POTTSVILLE, July 18. The following deaths were recorded: From Fred Patterson et al. to John Doherty, lot in Pottsville, with assignment, by John Doherty, to Charles Brock, from Virgie McKnight, trustee et al. to William H. Davis, lot in Pottsville, from John Kemple to William H. Davis, lot in Pottsville, from Aaron Reichert to James Reber for two tracts in South Manheim township.

The Hackberry Business. The bottom has dropped out of the hackberry business in Hazelton. Buyers reduced the price to 3 cents a quart and pickers refused to gather them for such a low price. Shenandoah dealers yesterday paid 5 and even 6 cents in some cases and the shipments were the heaviest yet made, 2750 quarts being sent out. Considerable trouble is caused in the Hazelton region by the drug venders used by some pickers to bring their berries in and dealers refused to purchase from them on this account. The Philadelphia dealers talk of sending an inspector to see that cleanliness is enforced upon the pickers next season.

Four Relatives in the Twin Shaft. Mrs. Michael Purcell, of Girardville, is among the number of injured in the wreck which occurred on the Lehigh Valley railroad at Pond Creek Junction on Monday. Mrs. Purcell has four brothers-in-law entombed in the Twin Shaft at Pittston. She had been spending several days with friends at Wilkesbarre, and was on her way home when the wreck occurred. Her name failed to appear on the list of injured which was published in many of the newspapers. She received several cuts and scratches and was badly bruised. Her injuries are not serious.

Returned Home. Mrs. Mary Murphy, wife of Daniel Murphy, of Mahanoy City, whose disappearance from home was noted in these columns a few days ago, returned Thursday evening. It seems she had gone to the almshouse, where she had remained until Thursday, when she went to Pottsville for her personal effects with the intention of returning there. Meeting her husband she was induced to return home instead.

Disturbed the Peace. This morning about 2:30 o'clock Chief Toshi, Patrolmen Lee and Goodman and Constable Anthony Alex. were called to the saloon of Andrew Sawitzki, on East Centre street, where a crowd of twenty Polish men were drunk and creating a nuisance. When the officers arrived they discovered a proposed riot, but upon entrance to the place the crowd immediately dispersed, with the exception of two men, who were lodged in the lockup. They were given a hearing before Justice Kynkiewicz, found guilty of being the instigators of the row, and in default of payment of fines and costs, are serving time in the lockup.

Very Entertaining. Our enterprising grocer, E. B. Foley, this morning placed a new delivery wagon on the road for the accommodation of his steadily increasing trade at his new stand. This vehicle is something novel in the line of delivery wagons, and is the first one of its kind in this vicinity.

Testimony Taken. In the case of Joseph Wisocki vs. Joseph Kuzelwicz for the recovery of \$350, which the plaintiff had given Kuzelwicz for transportation of his sister-in-law to this country, whom Wisocki wanted to marry, testimony was taken on a rule to open judgment and permit defendant to make a defense, at M. M. Burke's office yesterday. The plaintiff is represented by E. W. Shoenmaker and the defendant by M. M. Burke. Prof. V. G. Stover acted as examiner, and took the testimony. The case has been postponed until next week.

Miss His Watch. Elmer Boyan, of North West street, is an employe of the Wm. Penn colliery. On Thursday he returned home from work at about 12:30 p. m. and hung his blouse containing a silver watch and a pair of new gum boots in the slanty and retired. During the night robbers entered the "slanty" by forcing open the door and stole the above articles. No clue to the robbers has yet been found.

Shenandoah Not in It. Ashland upon its entrance at the Lehigh Valley station, presents a very nice appearance. Recently the borough council passed an ordinance, compelling all the electric railway and telephone companies to paint their poles. The work has now been completed and presents a neat sight. Why does not our borough council pass a similar ordinance?

Pushing Knickerbocker Repairs. The work of repairing the Knickerbocker breaker is being pushed rapidly along and the carpenters and other workmen received notice to work eleven hours a day till further notice in order to complete the work as soon as possible. The old structure has been almost completely torn down and when the breaker resumes it will be as good as new, as all new machinery will be used. The entire frame work has been erected and the building is now under roof and ready for the machinery to be placed in position, which work will be started on Monday. A large gang of men are also employed in constructing two new turnouts to be used for the storage of empty coal cars. This was a necessity, as the former ones did not hold a sufficient number to run the colliery half a day. It will take at least six weeks before the colliery will be ready to resume operations.

Base Ball. Robinson Hall, manager of the Shenandoah Browns, was released by the club yesterday on account of inability. He is being succeeded by James Doyle. Rumors are afloat that the game between the Fanons and Cherry street teams for \$25 a side at the Trotting park was declared off, through some misunderstanding on the part of the Fanons club. An exciting game of base ball was played at the Trotting park yesterday afternoon between the Shenandoah High school team and the Shenandoah Browns. The game was witnessed by a crowd of spectators who were merely on the ground to torment the players. The score resulted 10 to 6 in favor of the High school boys. Mitchell, Keogh and Cuff occupied the box for the brainy boys and Feeley, Stoney, Skelly, Knott and Micklow looked after the interests of the Browns.
