PROTECTION AND FREE TRADE.
Twenty-seven years of Protection
(1869 to 1896) decreased our public debt
\$61,747,301,875.
Three years of Free Trade (1896 to
1898) increased our public debt \$232,329,630.
These are the plainest reasons why
McKinley should be elected president,
the sooner the better.

TO WILLIAM WILHELM.
—William Wilhelm, Esq., is an advocate of
the Chicago platform. He professes to believe
in the theory of free and unlimited coinage
of silver at a rate of 16 to 1. He has stamped
this county and delivered a number of
speeches, advocating the election of Bryan as
President. He also wants the workmen of
Shenandoah county to send Wilson Shep-
herd—who is neither a silver nor a gold man,
but a straddler—to Washington to repre-
sent them in the halls of Congress.

—Mr. Wilhelm has repeatedly stated that
he was willing to meet any man on the
stamp and defend his position on the finan-
cial question; but when his challenge was
accepted by Mr. Loomer, of Minersville, Wil-
helm flinched. We propose to offer him an
opportunity to air his boasted knowledge of
finance, and trust we will meet with better
success than our Minersville friend. One of
the claims of the free silver advocates in this
town is that they are handicapped because
there is no newspaper having a circulation
above one or two hundred that is advocat-
ing their cause. Now we propose giving
their champion the benefit of the HERALD's
columns—thus reaching thousands of voters—
to prove several statements made in his
public speeches.

—In a recent speech in this town—and he
has made the same assertions in almost every
address he has delivered—Mr. Wilhelm made
several statements which we do not believe
are true. We will call his attention to a few
of them, with the hope that he may be in-
duced to give us the benefit of his extensive
knowledge of finance, and will begin with
his opening remarks. When he has fully
satisfied us as to the truth of these statements
we may follow it up with some specimens of
his peculiar views on the great question that
is now occupying the mind of the average
voter.

—After giving that portion of his audience
in possession of fixed incomes fair warning
that he had nothing to offer them, Mr. Wil-
helm proceeded to state that since 1850 the
United States had passed through four
panics, checking them off on his fingers as
he enumerated them. He made the claim
that these four panics were all the result of
substantially the same causes. The panic of
1857, he claimed, was due to two causes:
first, the falling off of the gold production in
1853, and second, the demoralization of
\$150,000,000 of foreign coin by Congress in
1857.

—We challenge in both of these assertions,
namely: that the panic of 1857 was caused
by the falling off in the production of gold
and that Congress demoralized \$150,000,000
of foreign coin, and call upon Mr. Wilhelm
to produce his authorities.

—As to the falling off of the gold supply, it
may be stated that if our friend Wilhelm
refers to the world's production of gold,
there was no falling off for this period—say
from 1855 to 1899. The very well known
fact was an increase for that period. It is
fair to presume that Mr. Wilhelm referred to
the production of gold in the United States,
though he did not so state, for reasons better
known to himself.

—It is a well known fact that the produc-
tion of gold in the United States commenced
in 1848, and reached its highest point in 1858,
in which year we produced the enormous
amount of \$65,999,000, and for 1855, 1856
and 1857 our production reached the still enor-
mous sum of \$55,000,000 for each year. For
the ten years ending with 1857 our production
of the yellow metal was \$505,000,000. These
facts are, of course, all well known to Mr.

Wilhelm, and are of easy access to all our
readers.

—Mr. Wilhelm was disposed to allow little,
or no influence to the Walker tariff bill in
producing the panic of 1857, and we raise no
issue with him on this account, but simply
on the propositions as challenged.

—Of course, his intention was to leave the
inference that the currency had been con-
tracted by the causes named, hence the panic.
If there was any material contraction of the
currency at this period, we would be pleased
to have Mr. Wilhelm submit his proof,
quoting his authorities.

—We would particularly like to know all
about that \$154,000,000 of foreign coin.

—The columns of the HERALD are open to
Mr. Wilhelm for any reasonable amount of
space he may wish to use on these points.
Let us have your authorities, dear Wilhelm.

POLITICAL TALK.

The Democrats have arranged for the
following meetings this week: To-night at
Middleport, speakers, M. P. McLaughlin, E.
W. Bachtel and James Carlin; Forestville,
W. F. Shepherd, Phil. J. Connell, James W.
Ryan, James J. Moran and others. Tuesday,
Jacksons, M. M. Burke, D. Guinan and John
F. Dolphin. Wednesday, Lost Creek, Shep-
herd, Ryan, Burke and E. S. Bashore.
Thursday, McAdoo, Shepherd, E. W. Bechtel,
M. P. McLaughlin, James J. Moran and
others.

