WILLIAM MIKINLEY,

Of Other FOR VICE PRINCIPLE. GARRET A. HOBART,

Of New Jersey,

REPUBLICAN STATE TICKET. FOR CONGRESSIAN AT-LANDS.

GALUSIEA A GROW, Of Susqueliacons. SAMUEL A DAVENPORT, Df. Earle.

JEFFERSON'S RULE FOR A COIN-AGE BATIO

"The proportion between the of gold and silver is a MARCANTILE PROBLEM altogether. Just princi-ples will lead as to disregard the legal ples will lead as to disregard the legal proposition, to inquire into the mar-ket price of gold in the several coun-tries with which we shall probably be connected in commerce, and TAKE AN AVERAGE from them."

Warson Sprenteno is still aboling rais bows-a fruities effort to find out where he

ARRANGEMENTS have been made for ever 100 speeches in the western states by leading Republican orators, and the result can not fail to be a gain of many thousands of votes

"Ir is always difficult," says Theodore Reserveft, "to make an argument about the Eighth Commandment. When a man quotes, They shalt not steal, and another replies by asking 'Why note' really the best thing to do is simply to repeat the commandment." In other words, when a mon can not see, or will not admit, that it is as wrong to repudiate debts as it is to steal. there is not much use in discussing the silver question with him

Congressman Quies, of New York, will address the voters of Potteville on Wednesday evening, and his reception will be an enthusiastic one. Many from north of the mountain will be present to hear the issues of the day discussed by one who is familiar with every phase of the families of Dra. Chairman Edwards is fortunate in securing so able and elequent an exponent of the Republican destrine to open the campaign in this county.

Dr. Douglass Kistler, and bride of Wilkessterre, were the guests of the families of Dra. J. S. and M. S. Kistler, yesterday. Mr. and Mrs. E. F. Kunkel, of Mahanoy City, were the guests of Mr. and Mrs. M. L. Baltiman, on North White street, yesterday. Several local speakers will also make addresses during the evening

Irish-Americans who have recently returned period of one month.

to the country. All of these men have beown dominions as well so to the Armenians in the realm of the Turk, as there is need for a radical change in any penal system that results in insanity to those condemned children secure and maintain as many use-to undergo it. One

campaign it joined the independent Republis all other medicines fail. The best plan is to can movement and succeeded in defeating keep it handy in the house at all times and can movement and succeeded in defeating the regular Republican nominee. Now there apply according to directions at the first intimation of diplitheria, croup, quincy, or any other throat affection. Sold at Kirlin's ning an independent candidate for Sheriff in drug store at 50 cents a bottle. opposition to the candidate of the Combine which owns the Press besty and soul, and the latter is raising the ery of "regularity." To be consistent our esteemed contemporary should join those who believe in an honest expression of the voters at the primaries as well as at the election. Schoylkill county has a number of Republicans, who are in the same predicament as the Press.

THE experience of Luxerne county is sufficient to show to the taxpayers of this county that the appointment of a county detective under expenditure of money. Judge-Pershing fully reviewd this when he refused to sanction the appearament with a salary attached. The office is a force at best. In Luzerne county not one marder of the twenty-even committed during the year is a reserved the attention of the county detective. That official confines himself to serving abpoetns in mitrier coss, thu; taking away . the work that by right belongs to the constables. The county detective in Laurence rills, "Sales Talk," and 3.1 K receives an annual salary of \$1200, and about show that this medithat much more for serving subpoonus and milesge. The office is nothing more than an assistant to the District Attorney. There is od any other proprietary medicine. This an earnest demand in Luxerte county for the is simply because it possesses greater abolishment of the office, and the next Legislature will be asked to take such a step. is rumored that at least one candidate for the Legislature in this county has committed himself as not only favorable to the creation of the office, but he goes still farther and favors the county paying a salary. This in itself should be sufficient to encompass his defeat. The experience of Lazerne ought to be sufficient to show the taxpayers of this county that it is a useless expenditure.

