DOWN TO BUSINESS.

Political Leaders Getting in Trim for the Campaign.

THE DEMOCRATIC HEADQUARTERS.

They Will Probably be Located in Washington Next Week, on the Arrival of National Chairman Jones—A Misleading Report Corrected.

WASHINGTON, Aug. 1.—The Republican congressional committee announced yesterday that the campaign text book would be ready for distribution on Monday. Among the callers at the headquarters yesterday were Senator Pritchard, of North Carolina, who stopped on his way home from a meeting of the national committee in New York; General Wilson, of Delaware, and Congressman Coffin, of Maryland. The latter said that the silver sentiment in the country districts was fairly strong, but that it had developed no strength in the cities.

Senator Jones, chairman of the Democratic national committee, is expected here on Monday. Immediately after his arrival the announcement of the location of the national headquarters will be made. Little doubt is entertained at the Democratic congressional headquarters that Washington will be selected. The fact that Mr. St. John, the treasurer of the committee, had engaged rooms at the Bartholdi, in New York, led to the announcement from New York that the headquarters were to be located there. This is plainly the result of a misapprehension. The rooms he engaged were simply those of the treasurer.

Senator Faulkner, chairman of the Democratic congressional committee, has returned from his home in West Virginia. He believes that the national Democratic headquarters will be located here. He says the demand upon his committee for campaign literature at this early stage is unprecedented. It is confined exclusively to the money question. The principal speeches called for are those of Representative Towne, Senators Teller, Cockrell, Vest and Harris.

The temporary and probably the permanent headquarters of the Populist national committee will be located at 1420 New York avenue, which is the headquarters of Senator Stewart and his silver paper.

Senator Jones has issued a call for a meeting of the Democratic national committee to be held at the Fifth Avenue hotel, New York city, Aug. 11. The committee will at this meeting settle the location of the national headquarters.

BRYAN'S EASTERN TRIP.

Mrs. Bryan Will Accompany Her Husband to the Notification Meeting.

LINCOLN, Neb., Aug. 1.—Mr. Bryan today announced his itinerary for his eastern trip to meet the notification committee from the Democratic national convention in Madison Square Garden, New York, Aug. 12.

Mr. and Mrs. Bryan will leave Lincoln at 6 o'clock Friday evening, Aug. 7, arriving in Chicago on Saturday afternoon. They will stop over Sunday, and will leave Chicago about midnight Sunday night, reaching Pittsburg Monday night. They will stay over night in Pittsburg and leave for New York early Tuesday morning, arriving there about 6:30 in the evening.

The national committee will meet in New York at the time of the notification, and important campaign work will be discussed. From New York Mr. and Mrs. Bryan will go to Bath, Me., and spend a few days with the Sewalls. The return trip will not be arranged until after the New York meeting. Mr. Bryan is not making any dates for speeches at this time, and will not do so until after the national committee has been consulted. He has been receiving large numbers of invitations to speak in almost every state of the Union. Most of them have come by mail or wire, but many have been extended by men who have come in person for the purpose.

Watson May Retire.

SAVANNAH, Ga., Aug. 1.—The rumor reaches this city from Atlanta that negotiations for inducing Tom Watson, the Populist candidate for vice president, to retire, are on foot. The Georgia senatorship, to succeed Gordon, is to be offered him, it is said. Ex-Speaker Crisp now has a walkover for the place, and it depends upon him to say if the deal with Watson shall be made. If he consents, it will be with the assurance that he will go into Bryan's cabinet in the event of Democratic success.

MARK TWAIN IN ENGLAND.

He Will Remain There Six Months, and Write a Book.