The present week will be an active one for
both parties.
Hon. Arthur G. Dowd, of Lehigh, will be
in this county on next Thursday and Friday
to make Democratic speeches.
County Chairman Edwards has arranged
meetings as follows: Tuesday, Wadesville,
speakers, J. G. Smith and George Gerber; at
New Silverbrook, John Hall, of Massachusetts
and George W. Dwyer, of Yorkville.
Wednesday, Lost Creek, Hegin's (Lion's) Hotel, McAdoo
and Shenandoah. Thursday, Crosson, St.
Nicholas, Mahanoy Plains and Girardville.
Friday, New Philadelphia, Lugin's, Raven
Run. Saturday, West Penn in the afternoon,
Ormsburg, Suresburg and Mr. Pleasant in
the evening.

The outlook for the Republican county
ticket was never brighter. Many deserters
from the Democratic ranks are reported.
The Republican meeting at Shepton on
Saturday night was very successful.
The McKinley and Hobart Club, of St.
Nicholas, embraces members from that place,
Jacksons, Maple Hill, Upper and Lower
Wiggin's, Shanty Hill, Klingerow and
Suffolk. It has a large number of names upon
the roll, and St. Nicholas will be the centre
of headquarters.

Dr. Gupta will address the Polish voters of
Minersville to-night.
William Wilhelm and James W. Carlin, of
Pottsville, will address a free silver meeting
at Mahanoy City this evening, in Armory
hall.
The free silver advocates are not as con-
fident as they were two or three weeks ago.
Senator Kirtin's little band of "intrigues" have
issued their manifesto, and he failed to oc-
casion a small ripple upon the political
waters.
The only way in which Mr. Bryan seems
likely to get any satisfaction out of the elec-
tion is by letting on McKinley, always pro-
viding that he can find takers.
The Republican meeting slated for Wed-
nesday at Lost Creek has been changed to
Thursday.
Local preparations are being made to re-
ceive Governor Hastings and party at Pot-
tsville. The reconstruction will be a large
one.

If you have ever seen a little child in the
agency of summer complaint, you can realize
the danger of the trouble and appreciate the
value of instantaneous relief always afforded
by DeWitt's Colic and Cholera Cure. For
diarrhoea and dysentery it is a reliable
remedy. A safe and certain cure. It is
the only harmless remedy that produces
immediate results. C. H. Hagenbach.

Must Pay the Bills.
The Board of Health of St. Clair asked
the Borough Council that place for an ap-
propriation of \$500 to pay the salaries of the
Health Officer, Secretary and other expenses.
The Council refused to comply with the re-
quest and only appropriated \$100. The mat-
ter was carried into court and Judge Per-
king, at Pottsville, today decided that under
the present state law Borough Councils must
recognize and pay all bills incurred by Boards
of Health, regardless of appropriations
fixed by the former body.

Theories of cure may be discussed at length
by physicians, but the sufferers want quick
relief and One Minute Cough Cure will give
it them. A safe and certain cure. It is
the only harmless remedy that produces
immediate results. C. H. Hagenbach.

Caught at Last.
For some time past Druggist Shapira has
been complaining of robberies at his store on
South Main street. It was robbed twice
previous to Saturday, when the cash was
taken from the till. Saturday afternoon Mr.
Shapira was called from the store and he left
John Stephanski, aged 14 years, in charge.
When the druggist returned he found the till
had been robbed again. Stephanski confessed
and said Frank Sokshaski, 13 years old and
residing next door to the drug store, had
robbed the till. The informant said he
watched outside while the other boy went
through the cellar and got into the store by
way of a trap door in a rear room. The boys
divided the money stolen on Saturday, but
Stephanski denied that he shared in the other
robberies. Sokshaski admitted the charge,
but said the other boy urged him. Special
Officer Edward Ester arrested the boys and
took them before Justice Lawlor. Sok-
shaski's father paid the amount Shapira lost
by the three robberies, amounting to \$18, less
about four dollars the boys gave up, and the
costs of the suit.

A PECULIAR REMEDY.

**Something About the New Discovery For
Curing Dyspepsia.**

The Rev. F. I. Bell, a highly esteemed
minister residing in Weedsport, Cayuga Co.,
N. Y., in a recent letter writes as follows:
"There has never been anything that I have
taken that has relieved the Dyspepsia from
which I have suffered for ten years except
the new remedy called Stuart's Dyspepsia
Tablets. Since taking them I have had no
distress at all after eating and again after
long years CAN SLEEP WELL. Rev. F. I.
Bell, Weedsport, N. Y., formerly Idalia,
Colo.

