REPUBLICAN NATIONAL TICKET.
FOR PRESIDENT,
WILLIAM MCKINLEY,
OF Ohio.

FOR VICE PRESIDENT,
GARRET A. HOBAIT,
OF New Jersey.

REPUBLICAN STATE TICKET.
FOR CONGRESSMAN AT-LARGE,
GALUSHA A. GROW,
OF Susquehanna.

FOR CONGRESSMAN AT-LARGE,
SAMUEL A. DAVENPORT,
OF Erie.

"FATTY" HELMS, of Pottsville, is a roaring
success as an adjunct to a traveling museum,
but a grand failure in the position he assumed
in Monday's convention.

S. BURN' EDWARDS, of Pottsville, permanent
chairman of the Republican county con-
vention, is the recipient of many expressions
of congratulation upon the able manner in
which he presided over that body, all of
which is well deserved.

MR. WOLOTT is not the ebber, but the
better Senator from Colorado, and his timely
and forcible statement of the reasons why he
proposes to stay in the Republican party will
read much more creditably in future
history than Teller's walk-out speech at
St. Louis.

MAJOR FINNEY was an attentive on-looker
at the Republican convention. He remained
in a courteous state while the warring forces
were battling for supremacy without drawing
his sword once. When the contest was over
his Napoleonic face beamed with a smile that
was pleasant to look upon.

THE contention as to the easy performance
to some politicians and political writers.
They can turn their sails to most any wind,
and schynkill county is not without a few
of them. The Republican convention has
brought one or two of these anything-at-any-
time political economists to the front.

THE result of to-day's Legislative con-
vention, in the First district, is gratifying to
the Republicans of Shenandoah especially.
The re-nomination of Hon. Joseph Wyatt,
who faithfully represented this district at
Harrisburg, will be endorsed by the voters
in November. The Democratic nomination
will prove an empty honor.

THE wonder is how advertisement readers
manage to find what they are seeking for
among the many hundred announcements
in some of the blanket sheets. In a paper
like the HERALD, which is neat, compact and
readily handled, they have no such difficulty.
The pages are readily scanned, and the ad-
vertisements sought for easily found. Adver-
tisers of experience have long since found
that out.

IT is said that Major McKinley will not
send out his letter of acceptance until after
Bryan makes his electioneering effort at Mad-
ison Square Garden, New York, on the occa-
sion of his oration. And when Major
McKinley does cut loose the fur will fly.
Bryan has been cutting a wide swath in the
West with his flowery speeches, but he must
get down to earth when he comes East, and
William McKinley will be here with fixed
ammunition to meet him in battle array.

IT is true, as McKinley says, that "Re-
publican principles are such that they can
be submitted with safety and confidence to
the intelligence of the educated men of the
country." That has always been one of the
party's sources of strength and success. In
other words, it is a party that has always
had logic and wisdom on its side, and that
has never catered to ignorance and folly for
the promotion of its interests. The man who
belongs to it is not obliged to resort to any
kind of sophistry to justify his position. He
has sound reasons to give for the faith that
he professes, and his vote is cast on the basis
of the best facts in American politics.

THE candidates upon the county ticket are
no sooner elected than responsibilities present
themselves. The question of county chair-
man is already being agitated in and out of
the inner circles of the party. The nominees
of the convention, who have the appoint-
ment of a county chairman and secretaries,
are perfectly able to make the selections and
we have sufficient confidence in them to be-
lieve that the appointments will be made in
the party's interests, rather than to satisfy
the demands of a faction. They fully realize
the qualifications necessary for a successful
leader, being themselves off campaign, and
we await the selection with little appre-
hension.

THE re-organization of the Board of Health
on Monday evening appears to give general
satisfaction. The political complexion of
the Board remains Democratic—four of that
party and one Republican. Mr. P. D.
Holman, of the Fourth ward, is the new
member and he will no doubt prove the
wisdom of his selection by strict attention to
the duties. The re-election of the old officers
of the Board is a deserved compliment.
The indications are that the Board will act in
perfect harmony, at least it is to be hoped
as. There is an abundance of work to be
performed. The sanitary condition of Shen-
andoah can be greatly improved upon, and
the people naturally look to the Board of
Health for the removal of nuisances of this
nature.

Explosion at a Powder Mill.

The small press house of the Waddy
Powder Works, at Mota's station, one mile
above Tanawka, blew up yesterday morning.
The explosion was caused by a spark flying
from an iron hoop through which an employe
was driving a nail. The damage was nominal.

Talk of Fusion in Kansas.

