.

The Illinois gold standard Democrats have issued a call for another Democratic Convention. Better not, the last one turned out very badly.

To South his wounded feelings the Democrats of Missouri have offered to run Blaine for Governor but he declines and wants to go back to Congress instead.

Has our old friend, Jack McCarthy, moved his headquarters to Shamokin? The telegrams from that region to the city papers rival Jack's best efforts from Hamilton in the same line.

HAYAN'S fellow citizens in the grasshopper state have entered a vigorous protest against his contemplated arraignment of having his formal notification take place in New York. They appear to have that contact with those horrible gold bugs of Wall street, will continue the Boy Orator and want him to stay away.

SENATOR M. S. QUAY has been selected as one of the Republican National Executive Committee and has been asked to Cleveland to assist Mark Hanna in laying out the work of the campaign and is acknowledged to be the virtual head of the committee, although not figuring publicly in that capacity.

There is nothing American about this new Democracy, and although Americanism may be a secondary political consideration, not to be involved in any spirit of bigotry or prescription, still even an American Democrat or an American gentleman does not welcome such a man. The decree of ostracism was passed at the Chicago convention signed by Algebe, the Robinsons, and counter-signed by Tillman, the Master of the new revolution.

The report will be industriously circulated that the Republicans will desert their own ticket and support the Democratic candidate for President. They will do nothing of the kind. No Republican ever deserted his party to vote against a fairly nominated candidate without at least regretting the act.

Spain appears to be in a bad way as far as her army in Cuba is concerned. The yellow fever is devastating it. Fully 40 per cent has been stricken by that terrible pest, which is reported as the increase. To add to the horrors of the situation, the cholera has made its appearance, threatening to become epidemic, at least such is the opinion of experienced physicians.

It has been a question of doubt as to the control of the Senate in the 55th Congress, but the table prepared by the American Protective Tariff League shows that a Republican majority is assured. In Ohio and Maryland Republicans have already been elected. New York, Wisconsin, Indiana and Illinois are also counted upon as sure, while Kansas, South Dakota and Missouri are counted as probable.

Pedro Jimenez, a Salvadoran, walked up to the table at which King sat and a party of friends were seated and speared in the face of the ex-president.

THREE SUSPECTED HORSE THIEVES LYNDON.

ANDERSON, I. T., July 15.—Noah McMill, sheriff of Tishomingo county, came in yesterday from Tishomingo, the capital of the Chickasaw nation, and reports that three white men have been hanging to a limb near Regan postoffice, a few miles from Tishomingo. The men were strangled in the neighborhood, and the crime is a mystery. It is generally believed that they were horse thieves, and were followed and captured by a party of Texans and swung up on the spot.

COMMERCIAL MENTION TRAVELER.

PROVIDENCE, Mass., July 15.—A memorial of granite and bronze, erected in commemoration of the signing of the constitution for the government of the new colony by the Pilgrim Fathers, was unveiled with appropriate ceremonies yesterday. The site of the memorial was selected by a committee appointed by the state senate in 1895 to inspect and appropriately mark historic spots in Massachusetts. The act commemorated by the monument took place in the month of the Mayflower as she lay in this harbor before the Pilgrims had decided upon Plymouth as a permanent landing place.

REBELS REBELS AGAIN.

BIRMINGHAM, July 15.—Grave news has reached this place from the Manassas and Tullahoma districts. It is to the effect that a rebel impi or regiment has taken up a position on the Tull road, about twenty-five miles southwest of Buford, Va. This is one of the most noted of the entire civil war, and ordered the construction of forts on the Tull road. The Rebels are already in great force in the northwestern part of the Tull concession. Fighting is expected soon.

SAN FRANCISCO, July 15.—The exhibition of an old lamp shortly before midnight on fire to the shop of Shou Wong Chang, No. 72 Jackson street, and before the flames were controlled a butcher shop and general store adjoining were completely gutted.

THE CANADIAN YACHT AGAIN WINS.

NEW YORK, July 15.—The result of the second day's race in the series between the Glenora, of the Royal St. Lawrence Yacht club, and El Heira of the Yacht Challenge cup offered by the Seawanhauk Yacht club for half riggers, was another victory for the Canadian boat, and a demonstration that she is superior to her rival on every point of sailing. Glenora was ahead at every leg of the course, and won by 10 miles, 25 sec.

A DESPERATE CONVICT.

He Attacks and Stabs Two Prison Keepers With a Knife. TRENTON, July 15.—John Monahan, a convict in the New Jersey state prison, made a desperate attack on his keepers with a knife yesterday. Captain William H. Henning, acting center keeper, was gashed in the throat, and Clerk Thomas H. Madden was severely on both hands. Their wounds will not result seriously.

Monahan has served three and a half years of a five years' sentence for assault and battery. He had for some time been suspected of carrying a knife, and while he was exercising in the jail yard yesterday his cell was searched. The weapon was not found, and when Monahan was brought back to his cell Captain Henning ordered him to stand in the "corner," with his face to the wall. Then he said: "You have something to say?" Monahan turned quickly and answered that he had a knife and that he was going to use it to cut out Henning's heart.

MARVELOUS RESULTS.

From a letter written by Rev. J. Gauderman, of Danville, Mich., we are permitted to quote the following: "I have no hesitation in recommending Dr. King's New Discovery, as the result were almost marvelous in the case of my wife. While I was pastor of the Baptist church at River Junction she was brought down with pneumonia, and I tried every remedy in my power, but she would not improve. I had a friend recommend Dr. King's New Discovery, and it was quick in its work and highly satisfactory in results." Trial bottles free at A. Wasley's drug store. Regular bottles 50c and \$1.00.

NUGGETS OF NEWS.