Stuart's Dyspepsia Tablets is a remarkable
remedy, not only because it is a certain cure
for all forms of indigestion, but because it
seems to act as thoroughly in old chronic
cases of Dyspepsia as well as in mild attacks
of indigestion or biliousness. A person has
dyspepsia simply because the stomach is
overworked, and it wants a harmless, vegeta-
ble remedy to digest the food and thus give
it the much needed rest.

This is the secret of the success of this
peculiar remedy. No matter how weak or how
much disordered the digestion may be,
Stuart's Dyspepsia will digest the food
whether the stomach works or not. New
life and energy is given not only to the
stomach but to every organ and nerve in the
body. A trial of this splendid medicine will
convince the most skeptical that Dyspepsia
and all stomach troubles can be cured. The
tablets are prepared by the Stuart Chemical
Co., of Marshall, Mich., but so popular has
the remedy become that Stuart's Dyspepsia
Tablets can now be obtained at any drug
store at 50 cents per package. Send for book
on stomach diseases free.

**The Funeral of Maurice Litch Took Place
This Morning.**

MAHANOV CITY, Oct. 12.—The funeral of
Maurice Litch took place this morning, at
nine o'clock, and was attended by people
from many parts of the county. The funeral
proceeded from the family residence to St.
Fidelis church, where requiem high mass
was celebrated, Rev. Father Dietrich officiat-
ing. Interment was made in St. Fidelis
cemetery. The pall bearers were Joseph
Kellar, Frank Wadlinger, Joseph Miller, M.
T. O'Connor, J. H. Lohman and Peter
Elehman.

Just previous to the Frost-Burchill race at
Lakeside on Saturday Thomas McGinty, the
local champion bicyclist, took a spin around
the track and was going at a fast clip when a
part of the front wheel of his bicycle broke.
McGinty turned a complete somersault and
was thrown several yards. He was taken
home and it was there found that his left
shoulder blade was badly fractured. He was
also severely bruised.

A meeting will be held to-night in Armory
hall, under the auspices of the Silver Club.
Addresses will be made by William Wilhelm
and James W. Carlin, Esqs., of Pottsville.

Henry Wadlinger, who died from injuries
received at Mahanoy Plane on Friday after-
noon, will be buried on Tuesday morning.
High mass will be held at St. Fidelis church
at 8 a. m. and interment will be made at
Minersville.

AN EXILE'S RETURN.

**Things He Can Explain Away an Alleged
\$500,000 Shortage.**

NEW YORK, Oct. 12.—Colonel David R.
Paige, who disappeared four years ago
with the shadow of a \$500,000 forgery
hanging over him, is again in town. The
former millionaire and speculator contrac-
tor has been in New York since May 15,
living under his own name and going
about in the streets. For four years his
friends have been inquiring to effect a set-
tlement that might give Colonel Paige an
opportunity to return home. This has
been done, though Colonel Paige declined
to discuss the matter. "When I went
away," said he, "I took passage for Buenos
Ayres. There I lived three years. Then I
went to England and lived there an-
other year. I lived under my own name,
but was never molested. At the proper
season I will have something to say in
answer to what has been said against me."

Honors to Parnell's Memory.

DUBLIN, Oct. 12.—There was a demon-
stration at the Glasnevin cemetery to-day,
the occasion being the anniversary of the
funeral ceremony attending the burial.
A very large procession was a feature of
the demonstration, the mayor of Dublin
and all of the Parnellite members of the
house of commons taking part. Hundreds
of wreaths were laid upon the grave. Par-
nell's mother, Mrs. Della Stewart Parnell,
with her daughter, Mrs. Dickinson, and
her grandson, McDermott, joined in the
procession.

Another Alleged Spanish Victory.

HAVANA, Oct. 12.—A messenger report has
been received of another important suc-
cess against the Spanish forces under
General Echagun and Antonio Maceo,
in which it is claimed the insurgents sus-
tained very heavy losses and the losses of
the Spaniards were admittedly severe.
Details are very hard to obtain, and are
carefully guarded by the authorities. The
battle occurred on Oct. 8. General Echagun
reports that he took the heights of Guales
by assault, and put many of the insurgen-
ts to death with the bayonet.

No Compromise at Leadville.

