**Reading's Many Drinking Clubs.**  
READING, Pa., Aug. 25.—An investigation  
made by the police department shows the  
existence of more than sixty thoroughly  
organized clubs in this city, occupying  
whole buildings or suites of rooms,  
where intoxicating liquors are dis-  
posed of to the members and their friends  
on Sundays. Several of the clubs lay in  
from sixteen to twenty quart jars of  
lager beer every Saturday for the Sunday  
supply. The police also report in addition  
to the above, upwards of a hundred  
"chip-in" or "stable" games, who meet in  
small buildings on out of the way alleys,  
or hold forth on Sundays at secluded  
places on the mountains near the city.

**Dr. Kane Cremated.**  
PHILADELPHIA, Aug. 25.—There was a  
general gathering of the medical fraternity,  
irrespective of schools, at the funeral of  
Dr. Charles G. Kane, the eminent  
homeopathist, which took place from his  
late residence yesterday. His appearance,  
as he lay in a black covered casket in  
the spacious parlor of his old-fashioned home,  
indicated the peaceful ending that had  
come after a long and honorable career.  
After eulogistic remarks by the attending  
clergy, the funeral cortege proceeded to the  
Philadelphia crematory, at Germantown,  
where the body was cremated.

**Iron and Steel Works Shut Down.**  
PITTSBURGH, Aug. 25.—All departments  
of the Spang Steel and Iron company's  
works at Sharpshooter, have been shut down  
indefinitely, throwing idle about 700 men.  
The action on the part of the company  
was a great surprise to the employees.

**To Resume Work at a Reduction.**  
PITTSBURGH, Aug. 25.—The announce-  
ment was made yesterday that Tibbey's  
Tint glass factory, at Sharpshooter, will re-  
sume next Monday with non-union work-  
men, at a reduction of 20 per cent. over last  
year's wages.

**Many Teachers Forced to Decline Receiving Pupils.**  
Superintendent C. D. Bogart today  
finished most of the work of issuing tickets  
for admission to the public schools, but it is  
expected there will be applications through-  
out the week. The number of pupils now  
in the schools cannot be given at present, but  
it is certain that the enrollment exceeds that  
of last year. Many of the schools are filled  
more than they should be and in several in-  
stances teachers were obliged to ask Superin-  
tendent Bogart not to send them any more  
pupils. More than one school have enroll-  
ments of over 70 pupils each. One school  
with a capacity for only 30 had 65 pupils.  
Superintendent Bogart says he will be  
obliged to recommend the establishment of  
additional 2nd, 3rd and 4th grade primary  
schools.

**An Historic Fire Company.**  
The Volunteer Firemen Association of  
Philadelphia, next month, will entertain the  
Good Intent Fire Company, of Pottsville,  
which will celebrate its fiftyth anniversary  
by a four days trip to Washington and Phila-  
delphia. About sixty members of the com-  
pany, accompanied by the Third Brigade  
band, will visit Philadelphia and partake of  
Philadelphia's hospitality. When President  
Lincoln issued his first call for troops, all but  
eight members of the Good Intent Company  
responded, practically disbanding the com-  
pany until after the war, when it was re-  
organized. The members reenlisted in the  
forty-eighth and ninety-sixth regiments,  
when the three months service expired, and  
many a brave fellow was left to fill a grave  
on Southern battlefields.

**A Shenandoah Cyclist.**  
American Lost Creek Correspondent.  
Late Friday evening a lady cyclist of Shen-  
andoah delighted some of our citizens with an  
impromptu aerobatic performance. She and  
a male friend were crossing the P. & R.  
road at No. 2 and in descending the hill her  
hands suddenly left the handlebars, the feet  
with equal haste left the pedals and in a  
twinkle of the eye she found herself in the  
middle of the road in the attitude of a bull  
frog making a dive into the water. The  
bicycle fell upon her and the male friend had  
a "big job" to get her out from under the  
wheel. Her wrists were terribly bruised and  
the injuries would have been worse had not  
the dust been very plentiful at that place.

**Y. M. C. A. at Mahanoy City.**  
The organization of a branch of the Young  
Men's Christian Association, at Mahanoy City,  
is assuming definite shape. The commit-  
tee has collected \$550, and the prospects are  
bright. The Hagenbuch property, corner  
of Centre street and First alley, is the  
proposed site for the rooms. It is  
expected to have a membership of about  
150 members for a start at \$5.00 a year,  
which will make the amount \$1,000. Work  
will be started at once to get the rooms in  
shape, after which things will move more  
smoothly.

**Shamokin Shooting Tournament.**  
The Shamokin Gun Club tournament began  
its two-days shoot at Indian Park today,  
with about fifty entries, and eight events  
each day. Among the prominent shooters  
who will be present and participate in the  
tournament will be Cooper, of Mahanoy City;  
Hooper, of Harrisburg; Whary, Mt. Carmel;  
Dr. Nier, Hazleton; Troxell, Montandon;  
Machener, Trevorton; Clayton, Tamaqua.

