FRIDAY, NOVEMBER 6, 1908.

IS THE YEAR 1908 MY HONOR RECEIVED 1908 MAJORITY.

PRESIDENT CLEVELAND has issued his Thanksgiving proclamation with a great deal of gladness.

EVEN wandering Willie's countenance assumed a more pleasing look after reading that physician's opinion.

THERE IS NO more consolation in today's returns for the voters who sold last night. "We may get better chance to shoot."

A VOTE of 4,000, as compared with the great majority of 1907, is a disgrace, is enough glory in one day for the Schuyler Republican cause.

IT WAS necessary to re-elect McKinley yesterday. In safety from Silverites who did not and did not stay the shooting stray to save them from the BROWN.

SIXES AND SEVEN through Corbett has its own party in planning nomination; but they are by all odds Tammany's Council organized in the night over the same subject.

IT IS IMPROBABLE that a division of three of the cabinet members of the administration. They are to be kept in a comfortable position. The third and fourth members were not contemplated until the last week.

THE HARBOR AND BAY gave McKinley 277 general votes and today's dispatch only gives a total of 240 votes. When you see it to be the case it is a failure. We are to be pronounced in the matter of news; and our treatment of matters appropriate to it.

THE HARBOR AND BAY opened on Monday, and the government was pleased to announce that the proposed constitutional amendment relating to the leasing and rental of forest lands had been adopted. The commission had advised the adoption of the amendment, which it would be a benefit to the people to allow simply the leasing of campsites, islands of the forest, and other lands which the government would manage to the advantage of the people and give the proceeds an entry into the forest reserves. The amendment cannot be voted on until next year.

### THE FRIENDS OF THE CANDIDATE, and there is at present nothing slight to indicate that they will not be fulfilled, if not to the very letter, to such an extent at least as will launch depression and continue the country on its march towards unexampled prosperity.

The conflict is over. Let us all rejoice at that fact, as well as in the result. National elections have ever been disasters of the business people of the country, and to this day the one that closed Tuesday has been very far from being an exception.

Don't trifle away time when you have a doctor's orders or diarrhea. Fight them in the beginning with DeWitt's Colic and Cholera Cure. You don't have to wait for results; they are instantaneous, and it leaves the bowels in healthy condition. C. H. Hagenbuch.

### Arranged for Her Own Funeral.

JACKSONVILLE, Fla., Nov. 6.—Nearly dressed for her funeral, a young woman lay on her bed at the Carlton hotel, and, after carefully arranging the bed clothing, placed a revolver to her head and shot herself. Her name was Miss Fannie Viola Finnegan, of Spencer, Mass. The self-murder had been procrastinated for some time, as several weeks ago she had bought a lot at the cemetery, selected a coffin and made arrangements with the undertaker to bury an imaginary friend. She left two long letters, one addressed to the proprietor of the hotel and the other to the undertaker. In her letter to the undertaker she stated that she was prepared to be buried as she was dressed. She particularly requested that the pistol with which she killed herself be buried with her, clasped in her right hand; also that none of her rings should be removed. Her requests were complied with.

### Wife's Arrested Salvo.

The last salvo in the world for wife-brother, sister, niece, and brother, sister, nephew, daughter, and child, and so on, was heard at the residence of Mrs. F. J. Jones, of the city, where she was found with a pistol in her hand, ready to shoot her husband. She was arrested before she could fire.

### A Fourteen-Year-Old Murderer.

NEW YORK, Nov. 6.—Peter Fries and Willie McGowan, 14 and 9 years of age, respectively, engaged in a quarrel last Friday on a vacant lot near Governor's Island No. 44, in the upper part of the city, where they were playing. While Fries was jumping one of the boys threw sand at him. It struck him in the face, and some of it got into his eyes. He became very angry, and threw a brick through a window.

### CHAIRMAN JONES'S STATEMENT.

President McKinley Will Have the Support of Bryan's Supporters.

CHICAGO, Nov. 6.—Chairman Jones issued the following statement last night: "The result of the presidential election is apparently no longer in doubt. It has been one of the closest contests that the people have ever been called on to determine in recent years. We have claimed the election on our own merits, but it was made difficult by the manner in which we were treated by the administration. We were not given a fair hearing, and our views were not considered. We have now won, and we are proud of our victory. We will continue to support President McKinley, and we will also support Mr. Bryan. We believe that Mr. Bryan's views are sound and just, and we think that his election would be a benefit to the country. We will do our best to help Mr. Bryan if he is elected, and we will do our best to help President McKinley if he is re-elected."