LEADVILLE, Colo., Oct. 12.—The miners'
union on Saturday called upon the en-
gineers and pumpmen's union to aid him
in its struggle. A few notified the latter
that they would not raise or lower a
union miners. Their places were filled
by all others remained on duty. This action
of the miners' union indicates that an
aggressive policy has been decided on by
the new officers, and all hope of compromise
is abandoned by the people. Further
trouble is regarded as certain.

Benefits of Labor Organization.

CHICAGO, Oct. 12.—The committee of
the Trade and Labor assembly sent to
Mexico by that organization "to investi-
gate the condition of the laboring classes
of that country" have returned to Chi-
cago, and submitted its report at the meet-
ing of the assembly yesterday afternoon.
The report details at length the condition
of Mexican workingmen, and points out
the superior condition of the American
workmen, which has been brought about
by labor organization.

Marvelous Results.

From a letter written by Rev. J. Gunder-
man, of Bimondale, Mich., we are permitted
to make this extract: "I have no hesitation
in recommending Dr. King's New Discovery,
as the results were almost marvelous in the
case of my wife. While I was pastor of the
Baptist church at Rives Junction she was
brought down with Pneumonia succeeding
La Grippe. Terrible paroxysms of coughing
would last hours with little interruption and
it seemed as if she could not survive them.
A friend recommended Dr. King's New
Discovery; it was quick in its work and
highly satisfactory in results." Trial bottles

50c and \$1.00.

Over \$100,000 for Missions.

NEW YORK, Oct. 12.—The fifteenth and
final day of the Christian Alliance con-
vention in Carnegie Hall was one with
great results. At the morning meeting
subscription blanks were passed around
the hall, and the subscriptions for mis-
sionary work secured amounted to \$110,
000. Rev. Dwight L. Moody preached in
the afternoon.

Tynan's Extradition Refused.

LOSANOS, Oct. 12.—A Paris dispatch to
The Morning Post says that M. Dorian,
minister of justice, has decided to refuse
to extradite P. J. P. Tynan on the ground
of prescriptive immunity.

It is surprising to many that foot ball
players and other athletes regard a sprain or
bruise of so little consequence. One
reason of this is, they know how to treat
such injuries so as to recover from them in a
few days, while others would be laid up for
two or three weeks, if not longer. Writing
from Central State Normal School, Lock
Haven, Pa., Mr. W. H. Loebe, captain of
the base ball club and gymnasium says: "I
take pleasure in stating that members of our
base ball club and myself have used Cham-
berlain's Pain Balm with most excellent
results. I unhesitatingly recommend it as
the best remedy for sprains, swellings, cuts and
bruises, of any that I know." For sale by
Gruher Bros., druggists.

Crazed Man Shoots an Officer.

CHESTER, Pa., Oct. 12.—Crazed with
rum, Frank Higgins, of Colverborough,
seized an ax and destroyed three bedroom
suits at his mother's house. Higgins'
brother swore out a warrant, and Officer
McCormick, of Darty, attempted to serve
it. He knocked Higgins down, and the
latter shot at McCormick, the ball striking
the officer's shoe. Higgins was lodged
in the Media jail.

"I had chronic diarrhoea for ten years,"
says L. W. Klein, a Justice of the Peace
at South Easton, Pa. "No remedy afforded
me real relief until I was induced by
Chas. T. Kilian, the druggist, to try Cham-
berlain's Colic, Cholera and Diarrhoea
Remedy. It cured me and for a year I have
had no return of the trouble." It has also
cured many others, among them old soldiers
who had contracted the disease in the army
and given up all hope of recovery. For sale

Let The Whole World Know The Good Dr. Miles' Heart Cure Does

HEART DISEASE has its victim at a
disadvantage. Always taught that
heart disease is incurable, when the
symptoms become well defined, the patient,
becomes alarmed and a nervous panic takes
place. But when a sure remedy is found
and a cure effected, after years of suffering,
there is great rejoicing and desire to "let
the whole world know." Mrs. Laura Win-
inger, of Sellsburg, Kansas, writes: "I desire
to let the whole world know what Dr. Miles'
Heart Cure has done for me. For ten years I had
pain in my heart, short-
ness of breath, palpi-

oppressed feeling in my
chest, weak and hungry
spells, bad dreams, could not lie on either
side, was numb and suffered terribly. I took
Dr. Miles' Heart Cure and before I finished
the second bottle I felt its good effects, I feel
now that I am fully recovered, and that Dr.
Miles' Heart Cure saved my life."
Dr. Miles' Heart Cure is sold on guarantee
that first bottle benefits, or money refunded.
