Mr. Coury said he had reported a nuisance on Mr. Robbins' property arising from the creek not bing properly covered in some places. He said about ann-fourth the prop-erties of the borough were commented with areak not bing properly severed in some places. He said abait one-fourth the properly severed with the stream and the condition of Mr Flying cellar was such that be did not see how the final with one and with one success that a contract cellar was such that be did not see how the one of distinct that the did not see how the one of distinct that the did not see how the one of distinct that the did not see how the one of distinct that the cellar was sometime last summer. Mr. Cours and McDeanell, Prof. G. J. Knicht was in 18st or 1987. A question by Mr. Whalen as to whether there is any fish Mr. Whalen as to whether there is how that the company will be known as the first management of P. J. Gibbans. Mr. Whaten as to whether there is any fish in the stream now occasioned some laughter. Mr. Schalck spent some time in eliciting from the witness evidence to show that the condi-tions in the borough had changed very materially since 1866. Mr. Conry admitted that if the tream way way ways and that if the stream was properly covered so as to be air tight there would be no offensive odors and that has been done by many of the to be air light there would be no oblemaive offers and that has been done by many of the property owners along the stream. Com-plaints have also been innde of offers arising at places where surface water from the stream. Mr. Schalke objected to the plaintiff try-ling to the stream.

the court.

WHERESTATURE, P.a., Oct. 30.—A territale explosion of gas occurred in No. 3 mine of the Ledigh and Wilkesharre yesterday afternoon. Six men are known to be dead and three injured. It is not yet known how many men were in the mine at the time of the explosion, but twelve are re-ported missing and it is believed all of these have perished. The deal who have been brought to the surface are: William R. Jones, first bass, John Joseph, assistant mine foreman. Thomas Owens, unner: William Lacey, rock miner: Jamas Her-ron, laborser, Joseph Worth, free boss, All leave families. They were harribly burned and hardly recognizable. WHERESDAUDE, Pa., Oct. 30.-A torrible

G. W. KEITER, SHENANDOAH,

Mr. Schalck objected to the phintiff try-ing to show that at little cost the borough could abate the nuisance on the Flynn prop-erty and turn the stream from it altogether by putting in severage on Centre street from Peach alley to Emerick atreet and south on the latter street. Mr. Schalck said that was a more matter of speculation and had noth-

Mr. Conry said sorte to Penere at. Frynn, Mr. Conry said sorte a plan was feasible. John Kobbins was the next witnesses and he festified that the closets of several houses owned by him in the square bounded by Lloyd, White and Coal streets and Plan Hoyd, white and Coul streets and Plan alley are located over the creek and all the properties are drained into it. He said he never made application to the borough to drain into the creek, but took the liberty be-cause many others had done it. He said the borough officials found fault with the place and compelled him to wall up and cover the and competitor into to wait up and cover the creek and when he asked whether it would be better to put the closets at the side, or over the creek, the officials told him it didn't matter, but they supposed the latter would be the best plan and he did it.

Mr. Schulck said any such instructions by orough officials would not affect the case. Mr. Robbins and he did not ask permission Mr. Robbins mid he did not ask permission to put the closets over the creak, nor was ho directed to do so, but his recollection was that the Chief Burgess told him if would be he was a part owner of a several line draining several, properties uset of Main strort on Centre and the line comets with the creak and recompanied by a cread of admirers. Card of Gratifiade.

Q. "How did you originally come to con-nect your sewerage with this creek ""

The question was objected to by Mr. Schelck as immaterial and irrelevant, on the

P. & R. coal engine, No 880, was devailed above the East Centre street crossing this morning. It required two hours to replace the iron horse on the track.

Our colored bosom shirts cannot be beaten PENNA. Schalek as immaterial and irrelevant, on the Our colored bosom annus cannot be beaten annue win be infante win be infante. Tickets, 35 cents.
