MAHANOY CITY.
Serious Charges Made Against a Miner by Helpers.

MAHANOY CITY, Dec. 30.—John Bolae, a big, muscular, ugly looking Hungarian, was before Justice Coyle last night charged with violating the mine law by assaulting his laborer, Sidney Pedro, in the Vulcan mines. It was alleged by the complainant that he had loaded eight cars and because he refused to load more Bolae picked up a big piece of coal and hurled it at him. The lump struck Pedro on the forehead and knocked him down. A former laborer testified that Bolae was in the habit of treating his laborers in a brutal manner. Joseph Stasanski swore that while he was laborer for the man he was compelled to be always on guard against brutal assault and that on one occasion Bolae fired a shot and ran away without giving Stasanski any warning. The shot went off when the laborer was but fifteen feet away.

At last a positive remedy has been found which cures every case that may arise. Thompson's Diphtheria Cure is positively guaranteed to cure every case of Diphtheria where it is applied in strict accordance with printed instructions. POLITICAL TALK.
Among the political announcements appearing in this issue is that of Councilman A. D. Gable, who seeks the nomination for Tax Receiver on the Citizens ticket. Mr. Gable was a candidate three years ago for the same office, and made an active canvass, coming within a few votes of his successful competitor. His friends are confident of his nomination and election.

At Ashland a Democratic editor offered the Wanamaker resolutions at the Business Men's League.

Within the last few days Messrs. Noll and Conry, candidates for Burgess and Tax Receiver respectively, have made many adherents and their friends are now confident of success.

Blankenburg and Pollock, the Philadelphia boomers for Wanamaker, very wisely passed by the two largest towns in the county, Shenandoah and Mahanoy City, in forming Business Men's Leagues. The reason is very plain.

James Kane, it is said, has withdrawn from the School Director fight in the First ward.

The Democratic primaries will be held on January 2nd, and the nominating convention on the following evening.

Congressman Kulp has so far recovered from his illness as to be able to return to his home on Friday.

A committee representing 8,000 working people of western Pennsylvania denounce Wanamaker as no friend of the people, and do not want him for United States Senator.

The Pottsville Republican, in dying gasps, calls the supporters of Hon. Boies Penrose "plunging, thugs and bums." In this category the sheet includes all the county officers and the leading Republicans of the county. Still, nothing better can be expected from that paper.

Thomas Dove is a candidate for School Director in the Third ward.

The people of the county, the great majority of whom are for Penrose, resent the insult the Pottsville Republican heaps upon them by saying they are "plunging, thugs and bums." Such warfare will hardly add friends to the Wanamaker cause.

The Citizens Standing Committee meets to-morrow evening. Each member should bear this in mind and attend the meeting.

The Democrats will very likely nominate two candidates for Borough Justice, and there are several combinations being formed by the different aspirants.

To cure all old sores, to heal an indolent ulcer, or to speedily cure piles, you need simply apply DeWitt's Witch Hazel Salve according to directions. Its magic-like action will surprise you. C. H. Hagenbuch

Sunlight Soap's Latest Scheme.
Messrs. Lever Bros., Ltd., proprietors of Sunlight Soap, do nothing by halves. They have built up the largest soap business in the world, first by turning out a very superior article, and second, by pluck and attractive advertising. Their latest stroke in the United States is a bold one. It is a Monthly Wrapper Competition, the tempting features of which are the presentation of \$3,400 in cash, bicycles and gold watches every month of the year 1897, to those who collect and send in to Lever Bros.' New York office the largest number of Sunlight "coupons." The total value of the prizes to be awarded during the year 1897 is \$40,800.

This competition will commence in January, when four first prizes, each of \$100 cash, 20 second prizes, each of \$100 Piece Special Bicycles, and 40 third prizes, each of \$25 Gold Watches will be awarded to the successful competitors of that month.

A great advantage in this competition is that it is held monthly, and, therefore, those who do not succeed for one month have plenty more opportunities during the year. Rules and full particulars are given in our advertising columns from time to time. The firm of Lever Bros. is thoroughly responsible and will do all they promise.

Organizing a P. O. S. of A. Camp.
Efforts are being put forth to institute a camp of the Patriotic Order Sons of America at Shepton. Charter members are being solicited and it is thought that application for a charter will be made about the middle of January. Several members of the order are employed there, having removed from towns throughout the region.

Accident to Machinery.
Packer No. 3 colliery suspended operations this morning on account of a cog in the breaker machinery breaking. Operations will be resumed to-morrow morning.

New York's Increased Tax Rate.
NEW YORK, Dec. 30.—The board of estimate and apportionment, which has been for two weeks considering the final estimates of the various branches of the city government for 1897, finished its work yesterday. The total appropriations foot up something close to \$50,000,000. This expenditure, it is estimated, will make the tax rate \$2.30 on each \$100 of valuation. No approach to this budget or to this rate has ever been reached before.

Big Carpet Mills to Resume.
YONKERS, N. Y., Dec. 30.—An announcement was made yesterday that Alexander Smith & Sons' carpet mills will resume work soon after the first of the year. They have been shut down for two months. Only a few looms will be started at first, but gradually all will be at work. The mill employs 7,000 persons and has a payroll of \$90,000 a week when working full time.

Mrs. Beecher's Condition Serious.
STAMFORD, Conn., Dec. 30.—The condition of Mrs. Henry Ward Beecher, whose hip was broken by a fall Sunday morning at the residence of her son-in-law, Rev. Samuel Scoville, is still serious. Her attending physician says that while there is no immediate danger in view of her advanced age the chances for her recovery are about even.