## DEFRAUDING WAGE-EARNERS.

Have wage-carners thought of this point in the silver question-that, with free coinage, the value of the dollar paid them would be fixed by the cost of production in one-half to one-twelfth as high as their Hood's Pills are the only pills to take LESSIO & BARR, Ashland, Pa., is printed on wages? There is no tariff on ellyer and, foreign countries where wages range from

as Mr. Bryan is an extreme free-trader, it is not likely that he would favor a protective

tartif on anything. No one who has thought at all upon the subject doubte that the purchasing power of the free coinage dellar would soon fall very

The legal-tender provision of the freecollage law would compel wage-carners to nevept the depreciating dellar at its face alise and pocket the loss.

The payrells of the United States foot up omething like twenty-five hundreds of millions of dellars a yest; and here would be an enormous field for the sale of silver sin and certificates; and into this field, hidding more and more sharply against each other, would nour the sliver miners not of the United States alone but of the entire world; and the final value of the sliver dollar would be barely above the cust of its production in the country of the cheapest

purchasing power of their wages shall be regulated by the cheapest wages paid to the cheapest wages paid to the benjest labor on earth and that the value of their dollar should decline very nearly to the value of load?

A vote for Bryan and Sewall is a vote for exactly that result.

One thousand crates of peaches, to arrive this evening, will be sold regardless of cost, at Womer's, 124 North Main street. 9-21-1t

WHITECAPS IN OHIO

A Respectable Farmer Brutally Beaton

and Twice Buried Alive. Toleno, O., Sopt. 21.—The whitecaps have created a sensation in this county by whipping a man named Huntsman, who lives at Holiand Station, ten miles from here, and burying him alive. The story has only leaked out, although the outrage, according to the police, was com-mitted on Sept. © The Huntsmans, un-der threats, were afraid to communicate to the authorities the story, but neighbors learned of the facts and informed the po-

lice yesterday.

The facts, as reported to the police, are that two of the Huntsman children, coming from the postoffice, were picked up or the road by two men in a buggy and so cused of stealing a pocketbook containing 860. The next night, a party of men came to the Huntsman house, and after calling Huntsman out of bed seized and dragged him outside and bear and abused him in a frightful manner. Then they carried him to a grave, and putting him in it covered him with earth. After a while they due him up again. Then they beat and abused him a second time, and finally buried him again. Then they dug him up for the second time and again lashed him and ther drove away. The two children were also lashed. The affair occurred about mid-Huntsman is a respectable, well to do farmer

Prince Bismarck on Bimetallism.

Dallas, Tex., Sept. 21.—In a speech saturday night Governor Culberson read a letter from Prince Bismarck in response to a communication from himself on the subject of bimetallism. The great German statesman writes as follows: "I hold that this is the very hour that would be advisable to bring about between the na-tions chiefly engaged in the world's commerce a murual agreement in favor of the establishment of bimetallism. The United States are freer by far in their move means then any hation of Europe, and hence if the people of the United States should find it compatible with their in-terests to take independent action in the direction of bimetallism I cannot but belove that such action would exert a m salutary influence upon the consummation of an international agreement."

Was Jenious of His Housekeeper.

BRIDGETON, N. J., Sept. 21.—Simon B. Shaw, of Fries Mill, this county, late Shaw, of Fries Mill, this county, lite Saturday night shot and instantly killed stullz Carlisle, of Leesburg. Shaw's housekeeper is a young married woman, Mrs Williamina Wilson, aged 16 years, Her sister, Miss Maggie Bozarth, and a cousin, Mrs. Laura Silvers, spent much of their time at the house. Carlisle and his cousin, both young men, called frequently at the house, and this is said to have made Shaw, who is 58 years old, jealous. The consins were approaching the house when haw opened fire on thom, killing Stulls Shaw said that the killing was an acci-dent. He said he fired to warn the young one and that stulls elinehed with him

Free Pills.