**A \$25,000 Blaze.**  
Early yesterday morning fire was discovered  
in George Kline's large carpet factory at  
Millersburg, near Shamokin. The flames  
spread rapidly to the adjoining buildings and  
before it could be gotten under control  
\$25,000 damage had been done, partly  
covered by insurance. The occupants barely  
escaped being burned up while asleep.

**Injured by a Fall.**  
John R. James, of West Line street, had  
his back spinned and sustained internal in-  
juries while at work at the Cambridge colli-  
ery yesterday. While lifting the end of a  
car his feet slipped and he was thrown  
heavily upon his back across a plank.

**Commitments.**  
Mike Kimbrousky, of Shenandoah, was  
committed to jail by Squire Lawlor, in  
default of \$300 bail, on oath of Simon  
Maegla, charged with larceny.  
Squire Goss, of Schuylkill Haven, com-  
mitted Harrison Walton to jail in default of  
\$200 bail, on oath of Sarah Walton, charged  
with surety of the peace.

**Work of a Miscreant.**  
Some unknown person attempted to gain  
an entrance to Schenker's whiskey shop,  
on Market street, early Sunday evening,  
and failing to do so they damaged the top of  
a wagon standing outside by cutting the side  
with a knife. The miscreants have not yet  
been captured.

**Held For Larceny.**  
Mike Kimbrousky was taken to the Potts-  
ville jail by Special Officer Sadusky this  
morning, having been committed by Justice  
Lawlor on a charge of stealing a shirt and  
wooden pipe from one Simon Maegla.

**Delegate Reports.**  
Miss Anna M. Dengler, who was appointed  
delegate to the Christian Endeavor conven-  
tion, which convened at Washington, D. C.,  
last week, last evening read her report before  
the society of the M. E. church. The report  
was a lengthy and accurate one.

**Tilman at Mahanoy City.**  
Ex-Governor Tillman, of South Carolina,  
will speak at Mahanoy City to-night. He  
will arrive there at 5:32 and be escorted to  
the Mansion House.

**Slightly Bitten.**  
Clara, daughter of H. L. Whitlock, the  
shoe dealer, was slightly bitten on the left  
arm yesterday by a dog she was playing  
with. Blood flowed slightly. Dr. W. N.  
Stein cauterized the wound.

**A Pastor Called.**  
Rev. Joseph Hunter, who has been tempo-  
rarily filling the Presbyterian pulpit at  
Tamaqua, has been asked to take permanent  
charge of the affairs of the church. He will  
leave to resume his studies at Princeton on  
Sept. 1st, and may accept the call after his  
graduates.—Ashland Telegram.

**KNIGHTS OF PYTHIAS.**

**Report of Chancellor Ritchie to the Supreme Lodge and Encampment.**  
CLEVELAND, Aug. 25.—Hundreds of  
Knights of Pythias marched into town  
yesterday to attend the eighteenth biennial  
session of the supreme lodge and the  
national encampment of the organization.  
In his report Supreme Chancellor Ritchie  
says in part: "We have lost some member-  
ship by reason of legislation on the Ger-  
man question. The Catholic question has,  
in some of the domains, materially affected  
us. We have lost some for other rea-  
sons. The receipts for the year ending Dec.  
31, 1894, were 24,029,255, and for the year  
ending Dec. 31, 1895, 24,032,565, making  
a total for the two years of \$48,061,820. This  
shows a net gain in cash receipts of the  
subordinate lodges of \$3,312.  
"The number of subordinate lodges on  
Dec. 31, 1895, was 5,968, and Dec. 31, 1896,  
5,491, an increase in the two years of 497.  
The number of members Dec. 31, 1895, was  
443,915; Dec. 31, 1894, 454,530, making a net  
gain of 20,924.  
"The statement was made that our order  
was opposed to foreigners. This I resented  
with all the force at my command. Our  
order is American; it stands for country  
and for order, but believes in loyalty to  
flag and tongue. It welcomes those who  
come to us from foreign shores, desiring  
to be Americans, knowing our language,  
observing our laws and aiding in the pros-  
perity of our country."

**Call for Democratic State Convention.**  
WILKESBARRE, Pa., Aug. 25.—State  
Chairman John M. Garman has issued  
the following call for the Democratic state  
convention: "The Democratic state  
convention will meet at the Opera House in  
Harrisburg on Thursday, Sept. 10, at 12  
o'clock, for the purpose of nominating  
representatives-at-large and for presiden-  
tial electors, where vacancies may exist by  
reason of resignations and otherwise; for  
the adoption of a platform in accordance  
with the principles declared by the Na-  
tional Democratic convention held in Chi-  
cago in July last, and for the transaction  
of such other business as may be deemed  
necessary and proper. In accordance with  
section 7 of rule 6 of the rules of the Demo-  
cratic party of Pennsylvania this conven-  
tion shall be composed of the delegates  
who constituted the last preceding Demo-  
cratic state convention, which met in Al-  
lentown on Wednesday, April 24."

