Recognition
Of the Cuban billigeny is now agitating the minds of the American people, but the recognition of the people of Shenandoah is unanimous to the effect that Amanda Womer, 124 North Main street, has the finest and best made stock of boots, shoes and rubbers in this locality and which she sells cheaper than his competitors. Why? Because he has no rent to pay and buys only for cash, saving 10 per cent. on the paying of rent and 6 per cent. discount in buying, which benefits the purchasers derive. He does not claim to sell you at less than cost, but by considering the above announcement one can readily see that he can undersell others and still maintain his profit. To convince the purchaser we ask you to call and examine our stock and compare our prices with others, and you will find our statement a true one. Save 10 per cent. of your purchase and remember the place.
