REPUBLICAN NATIONAL TICKET. FOR PRESIDENT, WILLIAM McKinley, OF OHIO.

REPUBLICAN STATE TICKET. FOR GOVERNOR, SAMUEL A. DAVENPORT, OF IOWA.

PROPERTY AND INDUSTRY. Property is the fruit of labor. Property is desirable, it is a positive good in the world.

PROPERTY AND INDUSTRY. Property is desirable, it is a positive good in the world. That some should be rich shows that others may become rich, and hence is encouragement to industry and enterprise.

A TIDAL WAVE. Vermont has spoken!

The Green Mountain state, with her sturdy sons of toil, was the first to speak after the holding of the national conventions, and she speaks in uncertain tones.

The issue was a square one between the advocates of Bryan and those who stand for the St. Louis platform.

Vermont being an agricultural and manufacturing state, yields an accurate index as to the true sentiment of the people on the issues of the day—and they have spoken.

Thousands of Democrats are disgusted with the men now in control of the Democratic party, as indicated in yesterday's election, and will be re-elected in those to follow.

As goes Vermont and Maine, so goes the Nation.

Maine will speak next week, and in just as emphatic terms as the Green Mountain state.

This luscious oyster is in season, the letter B, upon the appetence of which in the word representing the month in which the mollusk is supposed to be in season, recurring in September and continuing until May.

A Senator Tillman is so anxious to meet the one on the stump to debate the money question, a friend at our elbow suggests that he cross swords with the donkey Major Finney, chairman of the executive committee, and a walking encyclopedia upon the financial question.

HAY fever appears to have been much less prevalent this season than usual, though there have, of course, been a good many cases. Medical science has failed to define the cause of this strange and annoying malady, and its almost absolute return at a certain period. It has also failed to find any other remedy than that of a change of climate. Shenandoah has a number of times who suffer from this disagreeable and annoying disease.

GRIPPER and traveling stores cannot expect to coin money if they do not care to advertise. People in this time must be acquainted through the newspapers that they are to patronize any entertainment or amusement. Liberal managers and those who appreciate the value of an advertisement never fail to place it in the papers where they know it will do the most good.—Carbondale Leader.

CONTROLLER LEWIS, of Luzerne county, is after the Justice of the Peace of that county with a big stick. He has determined to wipe out the pernicious methods indulged in by these officials in the past, and in the future they will have to be content with what fees justly belong to them.

EMANCIPATION DAY at Alexandria. ALEXANDRIA, Va., Sept. 2.—Elaborate preparations are being made for the celebration of the National Emancipation Proclamation on Sept. 22. M. L. Robinson, chairman of the committee on arrangements, states that all the prominent race leaders will be present and that colored militia companies from the leading cities will participate. Garrett A. Hobart, the Republican nominee for vice president, has been invited to deliver an address. Mr. Robinson thinks he accepts the invitation.

god warned the Justice not to repeat the offense." That act creating the office of Controller is one of much benefit to the taxpayers of this and Luzerne county, when properly administered, is not to be doubted. But if the Controller refuses or fails to exercise the prerogative of his office the law becomes a dead letter. Controller Lloyd, however, appears to be imbued with the idea that he has been elected in the interests of the taxpayers and will strictly enforce the law.

It is said Watson Shepherd, the Democratic nominee for Congress in this district, will address a public meeting at Mahanoy City on Saturday evening, and will grasp the opportunity to state his position on the money question. There is a general demand, even among the free silver Democrats, for Mr. Shepherd to publicly inform the people whether he favors all that the Chicago platform contains, including the free and unlimited coinage of silver, at the rate of 16 to 1. It must indeed be embarrassing to the Congressional candidate when his own party covers demand from him a statement as to his position on certain questions of public policy, yet such is the case.

PHILADELPHIA, Sept. 2.—A dispatch from Madrid says that part of the reinforcement of Spanish troops intended for the island of Cuba will be landed at Porto Rico, owing to the fact that there are indications that a rebellion is brewing there.

SEATTLE, Wash., Sept. 2.—According to Japanese advices just received Formosa continues in a state of rebellion against Japanese rule. Japanese forces are kept constantly alert in an endeavor to subdue the rebels.

STOCK AND PRODUCE MARKETS. Closing quotations of the New York and Philadelphia Exchanges.

NEW YORK, Sept. 2.—The stock market was less decided in character today and the dealings were entirely professional. The volume of business also fell sharply below yesterday's record.