HITCHCOCK, Kan., Aug. 4.—The Demo-
cratic state convention opens this after-
noon. There has been absolutely no talk
regarding the personnel of the state ticket.
Interest is completely absorbed in the
probable action of the joint committee
which will be appointed by the Demo-
cratic and Populist conventions to arrange
for fusion. All of the Democratic leaders
believe that fusion on some basis will re-
sult, but as to just what that basis will be
no one is willing to venture a guess. It is
strongly asserted by several of the most
influential party managers that under no
circumstances would any fusion arrange-
ment be agreed to unless the Populist in-
dorsement of the Chicago platform with
Bryan and Sewall should be made first.

To Nurse the Cuban Wounded.

NEW YORK, Aug. 4.—Having as its aim
the care of the sick and wounded in the
Cuban war, the "Oscar Primoles" club
has been organized in this city. Con-
sisting of the club and its objects the statement
given out at the Cuban headquarters says
in part: "As the Spanish government,
against all principles of humanity, has
forbidden the Red Cross to penetrate into
the Cuban camps, this club will endeavor
to take its place and care for the suffering
and dying in the Cuban ranks." An ap-
peal is made for medicines of all kinds,
surgical instruments and physicians' supplies.

Altgeld Don't Want a Cabinet Office.

CHICAGO, Aug. 4.—Governor Altgeld as-
serted yesterday when he reached Chicago
that he would positively accept nothing.
He said that he had no desire to be attorney
general in Mr. Bryan's cabinet, and
he desired there was no truth whatsoever in
the story that he had made a bargain with
Mr. Bryan to receive the portfolio in re-
turn for the support of the Illinois delega-
tion in the convention. He added: "There
is not a single thing in the gift of the pres-
ident that I want, or would consider for a
moment."

Held on a Charge of Murder.

LA PLATA, Md., Aug. 3.—George Mat-
thews, an oysterman, is held here charged
with the murder of James J. Irwin on
Saturday night last. Evidence brought
out at the inquest held shows that Mat-
thews has been on intimate terms with
Mrs. Irwin and that the murdered man
was cognizant of the fact. Matthews de-
nies all knowledge of the crime.

Suicide of a Wife Murderer.

SEATTLE, Wash., Aug. 5.—Lawrence
Cummings, who murdered his wife, Eliza-
beth Cummings, and tried to murder his
daughter on the night of June 12, 1886,
committed suicide in the county jail at
12:45 o'clock in the morning by shooting
himself through the head with a revolver,
which he had concealed in his cell.

Bland Nominated by Acclamation.

APPELTON CITY, Mo., Aug. 5.—Richard
P. Bland was nominated for congress by
the Democrats of the Eighth district yester-
day afternoon by acclamation. Resolu-
tions indorsing the Chicago platform
and nominees and renewing allegiance to
Mr. Bland were adopted.

Cures

Talk

"Cures talk" in favor
of Hood's Sarsaparilla,
as for no other medi-
cine. Its great cures recorded in truthful,
convincing language of grateful men and
women, constitute its most effective ad-
vertising. Many of these cures are mar-
velous. They have won the confidence of
the people; have given Hood's Sarsaparilla
the largest sales in the world, and have
made necessary for its manufacture
the greatest laboratory on earth. Hood's
Sarsaparilla is known by the cures it has
made—cures of scrofula, salt rheum and
eczema, cures of rheumatism, neuralgia
and weak nerves, cures of dyspepsia, liver
troubles, catarrh—cures which prove

Hood's Sarsaparilla

Li Visits Lord Salisbury.

LONDON, Aug. 5.—Li Hung Chang, the
Chinese envoy, dressed in a yellow robe
and accompanied by a number of attend-
ants, was present in the house of commons
yesterday. He was escorted to a seat be-
hind the gallery, and listened to the de-
bate on the Scotch agricultural rates bill.
Later the distinguished Chinaman had an
audience with the Marquis of Salisbury at
the foreign office. The Chinese statesman
was borne into the audience room on a
chair, in order to avoid the fatigue of
mounting the stairs. He wore a yellow
jacket, the peacock feather and a claret
colored skirt.

Turkey's Financial Difficulties.

CONSTANTINOPLE, Aug. 5.—The finan-
cial difficulties of the government are
acute. The officials on the civil list have
not received their salaries for the past
seven months, and when some of them
complained they were arrested. The sultan
is paying some of the officials out of
his private purse, and negotiations in pro-
gress with London bankers to capitalize
the Cyprus tribute have been broken off,
owing to the excessive demands of the
Turkish government, which counted on
getting from this source the sum of \$2,500,000
with which to replenish its coffers.

