LET EVERY WOMAN READ.

There is Strength and Health in This Greatest of Discoveries!

At Every Stage of Life Where Renewed Nervous Energy, Pure Blood, Freedom From Pain, and Normal Conditions Are Despaired of, Paine's Celery Compound is the One Remedy That Will Really Make You Well!

The first women in the land have good reason to recommend to every sufferer Paine's Celery Compound.

The proprietors of Paine's Celery Compound are not "patent medicine men."

They claim not one whit more for this wonderful remedy than it will accomplish.

They resort to no schemes to sell it; they offer no prizes. They believe in the only kind of advertising that can be profitable in the end; that is the recommendations that go by letter or word of mouth from those whom Paine's Celery Compound has benefited, to suffering friends, relatives and neighbors. The proprietors of this remedy have given out for publication the voluntary testimonials of grateful women and men who owe their health to Paine's Celery Compound; they never change a writer's words or exaggerate a person's importance; they never place a plain citizen with titles; they never call a simple cure a miracle.

Paine's Celery Compound is to-day the least advertised of any important remedy, and yet its output is far greater than them all. The demand for Paine's Celery Compound is steadily, daily growing, while the sales of every one of the artfully but dishonestly advertised "patent medicines" are fast dropping off.

Although within a year the most astonishing number of people in high society, men who hold public offices of great importance, the wives of most distinguished citizens, such people as for instance, Mrs. Senator Quay, Mrs. Dr. Parkhurst, Elizabeth Cady Stanton, Congressmen Grant, Powers, Wilber, Bell, Mrs. U. S. Senator Warren, the great Presbyterian leader, Rev. Charles I. Thompson, D. D., of New York, Maj.-Gen. Birney, Congressman Meredith of Vir-

ginia, Mrs. H. B. Sperry, Supt. W. F. Smith, of the U. S. botanical department, Helena Modjeska, Col. Litterer, of the Chicago produce exchange, the Rev. Dr. Meek, President Rowley, Hon. George I. Fletcher, ex-Minister Francis—the public will recall scores of others of equal prominence.

Although it has happened that within the past year voluntary testimonials have been constantly received from hundreds of such people, men and women who need no introduction to any section of this great country.

Still the greatest pride of the makers of the remedy is not so much the reliance that the rich and titled have come to put upon it, but the good that Paine's Celery Compound is doing in the army of people whose circle of acquaintances is limited to their immediate neighbors, the good it is doing among hard working people, whose health is no less valuable than that of the famous or wealthy, and whose heart-felt testimonials are the best of all tributes to the first among American physicians, Prof. Edward E. Phelps, M. D., LL. D.

He discovered a remedy that could be put within the reach of the poor as well as the rich, a remedy that has revolutionized in a few years the general practice of medicine.

Until this discovery there was no cure for the many ills that women suffer—women whose nervous system, for one reason and another, is impaired, whose life is a burden on account of what are ordinarily termed "female ailments."

The pains and aches which our mothers thought they must endure, now vanish entirely under the curative, health-giving influence of Paine's Celery Compound. Like nothing else, it gives new vigor, new life, new strength. It makes nervous, ailing women well and cheerful. It dispels sleeplessness; headaches disappear. Paine's Celery Compound makes it unnecessary for women, at any stage of life, to suffer from those serious ills that afflict so many. And Paine's Celery Compound not merely relieves but permanently cures.
