NEWS OF THE CAMPAIGNERS.

McKinley Visited by Another Crowd of Pennsylvanians.

BRYAN'S TOUR IN MINNESOTA!

Veteran Campaigners, Palmer and Buckner, Compelled by a Railroad Wreck to Disappoint an Audience Assembled to Meet Them at Nashville.

DULUTH, Minn., Oct. 14.—William Jennings Bryan and his party arrived in this city shortly after 6 o'clock last evening, and the candidate made two speeches here. The day's campaigning tour had covered the route from Minneapolis to Duluth, and at every station of worthy size along the line Mr. Bryan spoke to goodly crowds. Upon his arrival in this city he was met by a reception committee, and with Mrs. Bryan, was escorted to the St. Louis hotel for dinner. He was then driven to the Lyceum theater, where he addressed an enthusiastic meeting of women. Thence he proceeded to the car barn, which was packed to the utmost with the laboring men of Duluth. Here Mr. Bryan was presented with the last utensil necessary for the signing of a silver bill when it should reach him, providing he should be elected—an elegant silver ink bottle, filled with the fluid necessary for the purpose. Charles A. Towns was chairman of both meetings, and at each of them he presented the nominee in a neat speech.

More Pennsylvanians Visit McKinley.

CANTON, O., Oct. 14.—A special train of six coaches arrived yesterday, after being on the road since 5 o'clock Monday evening. They were miners, mechanics and other citizens of the Lehigh Valley of Pennsylvania. The inclement weather still continued, and the visitors were taken to the Tabernacle, where Major McKinley went to receive their greetings. They gave him a most enthusiastic reception and applauded his address to the echo. The visitors were introduced by ex-Congressman Charles N. Brumbaugh.

Campaigners Delayed by a Wreck.

NASHVILLE, Oct. 14.—John M. Palmer and S. B. Buckner, who were to have spoken in this city last night, did not reach here until midnight, the delay being caused by a wreck on the Louisville and Nashville railroad. A large audience had assembled at the Opera House and was addressed by Dr. William Everett, of Massachusetts, who spoke for the National Democratic ticket and platform.

Fusion Talk in North Carolina.

RALEIGH, N. C., Oct. 14.—The Populist committee meets tonight to consider the Democrats' proposition to fuse. Chairman Ayer said today that it would not be accepted in its present shape. He said the Populists were satisfied with their congressional arrangements already made with the Republicans, but the arrangements which alone remained possible was the displacing of Watson (Dem.) by Guthrie (Pop.) for governor, or the making of any arrangement between these two as to senator and governorship, except that Watson must come from the head of any ticket thus arranged.

Indiana's Gold Standard Party.

INDIANAPOLIS, Oct. 14.—The state board of elections yesterday decided that the electoral ticket of the National Democrats should be called the gold standard ticket. The board had previously notified Mr. Pickens, the chairman of the state central committee of the National Democrats, that the ticket could not go on the ballot under the name of National Democratic, and requested him to send in another name. This Mr. Pickens declined to do, stating that the party which he represented was the only National Democratic party, and that the name was descriptive as well as legal.

NON-CATHOLIC MARRIAGES.

Peru's Chamber of Deputies Refuses to Legalize Them.

LIMA, Oct. 14.—The chamber of deputies yesterday rejected the senate's project to provide for the registration of and thus to legalize non-Catholic marriages. In Peru, Ecuador and Bolivia Protestants cannot be legally married without becoming Roman Catholics. The project referred to in the above dispatch was designed to correct this abuse as regards Peru. The Chicago Methodist ministers called the attention of President Cleveland to the peculiarity of the marriage law in those countries.

A subsequent report gave a specific case of a Mr. Hazeltine and a Miss Wood, Protestants and American citizens, who were married according to their faith in Callao, all possible means being taken to comply with the laws of civil registration. A decree issued by Senator Hantlin, the Peruvian secretary of state, refused civil registration to Mr. Hazeltine's marriage with Miss Wood, specifically on the ground that it was not celebrated according to the rites established by the council of Trent. This case was made the subject of representations by the state department to the government of Peru.

