Big Mine Cave-In.
The pump along the Preston No. 3 colliery closed yesterday morning about one o'clock. The extent of the cave-in is about 25 or 30 yards. The column pipes were all twisted out of shape and fast under tons of rock. The water began gushing rapidly and all the nudes had to be hoisted. It is impossible to say when the damage will be repaired, but there is a possibility to know it will take in the neighborhood of six weeks or probably more before the colliery will be able to resume. It is said that some men who were working night narrowly escaped being entombed.

"Boys will be boys," but you can't afford to lose any of them. Be ready for the grouchy apple season by having DeWitt's Colic and Cholera Cure in the house. C. H. Hagenbach.

The Largest Stock of Dry Goods in Schuylkill County.

Never before in the history of this store has there been such a magnificent display of fancy dry goods. It is hard to find so many beautiful designs chosen from the dainty creations of the weavers' art in this and other countries, as you will find here. This is the store of the people and their appreciation of fair and square dealing is shown by the liberal patronage they extend it. We are much gratified at the admiration our selections receive and will endeavor to always keep this large and popular dry goods house up to the high standard it has so successfully maintained since its establishment twenty-one years ago.

Novelty dress goods were never so attractive and, quality considered, never so cheap. We have them in many designs, most of which we have exclusive control of for this market, and would be pleased to have you inspect them. The prices are 25c, 40c, 50c, 70c, 75c, \$1.00, \$1.50 and \$1.75 per yard.

We are enabled to show you a larger line of all kinds of fine dress goods than any other house in the county. 38 inch serges, all wool, extra quality, 25c per yard; 50 inch serges, 40c; better quality, 50c to 75c per yard.
