## GREAT BRITAIN STORM SWEEP

Many Lives Lost by Wrecks Along the Coast.

### DAUNT'S ROCK LIGHTSHIP LOST!

Her Crew of Eight Men Have Undoubtedly Met a Watery Grave—A Large Ship Wrecked at Milford Haven and a Schooner Lost Off Holyhead.

QUEENSTOWN, Oct. 9.—A gale which began on Monday continued with increased fury. All the buoys in Queenstown harbor have been shifted, some of them being driven a quarter of a mile from their positions. The Daunt's Rock lightship, having on board a crew of eight men, has broken adrift and is believed to have foundered, while the Roche's Point lightship is not visible.

The Majestic, which left Liverpool on Wednesday for New York, arrived here late yesterday and sailed again for New York at 6 p. m. The Majestic took twenty instead of ten hours to run from Liverpool to Queenstown. She encountered terrific weather, and reports that she saw nothing of the missing Daunt's Rock lightship. On the other hand the crew of a trawler which has arrived here reports seeing some wreckage which is supposed to have belonged to the lightship.

The Belgian steamer Penland, which sailed from Liverpool on Wednesday for Philadelphia via this port, has also failed to report here. Both vessels experienced the full force of the gale. There are 500 passengers here awaiting steamers upon which to embark for New York and elsewhere.

The storm has caused great damage at points along the English, Irish and Welsh coasts. A number of casualties have already been reported, and numerous vessels have been sighted flying signals of distress.

From all parts of the United Kingdom immense damage is reported. The south of Ireland, particularly, suffered badly, the town hall at Queenstown being severely damaged, and the country around Cork and the low parts of the town itself being inundated. The race course at Tralee was also much damaged.

Traffic in the Mersey has been suspended. A schooner with five hands was lost off Holyhead, and a large ship was wrecked at Milford Haven, in Wales, and all on board perished.

Numerous small wrecks are also reported by which the aggregate loss of life has been considerable. Incidental to these disasters many plucky rescues by lifeboat crews are reported.

### New Democratic Electors.

HARRISBURG, Oct. 9.—The executive committee of the state Democratic committee met here yesterday and substituted the names of James J. King of Philadelphia, Michael Delaney of Chester and Samuel W. Black of Pittsburgh on the electoral ticket for Judson K. Brooks of Sewickley, William Stahl of Norristown and Harry Alvan Hall of Pittsburgh, who withdrew because they were not in sympathy with the Chicago ticket and platform. John P. Correll, of Easton, Populist nominee for congressman-at-large, refused to get out of the way for D. C. Dewitt, of Towanda, Democrat, and no agreement was reached. The Democrats have endorsed Jerome T. Allman and Thompson, the other Populist candidate, and the Populists stand ready to endorse Dewitt if Correll will withdraw.

Meanwhile a commission will be sent to Australia to examine Captain Bird, who commanded the Warimoo at the time of the incident, but who is now in business in Australia.

### Leadville Mines Starting Up.

LEADVILLE, Colo., Oct. 9.—From present indications every mine that was in operation before the strike will have been started again within the next thirty days. Barricades, block houses and sentry boxes have been erected about the Little Johnny, Blson, Last Chik, Emmet, Mahala, Marlon and other leading mines, and the Bessemer has begun similar defensive works. More men are coming from outside and with those here who are daily applying for work will give the mines full force as far as they are wanted.

### Fourteen-Year-Old Girl's Suicide.

PITTSBURG, Oct. 9.—Mary Colville, aged 14 years, daughter of Mrs. Lizzie Colville, of No. 13 Carson street, Allegheny, committed suicide by swallowing carbolic acid. ### TEMPLE CUP SERIES ENDED.

Baltimore Wins Four Consecutive Games and Keeps the Trophy.

CLEVELAND, Oct. 9.—The final game of the Temple cup series was as hard a fought contest as was ever played on any diamond, despite the fact that the score was not as close as it might have been. That Baltimore got so much the better of the run making was entirely due to the fact that Corbett's pitching was too much for Cleveland, for in fielding the game was magnificent on both sides and hiters were easy. Cuppy pitched a strong game, but toward the end hits were bunched on him and Baltimore earned the victory well up to the seventh inning hits were scarce and scattered, but then a two bagger, followed by a single and Cleveland's only error, gave two runs to Baltimore. There was no quitting, however, and the runst the eighth were earned by hard batting.

The game was full of ginger, every point being fought out to a finish. Easlie and Sheridan did excellent work, however, only one decision being questioned, that when Childs was called out stealing second in the fifth.

Corbett not only held the spiders down to four singles, but he struck out six men, and was so steady that in his only bad box he got away from trouble after men were on second and third, with nobody out. This was in the fifth and was the only time Cleveland threatened to score. Attendance, 2,000. Score by innings: Cleveland, 2 0 0 0 0 0 0 0 0 0 0 0 Baltimore, 0 0 0 0 0 2 2 2 3 X

### Charges Against Bank Officials.

ERIE, Pa., Oct. 9.—Information was made by J. H. McLaughlin, a depositor in the defunct People's Savings Institution, of Northeast, charging the president, Alfred Short, and his cashier, Fred O. Davis, and Bookkeeper Dewey with grave offenses. Short is charged with fraudulently taking and applying to his own use moneys of the bank amounting to \$12,000, and the cashier and assistant, together with Short, are defendants under a second charge of embezzling about \$2,500 as deposits received the day or shortly before the bank went into the hands of a receiver. Bail in the amount of \$0,000 was given.

