FINANCE AND TRADE.

General Trade Practically Confined to Staple Lines.

New York, Aug. 22.—Bradstreets' agency says! General trade throughout the United States is practically confined to staple lines. The volume of business is no larger. Where orders have increased in number they are smaller in size. In The feature of the marry requirements. week is the increased difficulty in making collections and the higher rates for morcantile discounts. Credits are being scanned more closely than heretofore and

are granted less freely.

R. G. Dun & Co.'s weekly review of trude says: Political events of the week had no definite influence upon business prospects for the phenomenal variations in sterling exchange, and the beginning of imports of gold may be fairly attributed to the accumulating excess of merchan disceptoris over imports, to which atten-tion has been repeatedly called, exports one. There is rapid curtailment of pro-oction in fron and steel, the Illinois Steel company having only seven of its seven-on furnaces at work, but in spite of this the supply of finished products appears to greatly exceed the demand for them. The me bright spot is a sale of 9,000 tons of steel rails to Japan for refitting railways

to that country.

The total of business failures to the United States is 264 this week, 6 more last week, 72 more than in the week one year ago and 13 more than in the third week of August, 1894, the period of extreme depression after the year 1933.

PACING RECORD BROKEN

The Famous Stallion, Joe Patchen, Paces a Mile in 2.03.

RIGHY PARK, Me., Aug. 22.—The famous pacing stallien, Joe Patchen, lowered the world's stallion pacing record by quarter of a second, going the mile in flat on the Rigby track yesterday after-noon. Two of the judges' watches showed the time to be one-lifth of a second less

It was not a very favorable day for go ing against records, as a strong westerly wind was blowing when racing began. When the wind died down a little Jack Curry drove Joe Patchen for a trial. After a mile of warming up the black stallion was started down the truck at a

stallion was started down the truck at a lively gait with a runner known as Little Friend, driven by Charles O Brien.

A strong head wind was blowing. The judges caught the quarter at 30% seconds, and with the wind at his back the famous stallion resided off the second quarter in 20% seconds. The half was made in just one minute. On the third quarter the time was 30% seconds, and of a two minutes. time was 30% seconds, and stative minute ellp. Joe Patchen gathered himself for the last quarter, but here he met the strong wind again, ugainst which he slowed down a bit, but crossed the wire in

The announcement of the mile in 2.08 flat, one-quarter of a second better than the world's stallion pacing record hold by John R. Gentry, set the crowd wild. They lifted Curry, the driver, out of the salky. swormed from the grand stand on to the truck and cheered like mad men.

The Bedford Station Burglars Identified. New York, Aug. 22.—Sheriff Johnson, of Westchester county, and Benjamin Schenek, the Bedford Station blacksmith, who helped fight the burglars, went to the Long Island hospital yesterday after moon and positively identified the pris-oner held there as the one who made his escape after being wounded in the fight. The man is known to the Brooklyn police as Charles Jenkins. The larger of the two men now in the Mount Kisco jail is a brother of the man in the Brooklyn hospital, while the smaller is Peter James Jenkins has been further identified John Clave, alias Gilmore, a noted ban burglar, whose picture is No. 21 in Byrnes book of criminals. He was once con victed of murder for killing Henry B Grove in Baltimore in 1865, and was tenced to be hanged, but was granted new trial by the court of appeals and was

The Brooklyn's Trial Trip.

Petladelphia, Aug. 22.—This morning the new armored cruiser Brooklyn pro-ceeded down the Delawars river on her official trial trip off the New England coasts. She is fresh from the government station at League Island, where she was station at League Island, where she was freshly painted, her sides and bottom cleaned and every proliminary effort made for the great and exciting race against time that will decide the probable bonus for her builders. The official trial trip is scheduled for Wednesday. Then the great vessel will be run at her best speed, with every condition that can be controlled by the builders favorable to fast time. On the builders' preliminary trial, madecarly in May last, the Brooklyn developed a speed of 21.07 knets, which exceeded the expectations of even the most sanguing

Twice Convicted Murderer Sentenced. FARGO, N. D., Aug. 22 — Yesterday afternoon Myron R. Kent, alias William Wiley Pancoast, twice convicted of the murder of his wife, at Mandan, three years ago, was brought into court before Judge McConnell and the date of execu-tion was set for Nov. 12. Petitions are being circulated all over the state in behalf of the convicted man. It is said that Juror Newman, who held out for more than first ballots against the death penalty of the convicted man. sity will personally appear before Governor Allen in Kont's behalf. He will claim that he was correct into bringing in a verdict for the death penalty by the threats of other jurors. W. J. Price, of Fargo, is named as one of the men who assisted in foreing his vote

Secretary Carlisle in New York.

NEW YORK, Aug. 22 - The presence of Secretary Cardisle down town yesterday and a conference be had with Mr. Bacon, of J. P. Morgan & Co., caused some talk about the possibility of another bond issue. Mr. Carlisle called at the sub-treasand saw Mr. Muhle ing as assistant treasurer. After Mr. Carlisheleft the treising Mr Muhleman said that the secretary had merely called in there on his way to Washington, and that his visit had no special significance, and A dispatch from Capetown says that the that he had not discussed anything or said anything that was a matter for public in-
