Coax is so plenty in Nebraska that they are using it for fuel and it is so scarce in

THE Salvation Army have burnt the devil in effigy in New York, but as he is used to a rousting temperature this making it but for him by proxy is not likely to interfore much with his compostive.

THE French are talking of dividing the day into 10 hours Instead of 24. This will not meet with the approval of the man who has notes coming due. Even with a 24-hour day the time slips by with murvelous rapidity.

SENATOR WOLLDTY, of Colorado, the chair, man of the special Senate committee to arrange a bimetallic conference of the nations of the world, is going abroad to confer with European bimetallists on the product. The European bimetallists on the product. The Wassing to James.—Senator Chandler purposes of his visit are known and approved has made a causass of the scuais on the by President-elect McKinley, and his trip proposition for an international is made at the request of his associates on the ence on silver, and concludes that there is made at the request of his associates on the will be no objection worth the name. Small committee. We may now truth will be no objection worth the name. fully acceptain the Seeling of the European nations as to bimetall sm.

In a prospective pugilistic encounter the usual preliminary of fighting by the column is not neglected. The practice has its advaninges. The prize fighting withaw, who may not be at all anxions to fight, is enabled to keep the authorities constantly informed of his whereabouts and movements. This ought by Kirlin's Pharmacy. to insure proper interference when the mutch is to be "pulled off." But there are some persons who believe that the authorith would confer a favor by compelling the bruisers to meet and exterminate each

Wirn but four working days before the When the people of Illinois elected a man like Aligsid to the Governmentip of the state they included all the dishonor that he has so laviably beaped upon them. They will never elect Altgald again, as may be gathered from the late election returns, but they should not have elected him in the first place. They deserve quite all they are getting, even though it be a great deal.

prayer, when Christians all over the world are called upon to join in a concert of prayer for a variety of subjects, the chief of which is the conversion of the heathen, the revival vestigation. of the church and the extension of all the lines of Christian energy. Many of the churches of town, are joining in this movement each in its own way. Very naturally of the church and the extension of all the each church finds the time convenient for the bolding of special services, and the putthose who are within the scope of their own influence, but who have hitherto refused or neglected to make a profession of religion.

Hood's Sarsaparilla as does the cure of instead the providency esterday nominated as for postmaster florage of their own inspected to make a profession of religion.

This is simply because The services in the churches here are generally prospering and those in charge of them are very hopeful of large numbers being added by profession of faith.

gossip of the sewing society, just said to be pure it cannot properly sustain these heard. But occasionally an entimelast takes parts. If made pure, rich, red and vitalized by Hood's Sarsaparille, it carries health instead of disease, and repairs the it seriously and sake a whole lot of questions about getting to Cubs and into the cebel army, and while the sympathy felt for the insurgents is commendable the man who contemplates a trip to Cuba to fight in the rabel army should think the matter over very deliburately before he leaves home.

Small pox and yellow fever prevail on the fidual. But that henot all: To get to Cuba is not an easy thing, for the United States does not permit citizens of this country to take up arms against a friendly Because it is the One True Blood Porifier. nation, and Spain is such. And if a sympathings with Cuba should escape the vigilsince of the American authorities, when he got to Cube he would have a worse enemy to evade. In a strange land, where a strange tongue is spoken, and surrounded by Spaniards who would look upon him with Spaniarias who would took upon him with a snapled on from the first, he would stand a better chaine of More prison than of reaching the leaning of More prison than of reaching the leaning of More prison than a who implies from the author self-awing. A new words to enlist for Cuba will save trouble if twenties for Cuba will save trouble if twenties for Cuba will save trouble if twenties for Cuba will save trouble if

A MINISTER FOR CUBA.

Sepator Mills Offers a Joint Resolution to Create the Office.

Wasirsorov, Jan 8.—The sensie had a long and may session yesterday disposing of a number of bills on the calendar, including several amendments to the law of navigation, and also the bill authorizing the problem to reappoint to the pavy Community Quarkenbuch, whose case has necasioned much controversy. Progress was made on the lall for free homesteads on Audian lands, but a final vote was not reached. Mr. Plats opposed the bill in a longthy speech, pointing out that it would cost the government a loss of many mill-ions. It was disclosed during the day that Representative-elect Edward E. Robins was the author of the letters from Havana read in the source Wednesday. Mr. Mills, of Texas, offered a joint resolution declaring that the power of recognising a new republic resides in thingress, recognizing the independence of Cuba and appropriating \$10,000 for a United States ministor to the remultin of Cuba. Mr. Mills

The Pacific Pailroad funding bill, which is considered the most important piece legislation which will come before co-India that millions are starving. This world gross at this seed on, came up yesterday in the house under a special order which allows two days for general delate and one day for amendar are and debate under the five miguts enter with provision for a great deal of interest in the measure, and the members gave all the speckers very close attention. Mr. Powers, chairman of the Parlie rattroat committee, opened with an enametive two hour argument in support at the bill. Mr. Hutshard, the minority mamber of the committee, and Mesons Grow and Bell spales respectively.

FREE CURE FOR MEN.

egvery Free.

Claims to Be a Benefactor to Weakened Manking.

There is always more or less suspicion attached to anything that is offered free but sometimes a man so overflows with generosity that he cannot rest until his discovery is a nown to the world, in order that his fellow men may profit by what he has discovered. It is upon this principal that a resident of Kalamazoo, Mich., desires to send free to mankind a prescription which will cure them of any form of nervons debility; relieves them of all the doubt and uncertainty which such ment are poculiarly liable to and restores the organs to natural size and vigor. As it costs nothing to try the experiment if would cosm that any man, soffering with the increase troubles that acqually attack, man who never stopped to realize what might be the final result, ought to be deeply interested in a reinedy which will restore them to health, strength and vigor, without which they continue to live an existence of autoid misery. As the remedy in question was the result of many years research as to what combination would be peculiarly effective to restoring to men the strength they need, it would seem that all man suffering with any form of nervous weakness ought to write for such a remedy at once. A request to H. Co. would seem that all men suffering with any airm of nervous weakness ought to write for such a remedy at once. A request to H. C. Olda Box 1712 Kalamazoo, Mich., statin that you are not sending for the prescription out of idle curiesity, but that you wish to make use of the medicine by giving its trial will be answered promptly and without will be answered promptly and without will be answered promptly and without the programment of the programmen
