A Mighty Nice Thing for Coughs.
What? Pan-Tin, 25c. At Grubler Bros., drug store.
The Coal Trade.
The anthracite coal trade continued to improve last week. The cooler weather has stimulated the consumption of coal, and traly dealers and householders who have been holding back their orders in the hope that lower prices might prevail have been disappointed, and they are now clamorous for the immediate delivery of supplies.

The New England trade is reported active and shippers report a scarcity of the brands and sizes of coal wanted in the East, while vessels to carry it there are in greater demand than supply at present. The Reading Company reports that its orders for coal, on hand from the Eastern tide-water trade will keep its barges busily engaged for a month to come, while the other companies are also behindhand in filling their Eastern orders.

PERSONAL.
Mr. and Mrs. Oscar Yost, of Dunmore, are the guests of town relatives.
Alfred J. Price, of Girardville, was a guest of town friends last evening.

Mrs. Griffiths, of Luzerne, is the guest of her mother, Mrs. Ellis, on North Market street.
Frank Hart, bookkeeper at the Columbia brewery, leaves on a few days' sojourn to New York to-night.
Thomas McEnty and Harry Campbell, of Mahanoy City, spent a few hours in town yesterday afternoon.
Mrs. Middleton, of Hazleton, who was visiting her daughter, Mrs. Bradley, returned to her home to-day.
William Goodrich, of South Peach alley, is gradually recovering from an attack of pneumonia, from which he has suffered for several weeks.
William Lewis, of West Cherry street, leaves for Philadelphia to-morrow to resume his studies in the law department of the University of Pennsylvania.
Misses Katie and Annie Bonder, of Minersville, who were spending the past few days as the guests of Miss Maggie Brennan, returned to their homes to-day.

Farwell Party at Wm. Penn.
A large gathering of young folks took place at the home of Miss Nellie Toole, in Wm. Penn, last evening, who tendered her a farwell party, prior to her departure for Newark, N. J., where she will locate. Dining for the occasion was furnished by Hugh McGuire, who formed the chief amusement of the evening. A repast was also served, in which Miss Toole proved herself an excellent hostess. Among those present were: Misses Mary and Bridget Toole, Ella and Maggie Mafts, Ella and Katie Gray, Mary McAndrew, Annie Barrett, Maggie Malloy, Nellie Hanley, Nellie Conroy and Mary J. Davis, and James Wells, Daniel McLanney, Martin Dee, John and Thomas Malloy, Michael Hanley, Barney Keogh, Martin Conroy, Patrick Monaghan, Sylvester Toole, James and William Dougherty, John Brennan and John DeLaney.
Mr. and Mrs. Grandin.
The romantic drama, "At the Carnival," was produced last evening by Mr. and Mrs. Grandin and an excellent company. The play was of a high character, with scenes of an exciting nature. Mrs. Grandin is an exceptionally strong emotional actress, and receives the proper support at the hands of her husband. The attendance was small. Printers' ink and theatrical investments go hand in hand; the latter cannot be successful without the proper use of the former. There is only one medium to reach the theatre-goers in this town—through the people's popular paper.
Not Quite Finished.
The new school building, on North White street, although about completed, will not be ready for occupancy for a few weeks. Finishing touches are required in several places and a general cleaning up will be necessary before the building can be made ready for the furniture. The blackboards have been placed in the classrooms. The building is entirely different from any other school structures in the town and seems to be superior in point of light and means of entrance and exits. It is certainly far superior to the West street building.

The sociable held in Bobbins' opera house last night under the auspices of The Jolly Four, was a very successful and pleasing event. Many couples were in attendance and dancing was kept up until a late hour. The Cleary orchestra furnished the music.

The funeral of Paul Ritz, who was crushed to death at Ellangowan colliery on Monday, took place to-day. Deceased was 39 years of age and is survived by a wife and several children. The remains were interred in the Greek Catholic cemetery.
"Boys will be boys," but you can't afford to lose any of them. Be ready for the green apple season by having DeWitt's Colic and Cholera Cure in the house. C. H. Hagenbuch.
Democrats at Ringtown.
The Democrats will hold forth at Ringtown this evening. Those who will address the meeting are Watson Shepherd, M. M. Burke, E. W. Bechtel and Dr. James W. Sallade. They might inform the farmers why wheat has risen in price without the free coinage of silver, while the white metal has depreciated. On this question they will likely keep mum.