SOUTHAMPTON, Aug. 1.—Samuel L. Clemens, "Mark Twain," with his wife and daughter, arrived here yesterday on the steamer Norman from Table Bay, Cape Colony. Although he started out on his tour of the world in feeble health, being obliged often to take to his bed between the delivery of lectures, and notwithstanding an attack of illness in India, he looked the picture of health when he landed here. He has gone far and seen much in the Sandwich Islands, Australia, India and South Africa, but it was especially of affairs in the Transvaal, where his stay was coincident with the excitement over the trial of the "reform" prisoners, that he was ready to talk. He expressed himself as feeling charmed with what he had seen in South Africa.

"I consider the Transvaal the country of the future," said Mr. Clemens. "It has a delightful climate and boundless natural wealth. I had presented to me in Johannesburg a little nugget with figures on it showing the enormous increase in the gold output. The bulk of the trade there is in the hands of the English and Germans, but Americans should be able to command the lion's share of the trade in machinery, the largest portion of the machinery in the Transvaal being American.

Mark Twain showed his humorous appreciation of the stolid qualities of the Boer character in touching upon their history. He said, with his solemn and characteristic drawl: "The flight of the children of Israel was a holiday excursion compared with the Boer treks. When they finally settled in the Transvaal, like the Mormons, they thought the country was so valueless that no one would ever take the trouble to disturb them. Though there is no doubt that the English preserved them from extinction at the hands of the savages, their hatred of England increased with every interference.

Asked regarding his own plans Mr. Clemens replied that he intended to remain in England no longer than six months, and that he will spend in some quiet place away from London, where he intends to write a book.

Condensed Testimony.

Chas. R. Hood, Broker and Manufacturer's Agent, Columbus, Ohio, certifies that Dr. King's New Discovery has no equal as a Cough remedy. J. D. Brown, Prop. St. James Hotel, Ft. Wayne, Ind., testifies that he was cured of a Cough of two years standing, caused by La Grippe, by Dr. King's New Discovery. B. F. Merril, Baldwinsville, Mass., says that he has used and recommended it and never knew it to fail and would rather have it than any doctor, because it always cures. Mrs. Hemming, 222 E. 25th St., Chicago, always keeps it at hand and has no fear of Croup, because it instantly relieves. Free Trial Bottles at A. Wasley's Drug Store.

Holt Will Contest Compromised.

WASHINGTON, Aug. 1.—The legal controversy over the $200,000 estate of the late judge advocate general, Joseph Holt, has been compromised so as to give the heirs-at-law half of the estate in any event. This has been secured by the withdrawal of Miss Elizabeth Hynes, of Kentucky, a cousin by marriage of the testator, and an equal beneficiary under the alleged will of Feb. 7, 1873, with Miss Josephine Holt Throckmorton. It is understood that Miss Hynes received a sum which will cover all expenses by her in the case. Miss Holt Throckmorton, however, will continue the fight.

Killed by Masked Robbers.

CINCINNATI, Aug. 1.—At about midnight two masked men walked into George Hetzter's saloon at 1209 West Sixth street and demanded Hetzter's money. Hetzter refused. The masked men opened fire and shot Hetzter four times, killing him. Hetzter, however, had fired one shot, and hit one of the robbers in the left eye. This robber, who was captured, gives his name as Thomas Garter, and says he is a miner just from Cripple Creek, Colo. He says he heard the shooting, ran in to see and got shot. The other robber escaped.

Veterans Killed by Lightning.

ATLANTA, Aug. 1.—At a reunion of the Thirtieth Georgia regiment yesterday at Orchard Hill, a historic battlefield in Spalding county, two of the old Confederates were killed and four others seriously shocked by a terrific bolt of lightning. The cloudburst and electrical storm came up suddenly, and it is a miracle that others were not killed.

Relief in Six Hours.

Distressing kidney and bladder diseases relieved in six hours by the "New Great South American Kidney Cure." This new remedy is a great surprise on account of its exceeding promptness in relieving pain in the bladder, kidneys, back and every part of the urinary passages in male or female. The Cleveland Strike Renewed.