### ROW IN THE FRENCH CHAMBER.

Socialist Leader Charges the Government with Fomenting Riot.

PARIS, Nov. 6.—In the chamber of deputies, M. Jaures, the socialist leader, accused the government of assisting M. Kossig, the owner of the Carnaux Glass works, in organizing the demonstration against the socialist deputies who had opened a new co-operative glass factory at All, near Carnaux, on Sunday last, and with illegally dispersing a socialist meeting.

### THE RESULT IN NORTH CAROLINA.

RALPH, Nov. 6.—The presidential ticket in this state appears to have been elected for Bryan by a majority of from 3,000 to 4,000. Many counties are still missing, but it is not believed the votes will change materially the estimate given above. Russell, rep. is elected governor by not less than 12,000 majority. The other Republican-Populist Fusion state officers are elected by 40,000.

### Two Lives Saved.

Mrs. Phoebe Thomas, of Junction City, Ill., was told by her doctors she had Consumption and that there was no hope for her, but that Dr. King's New Discovery completely cured her, and she says it saved her life. Mr. Tom, Eggers, 120 Florida St., San Francisco, suffered from a dreadful cold, approaching Consumption, tried without result everything else, then bought one bottle of Dr. King's New Discovery, and in two weeks was cured. He is naturally thankful. It is such results of which these are simple, that prove the wonderful efficacy of this medicine in Coughs and Colds. Free trial bottles at A. W. Wiley's drug store. Regular 50c 25c and \$1.00.

### Cyclist Killed in a Road Race.

JERSEY CITY, Nov. 6.—Samuel Barnhart, of No. 30 Zabriskie street, Jersey City, met with an accident while on his bicycle Monday evening which subsequently resulted in his death. He was in a ten mile road race on the Boulevard when the fork of his wheel broke and threw him violently to the ground. His skull was fractured, and he died soon afterward.

## TWO STATES STILL DOUBTFUL.

(Continued from First Page.)

message was no surprise to him, as it indeed was not, for as those who have been in his confidence knew he had considered the battle as practically lost ever since the first night after the election. He has, however, felt that it would be both disincouraging and unfair to give out any intimation of this order until the national committee had spoken.

Mr. Bryan announced that he would today issue an address, but declined to make any statement or to submit to an interview further than to say that the fight for silver had just begun. It is known to be his purpose to devote much of his time in the future to educating the people to the acceptance of his views on the political situation, and it is his intention to sound the keynote in the paper which he will issue today. It is believed that Mr. Bryan considers that the result of the election has in it much to encourage the advocates of independent action by this country on the question of the free coinage of silver.

Mr. Bryan declined to outline his future plans or to give his opinion as to the causes which led to his defeat. It is quite certain, however, that he will not be tempted by any of the flattering offers which are coming to him to leave Lincoln. He will remain about his home for the next few weeks, recuperating, for which in no way exhausted by the duties of the campaign, he confesses to a feeling of languor as a result of the arduous labors of the past few months.

Mrs. Bryan received the news with quite as much composure as did her husband. She had never felt the same confidence of success that he felt and has from the first, while not without hope, been prepared for the news which Senator Jones' brief message brought.

#### President McKinley Will Have the Support of Bryan's Supporters.

CHICAGO, Nov. 6.—Chairman Jones issued the following statement last night: "The result of the presidential election is apparently no longer in doubt. A healthy baby is the real jewel for which the wedding ring is only the setting. There is no place in Nature's economy for a childless marriage. Wedded couples that are childless are never truly married. A lady in the city binds. The lady in the pledge that makes husband and wife one in nature and in fact, and that teaches mutual self-sacrifice and sympathy. Thousands of couples are childless because of the wife's neglect of her health as a woman. Too few women fully appreciate the importance of keeping healthy and vigorous the organs upon which motherhood is dependent. As a consequence, they are weak where they should be strong, and motherhood is either an insupportable or a torturous and dangerous ordeal. This is easily remedied.

