NO NEWS OF WEYLER.

The Victory That He Longs for Has Not Yet Arrived.

TROUBLES OF THE INSURGENTS.

Though the Spaniards Have No Reports to Transmit from Their Chief, They Forward Alleged Advices Regarding the Fighting Patriots.

HAVANA, Nov. 18.—Today has brought no definite news of the whereabouts of Captain General Weyler, though scraps of information regarding the troubles of the insurgents in Pinar del Rio are given to the public.

It is said that Antonio Maceo received a slight flesh wound in an engagement at Lechuza. The insurgent general has again established a position at Brujo in the Brujito mountains. The leader Vidal Ducassis, brother of an insurgent brigadier, it is further said, has been seriously wounded and was carried to the Brujito mountains. Black smallpox is alleged to be raging in the ranks of the insurgent forces in Pinar del Rio. The noted leader Perico Delgado is supposed to have been seriously injured in the right lung with a Mauser bullet, and has, in consequence, developed consumption.

The chief of Maceo's staff, General Jose Miro Argenter, a man of great influence among the insurgents, is still another reported victim of a serious wound, received at Sarea. With other wounded leaders he was carried to Bijo Menindez, to a retreat in the swamp.

Maceo's forces, it is alleged, have been divided and distributed in different parts of the province on account of the active pursuit kept up by the Spanish, and much confusion has resulted in the distribution of ammunition, many of the insurgents having Mauser rifles receiving Remington cartridges and vice versa.

The weather is getting much better in Pinar del Rio, and the health of the men in the field shows a corresponding improvement.

Colonel Durango surprised an insurgent encampment at Chinchol, in Havana province, of Juan Delgado's band. In the fight that ensued nine insurgents were killed and eleven wounded, and a fine horse with a richly mounted saddle belonging to Delgado was captured.

Master Workman Sovereign Re-elected.

ROCHESTER, N. Y., Nov. 18.—The principal business of the Knights of Labor convention yesterday was the election of officers. James R. Sovereign, the present general master workman, was re-elected without opposition. For the office of general worthy foreman there were but two candidates, Philip L. Amon of Jersey City and Thomas B. McGuire of Amsterdam, N. Y., the latter being elected. General Secretary-Treasurer John W. Hayes, of New Jersey, was re-elected without opposition. For the general executive board Henry B. Martin of Indianapolis, at present a member of the board, Andrew D. Best of Brooklyn and Daniel Brown of Butte City, Mont., were elected. It was voted to refuse to organize or sustain organizations of any men who have taken places of men on strike.

Did She Die?

"No; she lingered and suffered along, "pining away all the time for years, the "doctors doing her no good; and at last "was cured by this Hop Bitters the papers say so much about. Indeed! Indeed! "how thankful we should be for that "medicine."

WASHINGTON, D. C., May 15th, 18—
GENTLEMEN—Having been a sufferer for a long time from nervous prostration and general debility, I was advised to try Hop Bitters. I have taken one bottle, and I have been rapidly getting better ever since, and I think it the best medicine I ever used. I am now gaining strength and appetite, which was all gone, and I was in despair until I tried your bitters. I am now well, able to go about and do my own work. Before taking it, I was completely prostrated.

MRS. MARY STUART.

Star Pointer Defeats Joe Patchen.

PHILADELPHIA, Nov. 18.—After several postponements Star Pointer, the Tennessee pacing wonder, with a record of 2.02¼, and champion of the world for three successive heats, won new laurels yesterday by defeating Joe Patchen in three straight heats in a match race for $1,000 a side at Belmont track. Beside this he succeeded in running the fastest heat in any pacing race ever run in this state. This was the first heat of the race, and Star Pointer crossed under the wire in 2.01½.

How to Ward Off an Attack of Croup.

In speaking of this much dreaded disease, Mr. C. M. Dixon, of Pleasant Ridge, Pa., said, "I have a little girl who is troubled frequently during the winter months with croupy affections. Whenever the first symptoms occur, my wife gives her Chamberlain's Cough Remedy, and the result is always prompt and satisfactory." This remedy is used by thousands of mothers throughout the United States, and in many foreign countries, and always with perfect success. It is only necessary to give it freely when the child becomes hoarse or as soon as the croupy cough appears and all symptoms of croup will disappear. For sale at 25 and 50 cents per bottle by Gruhler Bros., druggists.

Slight Sentence for Double Murder.

MUNCIE, Ind., Nov. 18.—Francis J. Gallagher, who killed J. M. Dugan and Joseph Reid with a penknife, was yesterday sentenced to two years in prison for Dugan's death. The jury in the Reid case gave Gallagher twenty-one years, but a new trial was granted.

Sore Throat Quickly Cured.

Not long ago in speaking of sore throat, and the difficulty frequently experienced in curing it, Mr. J. E. Thomas, of Uniondale, Pa., told how he had often cured it in his family. We give it in his own words: "I have frequently used Chamberlain's Pain Balm in my family for sore throat and it has effected a speedy cure in every instance. I would not think of getting along in my home without it." Pain Balm also cures rheumatism, sprains and bruises. For sale at 25 and 50 cents per bottle by Gruhler Bros., druggists.

FOR that sour stomach use Stuart's Dyspepsia Tablets, because they digest the food before it has time to sour, ferment and poison the blood.

FOR loss of appetite take Stuart's Dyspepsia Tablets, because food promptly digested creates a natural desire for more.