Rainy Weather Won't Stop Waldron's Horse Sale.

To-morrow afternoon, at one o'clock, Waldron's big horse sale begins and will continue regardless of the rainy weather. It will be remembered that some time ago he conducted a sale here in the street when the rain poured down in torrents and he says he will do the same thing to-morrow. His horses arrived last night in his own palace horse-car, which is a horse parlor on wheels. The horses were taken at once to O'Hara's livery stables, where the sale will be held. All the local judges of horses in the city pronounce this by far the best lot that he, or any one else, ever brought to Shenandoah. In fact many of the wisest ones said they were too good for this market and that it is almost a pity to put such horses up at auction in this town. However, Waldron says that every one must and will be sold, no matter how small a bid is made, as that is how he does business and every one here knows from past experience that he does not run a mock sale. Until he started coming here town people never saw a genuine horse sale with no by bidding, and now that they have found one who does business in a business way they should stand up and patronize him, and not listen to the groans of a couple of disgruntled and selfish dealers. He has horses of every size, color and description and will exchange before the sale if so desired.

CHAIRMAN JONES' FIGURING.

Another View of the Contest from a Democratic Party Leader.

CHICAGO, Oct. 14.—Chairman Jones, of the Democratic national committee, gave out a statement last night characterizing as absurd the figures showing the probable result of the election as given out by Senator Quay. Chairman Jones states that in all the states classed by Senator Quay as doubtful a complete and harmonious fusion between the Democrats, Populists and silver Republicans exists, rendering them certain for Bryan. For the same reason he classed as doubtful the states of Iowa, Ohio and Wisconsin, and claims for Bryan the electoral votes of Illinois, Indiana, Kansas, Kentucky, Michigan, Minnesota, North Dakota and West Virginia, all of which were claimed for McKinley by Mr. Quay. The table given out by Chairman Jones gives 51 votes as certain for McKinley, 279 for Bryan and 87 as doubtful.

The Singing Evangelist.

Rev. W. W. Davis, of Ashland, the singing evangelist, was greeted by a large congregation in the M. E. church last night. He is so favorably known as a singer of the gospel, many came from distant towns to hear him, notwithstanding the inclement weather. All were led under the power of song to acknowledge the truth. In deep sympathy with the revival spirit of the meeting, Rev. Davis most aptly adapted his selections to the one great purpose of the service. In the quiet stillness while he sang, the thought of many was directed heavenward. He will be followed to his new field in Oregon by the prayers of many people.

THE SEWERAGE TROUBLE! DON'T FAIL

Another Suit Has Been Added to the List.

FLYNN CAUSES GRAHAM'S ARREST

The Lat'or Enters Bail and a Denial on a Charge of Malicious Mischief—Lawyers and a Committee of Council Investigate the Muddle.

The leading topic of local discussion is the controversy over the First ward sewerage question and difficulties arising from the matter are multiplying daily. Last night an arrest followed and at least two families are on the verge of slander suits. Last night Michael Graham was arrested on a warrant issued by Justice Brennan, of Mahanoy township, charging him with malicious mischief, on oath of Anthony Flynn. Mr. Graham appeared before Justice Flynn, of town, and entered \$100 bail for appearance at court. The charge against Mr. Graham is that during the flood caused by the stone wall Mr. Flynn built across the creek Mr. Graham tore down part of his fence and allowed the water to flow back from Graham's property on to Flynn's. Mr. Graham said this morning that a board was torn from the fence, but not by him. He now has his war paint on and has decided to put a four-foot fence at the Emerick street end of his property and will also post a notice at the beach alley end, warning tenants to not enter upon the property without his permission. The effect of this will be to also in Mr. Flynn and force him to provide means for getting out, etc., into his house. And thus the complications for want of a \$100 covering for a sewer continue to multiply and it is hard to tell where they will end. It is certain, however, that the money law suits will set up will many times counterbalance the cost of remedying the original source of complaint. It seems to be a case of light to the bitter end, regardless of cost.