The most wonderful medicine for women is Dr. Pierce's Favorite Prescription. It acts directly and only on those delicate organs upon which the perpetuation of the race depends. It allays inflammation, soothes pain and makes those organs healthy and vigorous. It prepares for motherhood. It makes baby's coming easy and almost painless and insures health in both mother and child. Druggists sell it. "I take pleasure in expressing my faith in your 'Favorite Prescription,'" writes Miss Edith Cain of Clinton, Allegheny Co., Pa. "After two years of suffering I began taking Dr. Pierce's medicine and now I am entirely cured. I had been troubled with displacement of internal organs for some time and also with defective weakness, but now I am well and happy. I will cheerfully recommend Dr. Pierce's Favorite Prescription to all invalid ladies."

The profit side of life is health. The balance is written in the rich red, pure blood of health. Dr. Pierce's Pleasant Pellets cure constipation and make the blood rich and pure. They never give. By druggists.

M. Barthelemy, the minister of the interior, amid interruptions from the left, denied that the government had opposed the foundation of the co-operative glass works, the establishment of which was resented by the workmen of Carnaux. The government, he added, only took the measures necessary to preserve order.

M. Millerand and Goblet supported M. Jaures, and M. Barthelemy retorted that the police only did their duty, owing to disturbances in the hall. Amid the socialist interruptions M. Boyer cried "You have lied." But finally the order of the day supporting the government was adopted by a vote of 210 to 218.

Alabama's Decreased Democratic Vote.

BIRMINGHAM, Nov. 6.—The returns so far show a decided decrease in the Democratic vote as compared with 1902. The actual result will not be known until the official count tomorrow. The majority for Bryan on the face of the returns will hardly be less than 85,000.

McKinley's Illinois Plurality 44,134.

CHICAGO, Nov. 6.—Unofficial returns from all of the 102 counties in Illinois (including Cook) give McKinley a plurality of 44,131 and Tamm a plurality of 115,561. Complete official returns may change these figures a trifle, but this is practically the result in the state.

If you have ever seen a little child in the agony of summer complaint, you can realize the danger of the trouble and appreciate the value of instant relief always afforded by DeWitt's Colic and Cholera Cure. ## Pingree's Great Plurality.

DETROIT, Mich., Nov. 6.—The total vote of Michigan appears to have been, in round numbers, 485,000, of which Pingree, for governor, received 275,000; Silgh, 205,000. Pingree's actual plurality has increased to 70,300. McKinley's is about 16,000 less on account, presumably, of the "Bryan and Pingree" vote, which shows that a considerable element which favored Bryan also voted for Pingree. The legislature is as follows: Senate, 30 Republicans, 6 Fusionists; House, 80 Republicans, 20 Fusionists.

## Iowa's Great Republican Majority.

DES MOINES, Ia., Nov. 6.—The returns by counties in Iowa were completed yesterday. The total vote cast in the state is in excess of 610,000, estimating the Prohibition and Farmer votes together at only 5,000. Of these votes 208,751 were cast for William McKinley and 230,113 for William J. Bryan, giving McKinley a plurality of 67,362. This is not only the largest vote ever cast in the state, larger than any previous vote by 70,000, but it is also the largest Republican majority ever given in Iowa. Garfield's majority was 43,000.

## Bryan's Majority in Nebraska.

LINCOLN, Nov. 6.—Complete returns from 44 out of 93 counties of the state received at Populist state headquarters give Bryan 7,098 majority and Holcomb (fusion), for governor, 16,045. It is estimated from these figures that Bryan's majority in the state will be about 15,000 and Holcomb's about 15,000. The fact that Holcomb runs about of Bryan is attributed to a confusion incident to the court's decision against the regularity of the Chicago ticket.

## Kentucky's Very Close Vote.

LOUISVILLE, Nov. 6.—The result in Kentucky on presidential electors is more in doubt than ever. The revision of figures in some districts has brought the majority for either side down to a very small margin. The Democrats now claim the state for Bryan by 1,500 to 2,000, while the Republicans claim it for McKinley by 500. The vote is so close that the official returns will be necessary to determine the result.

## The Result in North Carolina.

RALPH, Nov. 6.—The presidential ticket in this state appears to have been elected for Bryan by a majority of from 3,000 to 4,000. Many counties are still missing, but it is not believed the votes will change materially the estimate given above. Russell, rep., is elected governor by not less than 12,000 majority. The other Republican-Populist Fusion state officers are elected by 40,000.