CLEVELAND, Aug. 1.—The strike at the works of the Brown Hoisting and Conveying Machine company was renewed today by order of the strikers' executive committee. The men find that the settlement effected by the state board of arbitration does not include recognition of authority of labor union committees nor the discharge of all non-union men, and on these points they will continue the battle. They are in an angry mood, and trouble is almost certain to come. F. W. Buckingham, who shot over the heads of a crowd of strikers on Wednesday, was pursued from the works by strikers yesterday, and again used his revolver. No one was hit, however. The police then escorted him home.

THE SPANISH CABINET.

Another Crisis Imminent in That Much Disturbed Country.

MADRID, Aug. 1.—A cabinet crisis is believed to be imminent here. Senor Canovas del Castillo came into power in Spain on Feb. 7, 1895. A number of officers had broken into and pillaged the offices of various newspapers, which had made insinuations against the conduct of officers engaged in suppressing the Cuban revolt, and the war minister seemed to support the officers; whereas the premier, Senor Sagasta, ordered the journalists to be protected.

This led to the retirement of the ministry. Marshal Campos was temporarily made captain general of Madrid, and the greatest excitement prevailed. Finally Senor Canovas del Castillo formed a ministry, although he lacked the support of a section of the conservative party. The government was defeated on a vote of censure on June 3, 1895, but did not resign. They have met occasional reverses growing out of the Cuban policy, but the general elections in April returned an overwhelming majority of the cortes in favor of the government. Gross election frauds were charged by the opposition to have been committed in that election.

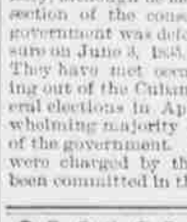
WORST CASE KNOWN!



Dr. G. F. Theel.

George A. L. Cannels says under oath (sworn testimonial at Dr. Theel's office): My father suffered from blood poison twenty-five years ago, was treated by his family physician and pronounced cured, but the truth is the disease was only suppressed. He married, I was the only living child; lasted healthy, limbed company led me to youthful folly. Self-Abuse. When 19 years old I suffered from this evil; was foolish to believe the "truth." I tried a few dollars and was treated by various cheap advertising specialists without success. In my 26th year I broke out with boils all over my body and penis. Four specialists told father it was scrofula in its worst form and no cure possible. The disease became worse. I was eight months in bed. Five other leading physicians of the medical profession, and two hospital physicians told my father no cure in this world possible. Sometimes dad confessed to me his sins. I told him to write to a schoolmate of mine in Pottstown (to name and see me. When he came and heard my story, he said: "Look, living here in your own town, you have the greatest of all specialists,

the worst cases heard of, as I know he cured Ed. Sheets, of Pottstown, of blood poison after all others failed, and he cured William Cole, of Reading, of the worst case of debility ever heard of. He cured Mrs. Van Grisler, of Harleton, of a most horrible case of blood poisoning after suffering 4 years. She had 52 ulcers and was a mass of sores. On these cases papers reported free of charge. I know these three parties and have their sworn testimonials are on file. I decided and was driven to Dr. Theel's office, then on Fourth street, and submitted to a thorough examination. He said it was a very bad case, but I have hope. Dr. Theel's examination and treatment were different from all others. He can cure the worst cases. If you doubt it send such a case to him and he will cure it. I am to-day a strong and healthy young man (no sufferers, by acids all your prejudices against advertising physicians. You can rest assured that old Dr. Theel is all that he claims to be—the best of all. Had I a thousand tongues they should be employed in singing the praises of Dr. G. F. Theel. Office hours: 9 to 2; Eves., 6 to 9; Wed. and Sat. Eves., 2 to 10; Sun., 9 to 12. Send five 2c. stamps for book "Truth." Best of all for young and old, single or married. REMEMBER, As all natures are different, all diseases and effects of self-abuse and excesses in married life affect each one differently, and that there is no such thing as a specific, compounds, patent medicines or discoveries to cure all such diseases.
