**WALDRON'S BIG CANADIAN**

Horse Sale at Pottsville, Pa., on Thursday Next.  
Waldron, the great Canadian horse shipper, arrived at Pottsville Saturday with a stock of fine horses of all descriptions. They were taken to the stock yards stables, where they will be sold next Thursday, at public auction. Every one in this part of the state knows how Waldron conducts a sale. He sells them. When a horse enters the ring he must find a new owner before he leaves it. Waldron does not waste any time in selling them. If a horse is worth \$500 and only \$25 is bid on it, it will have to go, just the same. That is what Waldron calls an auction, and anything else is a mock auction; and he does not hold mock auctions for this lot of horses. You can't help but get suited, for there are all kinds to select from. There are some fine looking dray teams; also some fine dapple gray teams; as fine as ever shipped to this part. In fact there are horses to suit every one. It will pay the people in this part to attend this big sale, as it is only a short way there, and if you are in need of a horse you are sure to return with one. Don't forget the place—Stock Yards Stables, Pottsville. Date: Next Thursday, at 1 o'clock p. m., promptly, rain or shine. 9-21-31

**The Largest Stock of Dry Goods in Schuylkill County.**

Never before in the history of this store has there been such a magnificent display of fancy dry goods. It is hard to find so many beautiful designs chosen from the dainty creations of the weavers' art in this and other countries, as you will find here. This is the store of the people and their appreciation of fair and square dealing is shown by the liberal patronage they extend it. We are much gratified at the admiration our selections receive and will endeavor to always keep this large and popular dry goods house up to the high standard it has so successfully maintained since its establishment twenty-one years ago.  
Novelty dress goods were never so attractive and, quality considered, never so cheap. We have them in many designs, most of which we have exclusive control of for this market, and would be pleased to have you inspect them. The prices are 25c, 40c, 50c, 70c, 75c, \$1.00, \$1.50 and \$1.75 per yard.

We are enabled to show you a larger line of all kinds of fine dress goods than any other house in the county. 38 inch serges, all wool, extra quality, 25c per yard; 50 inch serges, 40c; better quality, 50c to 75c per yard.
