Excessive Nervousness from Childhood. La Grippe Brings on Heart Weakness.  
REV. R. P. SEAREY, pastor M. E. church, Buchanan, Ga. writes Dec. 10, 1905: "In childhood I was afflicted with excessive nervousness, which, almost developed into St. Vitus dance. I partially recovered, but at college it gradually grew worse. Close study aggravated the trouble; any unusual exertion caused trembling all over. In 1890 I had a severe attack of La Grippe which brought on heart weakness. I had been almost constantly under treatment for nervous troubles, and changed climates frequently without avail. Last February I began taking Dr. Miles' Restorative Nervine and Nerve and Liver Pills and since then I have been studying more and working harder than for years and the good effects that have resulted seem to be permanent."

## FATHER AND SONS LYNCHED.

One Killed in His Cell and Two Taken Out and Hanged.  
RUSSELLVILLE, Ky., Dec. 19.—At 10 o'clock in the morning a mob visited the county jail, and after battering down the front door and forcing the jailer to give up the keys went to the cells, occupied by Arch Proctor and his two sons, Will and "Dink." Will Proctor ordered the mob and was shot dead in his cell, his body being pierced by thirty bullets. The other two were taken out and hanged to a cedar tree.  
Three weeks ago Arch Proctor, aged 20, stabbed Aaron and "Doc" Crafton, at Adairville, this county. Aaron died immediately and his brother hanged for a week or more. One week ago the Proctors had their examining trial for the killing of Aaron Crafton, and Dink and Will were acquitted. Their trial for the killing of "Doc" Crafton was still on. The mob numbered about 100, and did their work quietly. "Bill" Proctor had been tried three times for murder.

I had severe attacks of gravel and kidney trouble; and unable to get a medicine or doctor to cure me until I used Hop Bitters, and they cured me in a short time.—A DISTINGUISHED LAWYER OF WAYNE CO., N. Y.

Colorless and Cold.—A young girl deeply regretted that she was so colorless and cold. Her face was too white, and her hands and feet felt as though the blood did not circulate. After one bottle of Hop Bitters had been taken she was the rosier and healthiest girl in the town, with a vivacity and cheerfulness of mind gratifying to her friends.

For New Public Buildings.  
WASHINGTON, Dec. 19.—The house committee on public buildings voted yesterday to report and place on the house calendar a large number of public building bills which it had practically agreed last session to report. The bills provide for buildings in the following cities: Norfolk, Va.; Brunswick, Ga.; New Brunswick, N. J.; Brooklyn, N. Y.; Waterbury, Conn.; Shamokin, Pa.; Bradford, Pa.; Lebanon, Pa.; Portsmouth, Va.; Malden, Mass.; Lawrence, Mass.; Nashua, N. H.; Woonsocket, R. I.; Roma, N. Y.; and Winston, N. C. The Quigley bill for a new custom house in New York was also ordered to be reported.

The old way of delivering messages by postboys compared with the modern telephone. Illustrates the old tedious methods of "breaking" colds compared with their almost instantaneous cure by One Minute Cough Cure. C. H. Hagenbuch.

Acquired by the Sugar Trust.  
BALTIMORE, Dec. 19.—The Baltimore Sugar Refinery company passed into the hands of the American Sugar Refinery company, otherwise known as the "sugar trust," yesterday, as the result of a deal made through the Mercantile Trust company of Baltimore. By the terms of the deal the local holders of preferred stock in the Baltimore company receive cash for their holdings. Those who hold common stock in the local concern receive common stock of the big company, share for share. The local refinery has not been in operation for several months, and it is understood that there is no present intention to resume work.

Scaly eruptions of the head, chapped hands and lips, cuts, bruises, scalds, burns are quickly cured by DeWitt's Witch Hazel Salve. It is at present the article most used for piles, and it always cures them. C. H. Hagenbuch.

Tours to Florida.  
No district in America presents, during the winter season, so many varied attractions as the State of Florida. Besides its delightful climate, which to one escaping from the cold and unhealthy changes of the North seems almost ethereal, it is pre-eminently a land of sport and pleasure. Along its eleven hundred miles of salt-water coast and in its twelve hundred fresh-water lakes are fish of almost every conceivable variety, from the migratory tribes common to Northern waters to the tarpon, pompano, and others of a more tropical character. Nowhere in all our broad land can the angler find a greater variety of game or better sport.

Here also the most enthusiastic hunter finds untold deer, turkeys, bears, panthers, and wild cats roam at large through the more sparsely settled regions, while birds of all kinds may be found in abundance throughout the State. The more novel sport of alligator and manatee hunting may also be indulged in by the more adventurous tourist. With its matchless climate, its orange groves, its rivers and lakes, its bathing and fishing, its fishing and hunting, and its extensive forests, Florida presents unrivaled attractions for the valetudinarian, the lover of nature, the sportsman and the explorer.

To this attractive state the Pennsylvania Railroad Company has arranged four personally-conducted tours during the season of 1907, leaving by special train January 20, February 9 and 23, and March 9. The first three tours will admit of a sojourn of two weeks in this delightful land; tickets for the fourth tour will be valid to return until May 31 by regular trains.

Rates for the round trip, \$50.00 from New York; \$45.00 from Philadelphia, and proportionate rates from other points.

## STOLE A HUNDRED THOUSAND.

For years the "Trusted Treasurer" of Boston's Safe Deposit Company... Boston Dec. 19.—Frank C. Miles, for more than twenty years the trusted treasurer of the Boston Safe Deposit and Trust company, one of the oldest and most conservative of Boston's banks, is a defaulter for at least \$100,000.