### Bloxham's Majority About 14,000.

JACKSONVILLE, Fla., Oct. 9.—The returns to date of Tuesday's state election, embracing 91 out of the 632 precincts and all but about 4,000 of the total vote are: Bloxham (Dem.), 24,577; Gunby (Rep.), 7,570; Weeks (Pop.), 3,902. Complete returns for twenty-nine counties of the forty-five in the state show a loss of 15 per cent. in the total Democratic vote as compared with 1892. The indications are that the total vote for the state did not exceed 49,000, of which Bloxham received about 27,200 as compared with 32,064 for Mitchell, Democrat, in 1892. Bloxham's majority over all is about 14,000.

As a rule, they are coined at the United States Mint. Another way to make dollars is by saying: This can be done by buying at our store. Are your dollars dead or alive? ## ARCHBISHOP RYAN'S VISIT.

Royally Received at Mahanoy City Last Night.

### CONFIRMATION SERVICES TO-DAY.

Nearly Seven Hundred Children of the Lithuanian, Slavonian and St. Canicus Churches Confirmed by His Grace This Morning.

### Special to EVENING HERALD.

MAHANOSY CITY, Oct. 9.—His Grace, Archbishop Ryan, whose visit to this part of his diocese for the first time in four years was looked for by the Catholic people of this place with so much gratification and pleasure, arrived at 7:44 o'clock last night via the Philadelphia & Reading Railroad.

Prior to the arrival the various Catholic societies rendezvoused under command of Chief Marshal P. J. Powers, marched up Centre street to Main street, and counter-marched to the Philadelphia & Reading Railroad station, where a very large concourse of people awaited the arrival of the distinguished visitor. When the train arrived the crowd pressed forward eagerly to get a peep at his Grace. Rev. P. C. McKenro, of St. Canicus church, of town, was on the train, having met the Archbishop at Danzig, and was the first to make his appearance before the throng, followed closely by Archbishop Ryan. As the latter was recognized the great crowd pressed forward so eagerly that the police had difficulty in keeping open a passage way to the carriages.

Archbishop Ryan and Revs. McEnroe and McManinin, of St. Canicus church, seated themselves in an open carriage drawn by four fine horses elaborately decorated with silver mounted harness. A carriage containing Rev. Pautemus, pastor of the Lithuanian church, Rev. Venecius Matulalis, assistant pastor of St. George's Lithuanian Catholic church, of Shenandoah, and Rev. Milekas, of Minersville, followed.

The signal for the parade having been given the line moved out Centre street to Fifth, to Mahanoy, to D, to Centre, to City, and dispersed at St. Canicus church. The line of parade was about half a mile in length and presented a brilliant appearance. It was formed as follows:

Chief Marshal, P. J. Powers, Alder; John Larkin, John Myorish, Charles Adams, Andrew Muscavos; FIRST DIVISION: Lithuanian Band, St. Louis Society, St. Joseph Society, St. Anthony Society, St. Ladweek Society, St. Cassimer Society, St. George Society.

SECOND DIVISION: Father Matthew Pioneer Drum Corps escorting the Archbishop's carriage. Carriages containing Clergy, St. Cassimer Military Society, acting as body guard, St. John Society, St. George Society.

As the carriages passed the churches the bells in the steeples rang out a welcome to the distinguished guest, and the Honorable Fire Company ring the bells of its hose carriages as the parade passed its building. The societies in line carried Japanese lanterns and torches. As his carriage moved along the route Archbishop Ryan gracefully tipped his hat in acknowledgment of the greetings from the vast gathering of people. When the carriages reached the St. Canicus parsonage the Archbishop and party alighted and entered the parsonage without ceremony, whereupon the assembly dispersed.

The loud tones of St. Canicus church bell announced this morning that early services had begun. Shortly before 7:30 o'clock the church was filled with parishioners who assembled to attend the mass celebration by his Grace, Archbishop Ryan, assisted by Father McManinin. The most imposing and interesting services of the day, however, took place at 9 o'clock this morning, when a large procession of children, numbering 693, filed into the church and received the rite of confirmation. The boys preceded the girls and were very neatly attired. The line of little girls dressed in snowy white with wreaths adorning their heads was a pretty sight. Each boy and girl held a lighted candle and, under the lustre of the many flames the scene was an effective one. The Archbishop, attired in his stately purple robe, came next, followed by the pastor of St. Canicus church, Father McEnroe, and visiting priests. During the march the children sang "Come, Holy Ghost, Send Down Those Blessings." The procession proceeded to the altar rail and the Archbishop ascended the altar steps and delivered interesting instructions to the children, after which he blessed those present and then conferred the holy rite of confirmation. During the time the Archbishop was administering the sacrament the children sang.

The Archbishop was attended at the altar by Revs. P. C. McEnroe, McManinin and (Glock, of town; Nalon, of Shenandoah; Sankiewicz, of town; Langilin and Penderwest, Mahanoy Place; Foxarty and Brady, Minersville; Metzgera, Pottsville; O'Connor, St. Clair; and Metcalf, Ashland.

The number of children confirmed was as follows: St. Canicus parish, 692; Lithuanian, 30; Slavonian, 37.

Immediately after the confirmation services the Archbishop officiated at benediction, during which the choir sang, "O, Salutaris." Services are now in progress in St. Fidelis church.

The Archbishop will leave here this evening for Mahanoy Place and after conducting confirmation services there this evening will go to Minersville. This program, however, is subject to change.