Brutal Fire-bugs in Ohio.

BEREA, O., Aug. 5.—Early in the morn-
ing the house of Richard Dodd, on Pros-
pect street, was set on fire and burned to
the ground, nothing being saved. A wire
screen had been torn from the window,
and all around an incandescent bed near it
was lighted. Two children were over-
come by smoke. The house of James
Woodcock, a neighbor, was also saturated
with oil, but it was not set on fire. Dodd
and Woodcock are contractors at the quarries,
and both employ non-union men. There is
talk of lynching if the culprits are
apprehended.

Immigrant Swindlers Extradited.

TRENTON, Aug. 5.—Governor Griggs
yesterday granted papers for the extradi-
tion of Charles Windisch, Lewis Reche
and Emil Stiecklich, confined in the Hud-
son county jail. They are wanted in New
York on a charge of having impersonated
United States customs officials and swindling
two immigrants in Forty-second street
out of \$1,000 in money and \$1,000 worth of
jewelry. Most of the jewelry and \$800 of
the money was recovered when the men
were arrested in Hoboken some time ago.

Rheumatism Cured in a Day.

"Mystic Cure" for Rheumatism and Neu-
ralgia radically cures in 1 to 3 days. Its
action upon the system is remarkable and
unprecedented. It removes at once the cause
and the disease immediately disappears. The
first dose greatly benefits; 75 cents. Sold by
C. H. Hagenbuch, Druggist, Shenandoah.

Ignorance Debarred from Citizenship.

WASHINGTON, Aug. 5.—In refusing to
grant naturalization papers to two young
Italians Judge Cole, of the district su-
preme court, held that no one who is in-
ignorant of the constitution of the United
States is competent or is entitled to be-
come admitted to citizenship. The young
men explained that they had come to this
country before reaching their majority,
and that they have ever since resided here,
but when questioned by the judge they
confessed that they do not understand the
constitution and were even doubtful as to
the form of this government.

Cuban Women's Lot.

JACKSONVILLE, Fla., Aug. 5.—Advice
from Havana state that Senora de Tra-
jillo and Senora de Sokolons, wives of in-
surgent chiefs, and the latter also sister to
the rebel leader, Lazo, were arrested in
Pinar del Rio. They have since been sent
to the house of refuge in Havana for
women of ill repute and close watch. In
Havana social circles the lack of consid-
eration shown by the Spanish military au-
thorities toward the women mentioned is
much discussed. The first named is the
wife of a former leading Pinar del Rio
physician and highly connected.

A Cripple Creek Magistrate on Trial.

CRIPPLE CREEK, Colo., Aug. 5.—The
trial of Robert Mullen, police magistrate
of this city, has begun before the town
board. He is charged with malfeasance,
oppression and incompetency. It was
shown by witnesses that he threatened to
kill George J. Bentley, an attorney, and
any one else who should aid in the prosecu-
tion of the charges against him. Mullen
is accused of saying that he had an organ-
ization behind him that would "blow off
the earth any one who opposed him."

Lesson for Salisbury's Government.

LONDON, Aug. 5.—In the house of lords
last night that body, by a vote of 25 to 19,
inserted a clause in the Irish laborers' bill,
which the government resisted, as it would
endanger the passage of the bill in the
house of commons. The defeat of the gov-
ernment caused a stir in the lobby. It
has disconcerted the government, which
fears that the Irish land bill will suffer
considerably at the hands of the Irish land-
lord peers.

Another Massacre in Crete.

CONSTANTINOPLE, Aug. 5.—Official ad-
vice received here state that the Cretan
insurgents have attacked the Mussulman
families living in the Kenouria district,
and that 1,500 of the Mussulmans have
been killed. The date upon which the
massacre occurred is not given.

Fell Dead from His Bicycle.

CAPE MAY, Aug. 5.—S. T. Neill, a law-
yer, of Warren, Pa., who had been staying
at the Lafayette hotel with his family, fell
from his bicycle yesterday. When he was
picked up he was found to be dead. Heart
failure was the cause of death.

"FARM OUT" SINGLE TAXERS.

Labor of Imprisoned Agitators to be Ad-
vertised for Sale.

