MAHANAY CITY. Effects of the Storm in the Neighboring Town.

MAHANAY CITY, Sept. 30.—C. D. Kaler's ice plant suffered the most from the storm here last night. It was a two-story brick structure. The east and west walls were blown partly down, the gable was cut off and the south wall was so badly twisted it will have to be torn down. Two freight cars standing on a siding were wrecked by the bricks that fell from the building. Considerable damage was done through the town. Trees were blown down, many store signs were deposited on the streets, and they broke many plate glass windows in their flight.

Daniel Bacon, of East Centre street, was injured at the Primrose colliery yesterday. A piece of timber slipped from a bundle that was being lowered down a chute and struck him in the stomach. He sustained internal injuries, but it is believed he will recover. The remains of Matt. Degan, who was killed by a freight train at Hazleton yesterday, were brought to town last evening. He was 30 years of age and unmarried. The funeral will take place at 10 a. m. on Friday. The business college is changing its headquarters to the Kaler theatre building and the students are taking a week's rest.

Monsignor Wawrzyn, an eminent Polish ecclesiastic, is in Pennsylvania. Last week he attended a convention of Polish Catholics in Buffalo. He is one of Pope Leo's private chamberlains and is a member of the German Reichstag. The visit of the Monsignor is for the purpose of endeavoring to settle the disagreements among the Polish Catholics.

Many a day's work is lost by sick headache, caused by indigestion and stomach troubles. DeWitt's Little Early Risers are the most effectual pills for overcoming such difficulties. C. H. Hagenbuch.

Narrow Escape.

William Morgan, of Gilberton, had a very narrow escape from a terrible death while driving a team in that borough. The horses became frightened at some object on the sidewalk and ran away. Mr. Morgan made heroic efforts to check the flight of the runaway team and is doing so the reins became wrapped about his body. He was dragged from the wagon and pulled over the stony streets by the horses. Before the man sustained serious injuries, the mad flight of the horses was arrested and Morgan rescued from a most horrible death.

Bar-Room Brawl at Centonia.

About two weeks ago Robert Jones, a colored man, employed as hostler for Dr. Gwinner, of Centonia, assaulted Anthony Kane with a black-jack, and since then a bitter race war on a small scale has been waged in that town. The ill feeling culminated on Monday night in a general fight in a Hungarian saloon, where Jones was at the time. Revolvers, black-jacks, clubs and knives were used. The attacking party were the friends of Kane, and it is miraculous that no one was seriously injured. There exists a bitter feeling against the colored "gent."
