Explain Their Attitude in the Recent Presidential Campaign.

ENCOURAGED OVER THE RESULT.

They Claim That "No Organization in the World Has So Clear, Definite and Practi-(a) Plan of Campaign as Our Own"-A "Grave Menner to the Republic."

RECEIVETINA N. Y., Nov. 12 - At yester-tay's session of the Knights of Labor the report of Secretary-Treasurey Haves was read. The report opens with a reference to what the official minied terms "attacks of a most villations character" upon the general officers of the order. The means of general offleers of the order. "by reason of the just stand taken by them in refusing to allow a small elique of men, who are familiarly known as the "New York tri-angle" of the Socialistic-Labor party, to get control of the machinery of the K-nights of Labor for the dissonination of their doctrines." The so called triangle, according to Mr. Haves, consists of Daniel de Leon, Lacien Santal and Ecnest Rohn. Mr. Hayes complains that, although the laws of the order prescribe that working cards, receipt books and other supplies for the local and district assemblies shall be secured through the general assembly, the receipts from these sources amounted to

receipts from these sources amounted to only \$2,407. Printing for the national sil-ver committee \$5,000, and for the like traismy \$1,700; from the Democratic congressional committee, \$5,000, and for the lilinois state Democratic committee, \$500. The report treats also of the action of the American Federation of Labor, direct-ing all organizations that were affiliated, both with the Knights of Labor. In the Pederation (for trade purpose), to with deaw from the Knights of Labor. This action, the report says, is in direct viola-tion of the arrangement entered into with action, the report says, is in direct viola-tion of the arrangement entered into with the general executive bound by the repre-sentatives of the National Union previous to the formation of National Trade As-

At the adjournment of the seadon the following contraston of the executive board was given to the Associated Press; "In our annual address to Washington

general assembly we used this tanguage: 'In spite of the legislation already secured, in spite of improvementia already made in The social and industrial conditions, there yet remains a yast work to be done before the wealth producers will be fully free from the chains of wige slavery and the common of moments. oppression of monopoly.

"The forces of a great army like the Kulghts of Labor to accomplish the most important results must have its power wisely directed against the weakest point in the enemy's line, and the very stronghold and claudy stim, and the very accura-hold and claude of monopoly must be matured. No organization in the world has so clear, definite and practical a plan of campaign as our order. The machinery of our government must be wrested from of our government must be wreated from the hands of the agents of the plutornas and readowd to the people. The money of the people, the life blood of commerce ple only. The great highways of com-merce must be freed from the clutches of railway kings, and the famt, the great reservoir from which all would be freed from the clutches of the people, the high ways of com-merce must be freed from the clutches of railway kings, and the famt, the great reservoir from which all would be drawn, which is the pirmo necessity for the main-teenance of human existence, must be resonance in the the stating it. I was completely part and part and the clutches of railway kings, and the famt, the great reservoir from which all would be drawn, which is the pirmo necessity for the main-teenance of human existence, must be re-stored to the whole people. "The equal rights of each one of the children of mon to a share of the bound. the two is the stating it. I was completely part ating it. I was completely partment. MRS. MARY STUART.

suits of great value to the cause of labor. The hope we then held has been more than realized in the vast political upheaval which has taken place in the United States since the Washington general assembly "Mystic three" for Rhenmatism and Nee-

That is the story the morning newspapers tell of the modern business man. Too much manay getting. Too little care for health. Too much rush, and strain, and wear and tear. Too little time to est, to much managegatting. Too little care for health. Too much rash, and strain, and wear and lear. Too little time to eat, to show and the second to rest tired body and torined brain. Not enough time to think once in a while of health and strength and hoppiness and a long and useful life. A widew and orphans left to mourn. A big state that under the dissecting knike of the story of housands of business men in life reputed with a successful. It is a story that is another full sail to pieces. This the story of housands of business men in life reputed with a successful. It is a story that is mean the section fulls all to pieces. The the story of housands of business men in life and the section fulls all to pieces it is the story of housands of business men in life and strength. It is a story that is mean to be a story of housands of housiness men in life and the section fulls. The section of the section fulls all to piece it is the story of housands of housiness men in life and the section of the section fulls. The section of the section fulls all to piece it is a story that is a story that is a story that is a story of the section good, the blood pure and the across them where to the music of good business. The section good, the blood pure and the across the section good, the blood pure and the across a story of blood weak is a pleasance. Thousands say so. # THE WARFARE IN (UBA Spain's Extraordinary Efforts to

End the Conflict.

TWENTY-FIVE THOUSAND TROOPS

En Route from Spain to Assist in the Milltary Operations Which Were Begin Early in Octoher Swith Greater Energy "That Ever Detero.".

WANDAUTRY, Nov. 12.-The renewed WARDOTRIX, NOV. 12.—The remewed reports that the United States was about to intervente in the Cuptan conflict are not confirmed in official quarters, nor is there any evidence to indicate that at the pres-ent time the United States has under con-sideration any change in its policy. The only available information reaching how is that the South de South and South and

here is that the Spanish military opera-tions begun early in October are about to go forward with greater energy that at any previous time. Important results are expected from this forward movement expected from this forward movement within the next three weeks. There are new 20.000 more Spinish troops an routs for Cuba. They will be distributed in the western provinces. It is expected that with these additional troops in position the four western provinces will be com-pletely garries need and occupied at every neight be the gargementation. point by the government troons

point to the government troops. The hull in operations within the last few days is explained by a circumstance not get known. The insurgout lander Masso moved to the coast for the purpose of receiving a priorimatic dynamics gun, which had been landed with great diff-ently. The reports reaching here show that the tends of the gun failed to show it to be formidable, the shot carrying only 200 parties, or less than the distance energied by which. Under the circumstances Market v villas. Uniter the electron stances Mars is retraced his stops without modyna-1110-2111

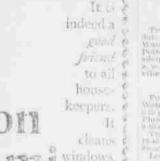

Meanwhile the Spanish forces have been divided into two main divisions one in the south and the other in the north of the bland. The main purpose of this troops and this has proceeded so rapidly that it is asserted here positively that every are smalled. Latter's
