THE SENATE ON MONEY!

Difficult to Estimate its Standing on the Question.

MAJOR M'KINLEY'S GREAT VOTE.

His Plurality Will Reach Over a Million. The Pluralities in the Different States as Shown by Latest Reports—The Contest in Kentucky.

WASHINGTON, Nov. 7.—The next senate, it is believed, will stand: Republicans, 44; Democrats, 33; Populists and Independents, 13. This table takes all states out of the doubtful column, placing Kentucky and North Carolina in the Republican column, as Senator Butler said today that a free silver Republican probably would be returned by the fusionists; Delaware in the Democratic column and Kansas and South Dakota in the Independent and Populist column. This will prevent the Republicans from taking control of the senate unless some of those who heeded the Republican platform at St. Louis should return.

It is difficult to estimate the exact standing of the next senate on the money question, owing to the new alignment of parties in the recent campaign. Men who have been pronounced silver men have supported the Democratic platform and candidates, and pronounced gold men have supported the Republican platform and candidates. Perkins of California, Waldcott of Colorado, Shoup of Idaho, Carter of Montana, Mitchell of Oregon, Wilson of Washington and Clark and Warren of Wyoming have all voted for and supported silver legislation, and the course they will take in the senate is altogether problematic.

Among the Democrats, Gorman of Maryland, Smith of New Jersey, Murphy of New York, Faulkner of West Virginia and Mitchell of Wisconsin, all have voted for silver, and yet supported the Democratic party in this campaign. As no free coinage bill possibly could pass the house this fact would influence voting in the senate on the silver question, especially in the shape of a rider to the tariff bill. The probability is that on a free coinage amendment to a tariff bill all of the forty-four Republicans would vote against it and possibly some Democrats, such as Caffery of Louisiana, Gray of Delaware and Lindsay of Kentucky, who bolted the Chicago platform, and perhaps even some of those who supported Bryan during the campaign. It also is not unlikely that some of the Republican senators who bolted the Republican platform might take a position which would permit a tariff bill in which their constituents are largely interested because of wool, lumber and lead ores to become a law.

Senator Faulkner, of West Virginia, said today that the silver men, by standing solidly with the Democrats, could prevent tariff legislation. Senator Butler, on the other hand, said that he and other Populists would support the right kind of a tariff bill, but not a measure like the McKinley bill. Mr. Butler wants adequate protection on raw material.

THE POPULAR VOTE.

McKinley and Hobart's Plurality Will Exceed a Million.

CHICAGO, Nov. 7.—William McKinley's plurality of the popular vote will be about 1,100,000. The only doubtful states now are Kentucky and Wyoming, both being claimed by both sides. The dispatches from these states are so contradictory that nothing definite will be known until the official count of the vote is completed. Kentucky has thirteen electors and Wyoming three. The pluralities in the different states, with the number of electors, is shown in the following table:

| FOR M'KINLEY. | |
|----------------|---------------|
| California | 9 6,000 |
| Connecticut | 6 25,000 |
| Delaware | 3 2,000 |

| Vermont | 4 21,000 |
| West Virginia | 6 12,000 |
| Wisconsin | 12 100,000 |
| Total | 204 1,259,007 |
| FOR BRYAN. | |
| Alabama | 11 35,000 |
| Arkansas | 8 20,000 |
| Colorado | 4 15,000 |
| Florida | 4 9,000 |
| Georgia | 13 55,000 |
| Idaho | 3 10,000 |
| Kansas | 10 50,000 |
| Louisiana | 8 25,000 |
| Mississippi | 9 30,000 |
| Missouri | 17 30,000 |
| Montana | 3 15,000 |
| Nebraska | 8 7,500 |
| Nevada | 3 5,000 |
| North Carolina | 11 17,000 |
| South Carolina | 9 35,000 |
| Tennessee | 12 30,000 |
| Texas | 10 100,000 |
| Utah | 3 15,000 |
| Virginia | 12 15,000 |
| Washington | 4 6,000 |
| Total | 167 603,000 |

While South Dakota's four electors are placed in the Republican column, a late dispatch indicates that the vote of that state may be cast for Bryan when the electoral college meets.

Republicans Concede North Carolina. RALEIGH, N. C., Nov. 7.—Neither of the parties in this state will have a majority in the next state legislature, which elects a successor to Senator Pritchard. It will be nearly equally divided, between the Democrats, Republicans and Populists. A lively fight is expected. Cha

the Republican state committee, conceded the electoral vote of the state to Bryan.

Both Sides Still Claiming Kentucky. LEXINGTON, Ky., Nov. 7.—Chairman Roberts, of the Republican committee, says official returns from 100 counties and an unofficial returns from the remaining nineteen counties, give McKinley 75 plurality. Chairman Johnson, of the Democratic committee, claims that the Bryan electors are chosen by a small plurality, and expresses confidence that the official count will reveal the fact.

McKinley's Indiana Plurality 20,000. INDIANAPOLIS, Nov. 7.—The official returns from the counties, which are now coming in rapidly, do not change the an official figures materially. McKinley's plurality will stand near 20,000. In some counties the unofficial plurality has been increased by the official count, while in others it has been decreased. Mount, rep., for governor, has led the state ticket everywhere. The Democrats have elected four out of the thirteen members of congress. They are E. W. Moers, in the Second district; W. T. Zonor, in the Third; W. S. Holman, in the Fourth, and James Robinson, in the Twelfth. The general assembly has a Republican majority of twenty on joint ballot.