The defalcation was discovered late yesterday afternoon by the president, and a meeting of the directors was immediately called. After their hurried consultation, a reporter of the Associated Press was sent for and upon his arrival at the banking rooms a statement was handed to him by President Stone in the presence of the entire board of directors. It declares that Miles confessed that he had misapplied securities, and that the company holds a responsible bond of indemnity in the sum of \$20,000.

Miles had been treasurer of the institution since it began business in 1875, and during all the twenty-one years had handled the funds of the company in the most conservative and careful manner, not even a whisper being heard as to his integrity until yesterday.  
The company has a capital of \$1,000,000, and does a regular trust company business, besides having a large number of safe deposit vaults which it rents to private parties for the safe keeping of securities. Miles had full charge of the cash deposits and securities belonging to the company and those held as collateral for loans, and it is from these securities that he abstracted the still missing. The examining committee is still trying to ascertain if \$100,000 covers the entire deficit.

Miles, who is 45 years old and a native of this state, has a luxurious home at No. 345 Beacon street, in the most aristocratic section of the city.

"Italian Countess" Convicted of Theft.  
LONDON, Dec. 19.—The Old Bailey witnessed the trial yesterday of the so called Italian countess, Emma Ugolini, her husband and two other Italians for stealing a valuable piece of Italian lace from the West End shop of Peter Robinson. Special interest has been awakened in the case by its general resemblance to that of Mrs. Walter M. Castle, of San Francisco, so far as the methods pursued in obtaining the article was concerned. But the "Countess" Ugolini had no plea of mental irresponsibility or kleptomania to offer, and so she was found guilty, together with her husband and two accomplices, but sentence was deferred.

Wants the Civil Service Law Repealed.  
PITTSBURGH, Dec. 19.—A letter from Congressman William A. Stone, in answer to the query by the War Veterans' association of Allegheny, "upon what conditions soldiers and sailors of the late war may be reinstated under the civil service rules," was read to that association yesterday. Colonel Stone declares himself in favor of the repeal of the civil service laws as now enforced. He says the rules as applied by the Democratic administration are a bundle of hypocrisy, and that it is better to face the music and repeal the law than to invent ways by which to cheat it.

To cure all old sores, to heal an indolent ulcer, or to speedily cure piles, you need simply apply DeWitt's Witch Hazel Salve according to directions. Its magic-like action will surprise you. C. H. Hagenbuch.

WILLIAMSPORT, Pa., Dec. 19.—Mrs. John Slagow was gored to death by a cow in the barnyard at her home at Glen Hope. She had gone out to milk the cow, and was found dead in the barnyard. One leg was broken and an arm badly lacerated.

Crisp's Daughter Elopes with a Servant.  
MILAN, Dec. 19.—The Secolo states that Signor Crisp's daughter, the Princess Lingua-Glessa, has eloped with one of her servants.

Major McKinley's Movements.  
CHICAGO, Dec. 19.—President elect McKinley went to Evanston yesterday afternoon, where he was the guest of C. G. Dawes. He remained there over night. The morning was spent rather quietly. But few callers were received. Afterwards, accompanied by Captain McWilliams, Major McKinley was driven over the boulevards of the South side. Tomorrow he will attend services at the Sixth Presbyterian church. Mrs. McKinley did not accompany her husband to Evanston.

Five Miners Fall to Death.  
GURAY, Colo., Dec. 19.—Gabriel Russ, John Antras, Charles Swanson, Charles Anderson and Lewis Jackson were killed instantly in the Virginus shaft yesterday. They were placing timbers in the shaft when the cage fell, carrying them with it to the 1,400 foot level. The bodies were brought out through the revenue tunnel.

Buffalo's Accused Official.  
BUFFALO, N. Y., Dec. 19.—Deputy City Controller Harrington, who is alleged to have defrauded the city out of considerable sum of money by means of "stuffing" pay rolls, was arraigned in court yesterday on the accusation of grand larceny in the second degree. He pleaded not guilty and was admitted to bail in \$2,000.

"Excuse me," observed the man in spectacles, "but I am a surgeon, and that is not where the liver is." "Never you mind where his liver is," retorted the other. "If it was in his big toe or his left ear, DeWitt's Little Early Risers would reach it and shake it for him. On that you can bet your gizzards." C. H. Hagenbuch.

Did Not Withdraw De Young's Name.  
WASHINGTON, Dec. 19.—The attention of Representative Loud, of California, was called to the published statement that at a meeting of the Republican members of the California delegation he had withdrawn the name of the Hon. M. H. De Young for recommendation of a place in the cabinet of President-elect McKinley. Mr. Loud emphatically denied that he had withdrawn Mr. De Young's name, as no names were "presented" for indorsement at the meeting.

## Dr. Miles' Nervine Triumphs.

Excessive Nervousness from Childhood. La Grippe Brings on Heart Weakness.

REV. R. P. SEAREY, pastor M. E. church, Buchanan, Ga. writes Dec. 10, 1905: "In childhood I was afflicted with excessive nervousness, which, almost developed into St. Vitus dance. I partially recovered, but at college it gradually grew worse. Close study aggravated the trouble; any unusual exertion caused trembling all over. In 1890 I had a severe attack of La Grippe which brought on heart weakness. I had been almost constantly under treatment for nervous troubles, and changed climates frequently without avail. Last February I began taking Dr. Miles' Restorative Nervine and Nerve and Liver Pills and since then I have been studying more and working harder than for years and the good effects that have resulted seem to be permanent."