On the other hand, there are neighboring property owners who take a conservative and calm view of the situation. Among them are Health Officer Conry, J. B. Monaghan and also Michael Graham. They have devised a plan calling for re-operation of all owners of sewers that discharge into the troublesome creek, whereby the course of the creek may be diverted from the Flynn property without interfering with the natural flow. By this means it is hoped to restore peace in the community once more. The proposition calls into interest almost a third of the property owners in the town, so that the pro rata share of the expense will hardly run up to the dollar mark. The creek receives the discharges from all the sewer lines on Centre, Lloyd and Coal streets, east of Main street, and west of Emerick street, so the number of property owners interested is very large. It is maintained that some amicable settlement had better be made now and thus avoid considerable expense in the future. There seems to be little doubt that the borough will be sustained in its position before the court that the creek is a natural water course, and should the court thus determine, all who may be contaminating the creek by sewerage connections may be indicted, or compelled to cut off the connections, or both. Those interested property owners are called upon to meet in Mellet's hall to-night at 7:30 o'clock, and the result of their deliberation will be awaited with interest.

This afternoon A. W. Schalek, Esq., of Pottsville, counsel for the borough, J. H. Pomeroy, Esq., the Borough Solicitor, and members of the law and street committees of very large. It is maintained that some amicable settlement had better be made now and thus avoid considerable expense in the future. There seems to be little doubt that the borough will be sustained in its position before the court that the creek is a natural water course, and should the court thus determine, all who may be contaminating the creek by sewerage connections may be indicted, or compelled to cut off the connections, or both. Those interested property owners are called upon to meet in Mellet's hall to-night at 7:30 o'clock, and the result of their deliberation will be awaited with interest.

Orange Blossoms.

James J. Conkley, the prosperous young dry goods merchant, of North Main street, was married at 10 o'clock this morning in St. Patrick's cathedral, on Fifth Avenue, New York city. The happy bride is Miss Nellie F. Connor, of New York city, daughter of the late Michael Connor, and formerly of Ashland. Miss Lizzie Connor, sister of the bride, was the bridesmaid and John O'Hearn, of this town, the groomsmen. After the ceremony there was a reception at the home of the bride, at 831 Park Avenue, New York city, and in the afternoon the bridal couple started on their tour. After making visits of several days each to Philadelphia and Washington they will come to town. The bride and bridegroom are both of the same name and both wish to be remembered to their many friends of Mr. Conkley and his bride in wishes of prosperity and happiness.

The Archbishop Departs.

Archbishop Ryan closed his visit to this town last night by confirming 700 children to St. George's Lithuanian Roman Catholic church, on South Jardin street. At 6:30 last night the Archbishop was escorted to the church from the Polish parsonage, on North Jardin street by the First Lithuanian band and the Lithuanian Catholic societies numbering close upon a thousand members. The Archbishop will not pay another visit to this vicinity until four years hence. It was four years ago that his previous visit was made. To-day he is officiating at confirmation services in St. John's and St. Patrick's churches in Pottsville. Visits to New Philadelphia, Pottsville, St. Clair, Hechler's Mill, Minersville, Ticonderoga and Schuylkill Haven will follow, and it is expected the tour will close next Tuesday. This morning the Archbishop was waited upon at the Annunciation parsonage by the Ladies' Aid Society of the Annunciation church. At 11 o'clock he visited St. Michael's Greek Catholic church, where he was only as the guest of Rev. Cornelius Laurin, the pastor, as the priests of this denomination officiate at the confirmations in their own churches. At 4 o'clock this afternoon the Archbishop left for Pottsville, via the Pennsylvania railroad.