DOVER, Del., Aug. 5.—At a meeting of
the levy court of Kent county, held yester-
day, the following resolution was unani-
mously adopted:
"Resolved, That William M. Dickson,
clerk of the peace in and for Kent county,
be and is hereby authorized and directed
to advertise in two newspapers for propo-
sals for the services of the tramps and
Single Taxers who persist in violating the
laws of this state, and that he be directed
to receive and award to the highest and
best bidder for the services of these law
breakers to work on the streets or roads
of the county, said bids to be under seal and
security for the money to be inclosed with
the bid. All bids for the services of these
men must be in the hands of said clerk of
the peace on or before 12 o'clock on Tues-
day next."
Arthur H. Stephenson and other Single
Taxers confined in jail here made applica-
tion last night through their counsel,
Jackson H. Halston of Washington and
James L. Wolcott of Dover, under habeas
corpus proceedings, for admission to bail
pending final disposition of the case.
Chancellor Nicholson continued the hear-
ing until Saturday next, but denied the
application for admission to bail. Haines
D. Albright of Philadelphia and Charles
W. Kane of Wilmington joined the im-
prisoned Single Taxers last night, having
been arrested for obstructing highways.

Your Boy Won't Live a Month.

So Mr. Gillman Brown, of 34 Mill St., South
Gardner, Mass., was told by the doctors.
His son had lung trouble, following Typhoid
fever, and he spent three hundred and
seventy-five dollars with doctors, who finally
gave him up, saying: "Your boy won't live
a month." He tried Dr. King's New Dis-
covery and a few bottles restored him to
health and enabled him to go to work a per-
fectly well man. He says he owes his pre-
sent good health to the use of Dr. King's
New Discovery, and knows it to be the best
in the world for lung trouble. Trial Bottles
Free at A. Wasley's Drug Store.

Ready to Attack the Trocha.

HAVANA, Aug. 5.—There are indications
that an attack is imminent upon the
trocha. Bandera is encamped near Manga,
in Pinar del Rio, and Laceret is maintain-
ing a watch upon the trocha near Canas,
preparing to assault Bandera's attack.
From a train of mule carts, and a train of
light cars at night in the insurgent
camps. Pedro O'Farrell and Fulgencio
Sanchez were executed at Matanzas today.

No Fusion in Indiana.

INDIANAPOLIS, Aug. 5.—It can be an-
nounced authoritatively that the present
Democratic state committee will not con-
sider any proposition from the Populist
state committee to divide electors in this
state. Inquiry at both Populist and Demo-
cratic headquarters show that there is
no probability of the two parties coming
together in state or national affairs.

Disastrous Floods in Nicaragua.

SAN JUAN DEL SUR, Aug. 5.—The cap-
tain of the steamer Costa Rica, which has
arrived here from El Tambo, reports that
heavy floods occurred at that place, de-
stroying houses and plantations, and caus-
ing great loss of life. The Nicaraguan
government is trying to reopen communi-
cation so as to confirm the report.

The people have long since learned that
the most disagreeable medicines are not
necessarily the best. In fact, as a rule, they are
not. What is wanted is something mild and
sure, such as Chamberlain's Colic, Cholera
and Diarrhoea Remedy. That is really
pleasant to take when reduced with water
and sweetened. Then it is acknowledged
everywhere to be the most successful remedy
in the world for bowel complaints. Ask any
number of druggists for the best remedy
they have for diarrhoea and fully nine out of
ten will recommend Chamberlain's. In
speaking of this medicine, Mr. B. B. Buffum
of Friendsville, Susquehanna Co., Pa., says:
"We have used it in our family for pain in
the stomach, colic and diarrhoea and found
it to be the most effective remedy." For sale
by Grubler Bros., druggists.

To Test a New Jersey Law.

TRENTON, Aug. 5.—The constitutionality
of the Atlantic county court of common
pleas, also the constitutionality of the fish
and game law of March 22, 1885, are ques-
tioned in certiorari proceedings brought
in the supreme court on behalf of David
Morinell. Morinell was fined \$20 for
gunning on Sunday near Hammononton
by a justice of the peace, and the fine was
sustained on an appeal by the Atlantic
county court of common pleas.

Forged Rev. Dr. Faxon's Name.

NEW YORK, Aug. 5.—James Phillips,
27 years old, well dressed and good look-
ing, whose father is said to be Samuel J.
Phillips, of North Carolina, now a resident
lawyer of Washington, and who was
solicitor general under several Republican
administrations, was arrested yesterday
and later was indicted for forgery. He is
charged with having forged to a check for
\$27 the name of Rev. Dr. John R. Faxon.

