that earlies him over all obstacles, adds foresight, mental grasp and that strict integrity hat wins the confidence of mankind? Whatever exceptions there may be, this is certainly the mission and it is the man having these gualities who provides for his own future and y his superior force and enterprise distrintes the blessings of work and wages among his countrymen. But this man is his who controls wealth

and capital-in short, he is the gold bug.

## SUCCUMBED TO HUNGER.

A Touching Scene Witnessed at the Court House Yesterday.

A young woman with an infant eight aonths old in her arms fainted in the court were strained of the vester day. Physicians were straineded. Dr. W. N. Stein, of Shenandoah, responded, and the woman was carried into one of the nearby offices. The doctor labored hard, restoratives were applied and potions administered to stimulate the heart. This was at 3:39 o'clock and it was 5 o'clock before conscionsness returned. The woman and habe were then removed to the Pottsville hospital. It was learned that the woman had me

It was narried that the woman had not consider to hunger, having had nothing to cat for two days. She is Anna Gorski, 32 years of age, and resides at Reading. Her hus-band had recently described har and to add deeper sorrow to her lot had taken a favorite deeper sources to be the third taken a favorite duild. She had bearned that they had gone to Poitsville and on Monday morning wont there after them, using the contents of her slender purseto pay the fare. The husband size could not bearte, and the child, she learned, had been bound out. The people in whose custedy it was had become attached in the duil of the set with other to be to it and did not care to part with it. Her pleadings were unavailing. # The Philadelphia Primaries.

PHILADELPHIA, Sept. 16.—The light of last August between the administration and the Penrose-Durham wing of the Re-publican party was renewed with much close at the Republican primary discident build last night. The Penrose forces massed their strength on Alexander Grow for sheriff. James R. Young to succeed Congressman Reyburn in the Fourth dis-Congressman Reyburn in the Fourth dis-triot, Charles L. Brown against Represen-tative Harry Walton to succeed Somator Porter, and Representative Vare to suc-cord Senator George Handy Smith. Crow will most likely be defeated, and it would seem that the anti-administration forces have been victorious in the other three instances. The position of the Thirtieth ward is uncertain, but should it be for Smith he will most likely be returned. Smith he will most likely be returned.

Fits and Corbett May be Arrested.

attack was made in the evening on Helena and Mollie Weber, visitors from New York, by strange men. The girls had been York, by strange men. The girls had been making a call, and were on their way back to the home of their unclein this place. On reaching a lonsity part of the road they were stopped by two rough look ing nion, who grasped them, and, despite their struggles and screams, threw then to the ground. Lawrence Englehardt and Herman Gollar, who had heard the girls ories, arrived on the scone, and imme-diately attacked the girls' assailants. A terrible battle was fought. When assist-ance arrived both of the strangers were lying on the ground unconscious and Goller and Englehardt were bloeding from cuts and scratches. The more bothcaded of the crowd wanted to lynch the stran-

shoek.