**To Oppose Emmentont.**  
READING, Pa., Aug. 25.—The Berks  
county pro-Democrats met last night and  
decided to confer with the Lehigh colli-  
ery Democrats to nominate a candidate for  
Congress on such a platform opposed to  
Daniel Emmentont, who was yesterday  
declared the nominee by the regular Demo-  
cracy.

Miss Amanda Deffelin, of Shenandoah, has  
been visiting her grandfather, Joseph Deffelin,  
at this place the past two weeks.

The two men injured in the explosion at  
Geoger & Wharmly's powder mill are improv-  
ing. Whitebread, the man who was burned  
to death, was buried yesterday.

eye.

the valley, has placed his new mansion under  
the skillful brush of George Bowman.

Frank Teller, the young school teacher  
who was converted at the camp meeting, will  
study for the ministry.

Aaron Hetchew, an old and highly re-  
spected citizen of this place, was buried on  
Friday in the Mt. Zion church yard.

Justice McCormick had quite a lively time  
with two fellows. It was a case of debt and  
the creditor and debtor wanted to fight it  
out, but the Justice restored order by  
threatening to commit both.

**Death of a Port Carbon Resident.**  
Samuel Entwistle, of Port Carbon, died at  
the Pottsville hospital about 6 o'clock last  
evening, an hour after undergoing an opera-  
tion. He was suffering with inflammation of  
the bowels. He is survived by a wife and  
had been married but a short time.

**It Saved Her Boys.**  
Mrs. E. L. Fiedler, Bellefonte, Pa., writes  
as follows: "Two of our children were taken  
ill with diphtheria and the disease developed  
into a most serious form. By the aid of  
skilful physicians all possible means and  
medicines were applied and still our dear  
ones grew worse. A kind neighbor suggested  
we use Thompson's Diphtheria Cure. We  
did so and in less than twenty-four hours  
the coating was all removed from their  
throats and the boys were up and about.  
The third day they could eat with comfort.  
I cannot say too much for Thompson's  
Diphtheria Cure, as I feel sure it saved our  
children." Sold at Kirlin's drug store at 50  
cents a bottle.

**Watch The Matches.**  
A carpenter who was engaged in tearing  
down the old Roberts house at the corner of  
Jardin and Lloyd streets says that under one  
of the sills was found a mouse's nest in  
which were several burned matches and the  
laths nearby were scorched. Evidently the  
vice had carried the matches to the nest and  
by nibbling set them on fire, which fortu-  
nately burned out before any damage was  
done.

**The Band Played On.**  
While the Salvation Army was holding  
service near Justice Shoemaker's office on  
Market street last night two dogs started to  
fight in the circle formed by the worshippers.  
The women and girls screamed and the cap-  
tain frantically waived a stick, but the less  
drummer kept up his work and the dogs  
fought until they saw fit to stop, after which  
the corps fell into time with the less drum-  
mer, who had not flattered for an instant.

**A Nice Catch.**  
E. A. Doherty toyed with the fish in the  
dams at Lakeside yesterday and returned  
home with twelve fine bass.

**A Driver's Escape.**  
The Resene transfer team was frightened  
by a train at the Lehigh Valley depot yester-  
day afternoon and swerving the wagon  
threw the driver from his seat to the ground.  
One of the wheels passed over his leg and it  
was thought he had been badly injured, but  
he was able to be at work today.

**New Political Organization.**  
A large meeting of naturalized Lithuanians,  
Poles and Slavs was held yesterday in  
Schmidt's hall, corner of Coal and West  
streets, and an organization looking to their  
political protection was talked over. It is  
likely that the organization will be perfected  
next Monday, but what the policy will be  
nobody seems to know.

past four years has been a student at St.  
Charles' Seminary, Overbrook, will leave for  
Rome October 1st, to complete his course in  
the American college in that city. This will  
take from six to seven years.

**Russians in the Lead.**  
There are five thousand six hundred men  
in the Shamokin section of the seventh an-  
thracite mining district holding certificates  
declaring them to be able miners, and five-  
sixths of them are Russian Poles, while but  
five per cent. are native born Americans.

**Boys & Girls  
of Shenandoah**

Can make beautiful  
Christmas presents to  
their mothers next  
Christmas by spend-  
ing a few hours time  
distributing tickets to  
their friends. The  
idea is this: The  
**FACTORY SHOE STORE**  
will give away five of  
those elegant lamps  
to the five Boys or  
Girls whose friends  
buy the most shoes  
(in value) at our store  
before December 22.

This is not asking  
your friends to buy a  
ticket or go to any  
expense for you to  
get a prize, but it is  
doing them a kind-  
ness by calling to  
their notice a store  
where they can buy  
shoes cheaper than  
at any other store,  
and when they buy  
\$25.00 worth they  
also get one of those  
beautiful lamps. Now  
Boys and Girls start  
at once, come to our  
store, get your tickets  
and give them to your  
friends before some  
one gets in ahead of  
you.