The Official Vote in Delaware. WILMINGTON, Nov. 7.—The official vote of Delaware shows these figures: McKinley, 20,452; Bryan, 15,015; Palmer, 990. McKinley's plurality, 5,437. For congress: Tamm's plurality, 3,951. For governor: Hundell's plurality, 3,035. The political complexion of Delaware's next legislature will have to be fixed by the courts. The third senator from Kent is in doubt, both Republican and Democratic election boards having made out certificates of election. The defeat of J. Edward Adkins' aspirations for the United States senate is almost assured.

California's Republican Majority. SAN FRANCISCO, Nov. 7.—Complete returns from all but 111 precincts in California give McKinley a majority of 4,348. The missing precincts in 1892 gave Harrison 1,501, Cleveland 1,778 and Weaver, 295. The congressmen elected are Barham, Hillborn and Lord, Republicans; Dreyfus and Maguire, Democrats; Barlow and Castle, Populists. On joint ballot in the legislature the Republicans will have a majority of twenty-six, insuring a Republican senator to succeed Senator Perkins, the latter being a candidate for re-election.

Republicans Relinquish Claim to Kansas. TOPEKA, Nov. 7.—The Republicans have finally given up Kansas complete, not only conceding the election of Bryan electors by about 6,000, but give up the whole state ticket, headed by Leedy (Populist) for governor, by something near 4,000. The Populists also gain the legislature and five, and probably six, of their congressmen. The second congressional district is in doubt and claimed by both parties. It is the most disastrous defeat the Republicans of Kansas have ever suffered.

Tennessee's Democratic Plurality. NASHVILLE, Nov. 7.—Seventy-seven out of ninety-six counties heard from officially and semi-officially give Bryan 10,000 over McKinley. The remaining counties will probably increase the figures to 20,000. The congressmen elected are: W. P. Bevelow, Henry Gibson, John A. Moon, Benton McMillan, J. D. Richardson, J. W. Gatnes, N. N. Cox, L. W. Sims, Rice A. Pice and E. W. Carmack. Browlow and Gibson are the only Republicans.

One Republican Congressman from Texas. DALLAS, Nov. 7.—Congressman elected in Texas were as follows: Thomas W. Ball, S. B. Cooper, R. C. Degraffenreid, John W. Cranford, Joseph W. Bailey, R. E. Burke, R. L. Henry, W. T. Lanham, Joseph D. Sayers, R. B. Hawley, Rudolph Klumpp, J. L. Slayton, John Stephens. Hawley is the only Republican chosen. The state is for Bryan by 100,000. The Democratic state ticket wins by 60,000.

South Dakota Again in Doubt. YAKETO, Nov. 7.—South Dakota's vote on presidential electors is tied, and an official count will be required to determine the result. The Republican managers have closed their office with the above declaration. Corrections and changes in three districts not yet heard from may give the electors to either Bryan or McKinley.

AN EXPLOSION OF BOILERS

Two Men Killed and Three Injured at Centralia.

BOILER HOUSE WAS SHATTERED.

One Instantly Killed and One of the Victims Died Shortly After Entering the Hospital—Recovery of the Others Doubtful.

Special to EVENING HERALD.

CENTRALIA, Nov. 7.—A disastrous explosion occurred at the Centralia colliery at 5:45 o'clock this morning by which one man was instantly killed, and one died shortly after entering the Miness' hospital at Fountain Springs. Three others were so badly scalded it is feared they will die.

The victims are: JOHN ROYETTE, a Pole, instantly killed. JOHN STEINBUCK, Pole, 22 years of age, fireman, died 10 minutes after entering the hospital. JOSEPH KRUEGER, Pole, 22 years, fireman, half the surface of his body scalded. ANDREW MINSCHOCK, Pole, laborer, 31 years, terribly scalded. MARTIN LORSTEN, German, very seriously scalded.

The explosion occurred at 3:45 o'clock this morning and caused consternation in the town and vicinity. Five of a nest of six boilers exploded and the boiler house was blown into atoms, parts of it being hurled hundreds of yards away. It is appalling that all the victims were not instantly killed by the shock of flying debris. All the men who suffered reside in Centralia, except Krueger, who lives at Ashland.

The cause of the explosion was evidently high pressure. Since the heavy rains of the past few days the boilers have been kept up at high pressure in order to keep all pumps working incessantly to break the effects of the floods.

Three of the victims, Minschok, Krueger and Steinbuck, are at the Miness' hospital in a critical condition and their recovery is doubtful.

Broken Car Seats. Three boys, John August, of Iowa; John Davis, of Malvernville, and Charles Bacon, of Ringtown, broke two seats of a freight car at the Pennsylvania freight depot last night and took some apples from the car. Frank Warrick, the night watchman, caught August, but the boy was released, as nothing of much value was stolen and the railway company is not disposed to go to the expense and trouble of prosecution in cases where appreciable loss is not sustained.

Miss Biddle's Birthday. Marie, 13-year-old daughter of Dr. J. C. Biddle, the superintendent and surgeon-in-chief of the Miness' hospital, at Fountain Springs, yesterday celebrated her thirteenth anniversary by giving a party in the parlors of her parents' home, which was attended by the mandolin club of Prof. E. W. White, of town, of which Miss Biddle is also a member. The guests were Prof. White and Miss Maggie Trullinger, Katie Quinn, Eda Emery, Nellie Baumgartner and Maggie Biddle. The afternoon was spent in an exceedingly pleasant manner and was followed by a sumptuous feast, after which the party, accompanied by Mr. and Mrs. Biddle and Dr. Williams, of Dunmore, drove to Ashland and participated in a parlor festival for the benefit of the Presbyterian church of that place. A notable incident in connection with Miss Biddle's anniversary is that 13 years ago yesterday the Miness' hospital was first opened and Mrs. Biddle was the first patient, giving birth to Miss Marie.