A Hotel Man Disappears.
W. S. Dunkel, proprietor of the Palace Hotel, on East Centre street, Mahanoy City, suddenly disappeared on Sunday, and with him his family. It is said he was heavily involved, his heaviest creditor being C. D. Kaizer. The latter has the key to the house.
A Democratic Assault.
The Democrats made an attack on St. Nicholas last night and fired off speeches at a rapid rate to convince the people of that place that the only sure road to prosperity and happiness is through Bryanism. Among the speakers were George Palmer and M. M. Burke, Esq., of town; James F. Minogue, of Ashland, and W. F. Shepherd, of Pottsville.

CAN CURE ASTHMA AND HAY FEVER.
A Noted Physician Offers to Prove this to All Sufferers in Shenandoah on Thursday.
The majority of sufferers from Asthma and kindred complaints, after trying Doctors and numerous Remedies advertised as positive cures without avail, have come to the conclusion that there is no cure for this most distressing disease, and these same persons will be the more in doubt and skeptical when they learn through the columns of the press that Dr. Rudolph Schiffmann, the recognized authority who has treated more cases of these diseases than any living Doctor, has achieved success by perfecting a remedy which not only gives immediate relief in the worst cases but has positively cured thousands of sufferers who were considered incurable. These were just as skeptical as some of our readers now are. Dr. Schiffmann's remedy no doubt possesses the merit which is claimed for it or he would not authorize this paper to announce that he is not only willing to give free to each person suffering from Asthma, Hay Fever, or bronchitis in this city one liberal "free trial box" of his Cure, but urgently requests all sufferers to call at Grubler Bros' Drug Store, corner Main and Centre streets, Thursday, or Friday, Oct. 8th and 9th, and receive a package absolutely free of charge, knowing that in making the claim he does for his Cure, a strong doubt may arise in the minds of many, and that a personal test, as he offers to all, will be more convincing, and prove its merits, than the publishing of thousands of testimonials from persons who have been permanently cured by the use of his Asthma Cure. "Dr. Schiffmann's Asthma Cure," as it is called, has been sold by Druggists in this city ever since it was first introduced, although many persons may never have heard of it, and it is with a view to reaching those that he makes this offer. This is certainly a most generous and fair offer, and all who are suffering from any of the above complaints should remember the date and place where the distribution will be made, and avail themselves of the same. Persons living out of this city who desire to test the efficacy of this most wonderful remedy will receive a package free by mail by writing to Dr. R. Schiffmann, 320 Roswell street, St. Paul, Minn., providing their letter is received before Oct. 10th, as no free samples can be obtained after that date. Grubler Bros., the well known druggists, authorize us to announce that they have received a quantity of samples from Dr. Schiffmann which they will distribute during the hours mentioned in accordance with his offer.

A Stabbing Affray.
John Tucka is employed as fireman at Bear Ridge colliery, Mahanoy Plane. Yesterday afternoon he had some words with his helper about the work. The latter's brother-in-law, Mike Meteca, was brought into the quarrel, and it resulted in Meteca plunging a knife three times in Tucka's breast, inflicting dangerous wounds. The injured man is at the Miners' hospital.
The Contest Court.
The Lyon-Dunn judicial contest court resumed its sittings yesterday afternoon, after a recess of ten days, with the three judges in attendance. The witnesses summoned were the election officers of Wm. Penn and East Creek. The ballot box from the latter place was identified by Anthony J. Carey. The box was opened and the check list taken therefrom. The witness was examined as to a number of affidavits taken on election day.

The Medical Society.
A meeting of the Schuylkill Medical Society was held in Pottsville yesterday afternoon. Dr. J. S. Callen, of town, and Dr. Brady, of East Creek, were among those in attendance. Dr. G. H. Hallerstadt gave a general talk on surgery. Dr. George Farquhar read a well prepared paper on "Chronic Endometritis." Dr. Wendel Reber presented a case of long standing inflammation of the spine and blindness following the result of a spinal disorder. All of the themes presented were freely discussed by a number of the doctors present.
Theories of cure may be discussed at length by physicians, but the sufferers want quick relief; and One Minute Cough Cure will give it to them. A safe cure for children. It is "the only harmless remedy that produces immediate results." C. H. Hagenbuch.

Letters Granted.
Letters testamentary were granted to Sophia L. Schramm and Angiel Knocht on the estate of John Schramm, late of Pottsville, deceased.
Letters of administration were granted to Angeline Martin on the estate of Jacob Kline, late of Mahanoy City, deceased.
