She Has Recome a Complete. Mental and Physical Wreck-Could Not Survive Another Year's Imprisonment-Oscar

LONDON, Nev. 21 -- From a high official connected with her majesty's prison at Wormwood Scrubbs the Associated Press is furnished with the following account of Wilda

as I did, before her incarceration, she would not now be recognized. She is a complete mental and physical week. This condition is not due to prison treat-ment, but is the direct result of confine-ment and mental worry. While she is ment and mental worry. While she is not insame, her condition borders closely upon it. She has not been at Wormwood Scrubbs for many months, but is now in the smaller prison at Aylesbury, in Buckinglamatics prism at a symsolity, in since inglamatics. It is found that prisoners in her mental estate require as much change as is consistent with prison regu-lations, and for this reason she has been an inmate of so many penal institutions. While at Wormwood Scrabbs she was in the hearing for moneymous in the same the hospital for nine months in the year, and her health has demanded like treatment at Aylesbury.