FOR loss of flesh, use Stuart's Dyspepsia Tablets; they increase flesh in the only common sense way, that is, by digesting flesh-forming food, and assisting the weak stomach in disposing of it.

FOR gas in stomach and bowels, causing distress, belching and headaches, use Stuart's Dyspepsia Tablets; always indicated in such diseases.

FOR palpitation of the heart use Stuart's Dyspepsia Tablets because this symptom in nine out of ten cases is caused from a disordered stomach.

FOR impure blood use Stuart's Dyspepsia Tablets; pure blood can only result from wholesome food thoroughly digested.

FOR every form of weak digestion and stomach trouble (except cancer of the stomach) Stuart's Dyspepsia Tablets is the safest, most natural, most successful cure. No patent medicine, but composed of digestive acids, pepsin, bismuth, Golden Seal and similar valuable stomach remedies.

For sale by druggists at 50c for full size package, or by mail from Stuart Co., Marshall, Mich. Kindly ask your druggist first.

THE NORTHWEST FLOODS.

Railroad Traffic Suspended — Steamer Drifts Over a Delta Rancher's Farm.

TACOMA, Wash., Nov. 18.—This city is still isolated from the world as far as railroad traffic is concerned. An attempt to get passengers through to Portland was abandoned. The washout at Winlock prevented even a transfer, and other washouts further down the line do not permit trains from Portland to reach that point. The White river bridge on the Seattle branch is still down, and no trains are running on that line. All travel between this city and Seattle is carried on by sound steamers. On the line to the east several washouts east of the mountains prevent trains running.

A Seattle dispatch says: The Canadian Pacific is the only road moving thus far, but it is claimed that the Great Northern will push its coast line train out this afternoon, and railroad men say the Northern Pacific Overland will probably be in tonight, but this is hardly thought possible. The steamer City of Campaign came down Skagit river Monday night from Mount Vernon, and arrived yesterday. The captain reports that during the night he was forced by the current over the dyke and went floating over a Delta rancher's farm. The steamer finally drifted back into the stream at North Yakima. Martin Fellstead and William Davidson were drowned while attempting to save two companions.

Charged with Murdering His Family.

DENVER, Nov. 18.—Andrew J. Spute, a well known grocer of this city, with his family, consisting of wife and five small children, went boating on Smith's lake Sunday, Oct. 26. The boat was capsized, and Mrs. Spute and the children were drowned. Spute, apparently with great difficulty, managed to cling to the boat until rescued. Spute was arrested on Monday, and detectives who have been working on the case declare they have evidence enough to convict him of murdering his family for the $12,000 insurance on their lives.

W. C. T. U. Thanks McKinley.

ST. LOUIS, Nov. 18.—At yesterday's session of the national W. C. T. U. convention Mrs. Fessenden, state president of Massachusetts, moved that a letter of thanks be sent to Mr. and Mrs. William McKinley for their intention not to let a drop of liquor enter the White House during their occupancy of it. Miss Willard vouched for Mr. McKinley being a teetotaler, and the convention decided to instruct the corresponding secretary to send the letter to Mr. and Mrs. McKinley.

Another Offer for Corbett and Fitz.

NEW YORK, Nov. 18.—President Gensslinger, of the New Bohemian Athletic club, yesterday issued a card to Corbett and Fitzsimmons, in which he offers them a purse of $25,000 to decide their coming fight at the club's rooms in this city. Mr Gensslinger's offer is considered an unusually generous one, and sporting men who heard of it said that Messrs. Fitzsimmons and Corbett would have to accept the offer or go out of the fighting business. A twenty round contest is provided for.

Northern Pacific Railroad Sold.

CHICAGO, Nov. 18.—All the franchises and real and personal property of the Northern Pacific railroad was sold at auction yesterday for $8,033,000. The sale was conducted by Henry Bishop, master in chancery, and was under the judgment issued by the United States circuit court June 20, 1896. The sale was made to William Allen Butler, on behalf of the bondholders' committee.

Alleged Dynamite Bomb in New York.

NEW YORK, Nov. 19.—What is believed by the police to be a dynamite bomb was found on the tracks in the Grand Central depot last evening. It is made of iron, about a foot long and four inches in diameter. Inside is some powder and a lot of peculiar dark, dirt like substance, which the police say is dynamite. The fuse is set in lightly, hanging out about a foot. When found the entire affair was wrapped in oilcloth, which was held on with twine. Pending an examination by experts the police have placed it in a keg of water. No explanation of how the alleged bomb came to be in the station is offered.

During several years residence in the far west, I had many opportunities for observing the wonderful effects of Chamberlain's Colic, Cholera and Diarrhoea Remedy. Its efficacy was demonstrated in the alkali regions, where the water produces violent purging. It allayed the attack when all other remedies failed. I repeatedly saw the greatest distress and diarrhoea cured in a few minutes. I used the remedy myself with the most satisfactory results, and can recommend it for the complaints for which it is indicated. H. Y. GILINGHAM, editor of the Republican, Phoenixville, Pa. This remedy is for sale by Gruhler Bros., druggists.

The Ideal Panacea.

James L. Francis, Alderman, Chicago, says: "I regard Dr. King's New Discovery as an Ideal Panacea for Coughs, Colds and Lung Complaints, having used it in my family for the last five years, to the exclusion of physician's prescriptions or other preparations."

Rev. John Burgus, Keokuk, Iowa, writes: "I have been a Minister of the Methodist Episcopal church for 30 years or more, and have never found anything so beneficial, or that gave me such speedy relief as Dr. King's New Discovery."