A little daughter of Mr. Lewis Dayton, an
old and much respected citizen of Barnitz,
Pa., occasionally has trouble with her
stomach which gives her considerable dis-
tress. In speaking of it Mr. Dayton said:
"As soon as she has an attack we give her a
dose of Chamberlain's Colic, Cholera and
Diarrhoea Remedy, and it has never failed
to relieve her promptly. We all use it in
our family with the same good results." For
sale by Grubler Bros., druggists.

THE CANTON SILVER CLUB

In a Communication to H. Bryan Lands
His Political Opponent.

LINCOLN, Neb., Aug. 5.—In response to
the recent telegram from Canton, O., tell-
ing of the organization of silver forces in
the home city of Governor McKinley, Mr.
Bryan yesterday sent the following to Mr.
John C. Harmony, secretary of the Bryan
Silver club, at that place:
"I am in receipt of your message con-
veying greetings from the members of
your club, and beg to assure them of my
heartiest appreciation of their support. The
fact that those of your citizens who be-
lieve that the United States is strong
enough to have a financial policy of its
own are willing to array themselves
against a townsman of high character and
great personal worth indicates the depth
of their convictions. Whenever a great
issue arises the American people always
prove their independence and moral cour-
age, without which self government is im-
possible. It gratifies me to know that the
silver sentiment in its growth is disre-
garding party lines."
In regard to the invitation extended to
him to speak in Canton, Mr. Bryan said
that he did not know that he would do so,
but that if he did it would be an informal
talk from the car platform.
Hon. C. W. Thompson, a delegate to the
convention of the National Silver party at
St. Louis and a member of the platform
committee, was in Lincoln yesterday to
confer with Mr. Bryan. Mr. Thompson
says that the state of Washington is being
rapidly organized by late Republicans,
and he believes that the state will cast her
vote for Bryan and Sewall.
Mr. Thompson is a member of the noti-
fication committee of the Silver conven-
tion, and when asked when the committee
would probably meet Mr. Bryan he replied
that the meeting would probably occur in
Baltimore as soon after the New York noti-
fication as Mr. Bryan's contemplated
visit to Maine will permit.

Full Details Gladly Given.

A Railroad Official's Experience.

MR. EDWARD EDMONDS, long con-
nected with railroad construction in
Nebraska, writes: "My heart troubled
and pained me for 19 years. Shortness of
breath was the constant and most common
symptom. Intense, excruciating pain, gen-
erally followed any severe exertion. Faintness,
hunger without any appetite; fluttering that
made me clutch my breast, and palpitation
that often staggered me as if I would fall,
were frequent attacks. Again, everything
would turn black if I arose from a stooping
posture quickly. Sleepless nights with their
prostrating unrest were
numerous and I could
get no rest day or night.
I consulted leading phy-
sicians and tried adver-
tised remedies. They
gave me no relief. One of
Dr. Miles' circulars described my case so
exactly that I took Dr. Miles' New Heart
Cure and I am now a well man. I hope
every one troubled with heart disease will
try Dr. Miles' remedies. If they will write
me personally, I will gladly give them full
details of my experience." Edw. Edmonds,
P. O. Box 65, David City, Nebraska.
Dr. Miles' Heart Cure is sold on guarantee
that first bottle benefits or money refunded.

The Kansas Plan of Fusion.

HITCHCOCK, Aug. 5.—The Democratic
state convention yesterday named presi-
dential electors and appointed a commit-
tee to attend the Populist convention at
Ablene today and effect a fusion of the
two parties in Kansas. The Democrats
agree to surrender everything but the
electors to the Populists, and to indorse
unquestionably the state ticket nominated
by the Populists, including a congress-
man-at-large, in return for an indorse-
ment by the Populists of the Bryan and
Sewall electors. The convention practi-
cally adopted the plan by acclamation.

Some years ago when suffering with an
uncommonly severe attack of diarrhoea, Mr.
W. B. Guinness, of Ateo, Pa., received
through the mail a sample bottle of Cham-
berlain's Colic, Cholera and Diarrhoea
Remedy. He says: "I found it to be one
of the most effective remedies I ever used. It
gave me almost immediate relief. It has no
opium and I think no equal. No bad
effects follow the use of this remedy. It is
pleasant to take when reduced with water
and sweetened. Children like it. It never
fails. It is the most perfect remedy ever
produced for bowel complaints." For sale at
25 and 50 cents per bottle by Grubler Bros.,

returns received from Monday's election in
this state confirm the first reports of a
complete Democratic victory, with sur-
prisingly large gains in many counties.

for Johnston, and possibly 50,000. The
Democrats have carried certainly fifteen
counties that gave a Populist majority
two years ago. The Democrats will have
twenty-four out of thirty-five members of
the legislature.