Kemper Francis Joseph has granted an audience to Prince Hohenzollern, the German chancellor at Berlin. The German chancellor afterwards dined with the emperor. Word received from Costa Rica is to the effect that the congress there, by an overwhelming vote, disapproved the resolution to recognize the belligerency of the Cuban insurgents.

It was announced at the A. O. H. convention in Detroit yesterday that \$25,000 of the 250,000 has been raised with which to endow a chair of Irish literature in the new Catholic university at Washington. A Paris newspaper reports that the Duc d'Orleans has been betrothed to Archduchess Dorothy Amelia, daughter of Archduke Joseph, commander of the Austrian landwehr.

Sleep Induced by the use of coca, opiate or narcotic compounds is bad, decidedly bad. They undermine health and shatter the constitution and the patient is steadily growing into a worse condition—often resulting in the terrible slavery and misery of the cocaine and opium habit. Sleep induced by the use of Hood's Sarsaparilla does not perhaps come as quickly, but it comes more surely and more permanently through nature's great restoring and rejuvenating channel—purified, vitalized and enriched blood. This feeds the nerves with life-giving energy and builds up the system and constitution from the very foundation of all health and life—the blood—pure, rich, red blood.

Hood's Sarsaparilla Is the One True Blood Purifier. All druggists \$1. Hood's Pills cure liver ills, easy to take, easy to operate. 25 cents.

POPULISTS AND SILVERITES.

The Probability That They Will Support Bryan for President. ST. LOUIS, July 15.—The rush of politicians to attend the Populist and National Silver conventions has not yet set in, although a few of the leaders have arrived. Chairman Taulenack and Sergeant-at-Arms McDowell, of the Populist national committee, predict one of the largest crowds that ever attended a convention. Chairman Taulenack says there will be 1,500 delegates, representing over 2,000,000 voters.

Populists shall abandon any idea of a separate and distinct national ticket and endorse outright the candidates and the platform of the Chicago convention. This proposition will be supported by the friends of Senator Henry M. Teller, nearly all the Populist members of the United States senate, and the People's party leaders in many of the western states.

From the south come delegates and People's party leaders who are not delegates to the convention, urging another proposition—to put up a presidential ticket, adopt a platform, run presidential electors in all the states where the People's party has an organization, and then, when the time comes to cast the vote in the electoral college, let the Populists and Democrats combine on the strongest man, whether that be Bryan or the Populist nominee.

Vigorous objection is urged against this on the ground that it would be dangerous to the common cause of free silver. It would divide the strength of its adherents, and in some of the slave states where one or the other holds the balance of power, a division of their strength might give the state to McKinley.

The Addicks Republican Convention. DOVER, Del., July 15.—John H. Hoffecker, of Smyrna, was named for governor, and Jonathan S. Willis, of Milford, for congress, by the Addicks faction of the Republican party, in convention, yesterday. Both nominations were by acclamation. The platform reaffirms loyalty to Republican principles as enunciated by the St. Louis convention, denounces the action of the St. Louis convention in appointing the Addicks delegation, and declares the Higgins state committee to be "a mere pretense." James G. Shaw, D. Millin Wilson and Daniel J. Fooks were named as presidential electors. It is expected that the convention, headed by the Higgins delegates, which will be held at Georgetown tomorrow, will endorse the nomination of Mr. Hoffecker for governor.

Electric Bitters. Electric Bitters is a medicine suited for any season, but perhaps more generally needed in the spring, when the languid, exhausted feeling prevails, when the liver is torpid and sluggish and the need of a tonic and alternative. A prompt use of this medicine has often averted long and perhaps fatal bilious fevers. No medicine will act more surely in counteracting and freeing the system from the malarial poison. Headache, Indigestion, Constipation, Diarrhea yield to Electric Bitters. Only fifty cents per bottle at A. Wasley's drug store.

Foreigners in Cuba Must Register. HAVANA, July 15.—Captain General Weyler has issued a decree that all foreigners in the island are to register in a special book in the government's charge previous to their being justified in appealing to Article VIII of the decree relative to foreign citizenship of November, 1894. Those not registering within thirty days, Captain General Weyler says, will lose their privileges and rights as foreigners. All consuls have been notified of this act. The reason given for issuing this decree is that native Cubans are taking advantage of the rights accorded to foreign citizens to escape penalties which they lay themselves liable to.

Mr. W. H. Smith, editor of The Argus, Benton, Pa., recommends a remedy for diarrhoea which he has used with magical effect. "Several weeks ago," he says, "I purchased a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, and after using less than one-third of the contents the results were magical—effecting an entire cure. I heartily and cheerfully recommend the remedy to all suffering from diarrhoea." This remedy is for sale by Grubler Bros., Druggists.

The yacht on reaching the other side will be docked at once and placed in first class racing trim, but whether or not she will take part in any of the regattas is not known.

Full Details Gladly Given.

M. B. EDWARDS EDMONDS, long connected with railroad construction in Nebraska, writes: "My heart troubled and pained me for 19 years. Shortness of breath was the constant and most common symptom. Intense, excruciating pain, generally followed any severe exertion. Faintness, hunger without any appetite, fluttering that made me clutch my breast, and palpitation that often staggered me as if I would fall, were frequent attacks. Again, everything would turn black if I arose from a stooping posture quickly. Sleepless nights with their prostrating unrest were numerous and I could get no rest day or night. I consulted leading physicians and tried advertised remedies. They gave me no relief. One of Dr. Miles' circulars described my case so exactly that I took Dr. Miles' New Heart Cure and I am now a well man. I hope every one troubled with heart disease will try Dr. Miles' remedies. If they will write me personally, I will gladly give them full details of my experience." E. W. Edmonds, P. O. Box 53, David City, Nebraska.

Dr. Miles' Heart Cure is sold on guarantee that first bottle benefits or money refunded.
