# PENNSYLVANIA AGRICULTURISTS

#### Recommendations in the Report of Agetcultural Secretary Edge.

HARMISBURG, Jan. 11.-Thomas J. Edge, secretary of agriculture, has submitted an staborate report, showing the operations of the department during the past year, In which he suggests the enactment of a

law by the legislature defining the legal status of the state board of agriculture, which has refused state ald since the close of the last legislature. The secretary also recommends the enactment of legislation designed to prevent the spread of San Jose scale, and that its enforcement be assigned to an officer of the department of agricul-

ture, and not to operacting independently. He states that with the exception of the hay grop the farmers of Penhsylvania have little cause for complaint as to the yields of the past season. Nearly all the There was an unusual amount of irregu-larity in some crops, which was due to the fact that certain districts of the state suffered more than others from the uni-

Secretary Edge also advises that as soon as the condition of the state treasury will permit an attempt should be made to ob-tain control of a portion of the timber areas on the watershuds of one or both matiches of the Susquehanna in this state y imitating the example of other states, and be placed in position to influence the water supply by controling the character and condition of the forests upon the

In advocating batter roads Sourotary Edge says under the present system. taxation in Pennsylvania, which hardly has its paralist in other states, it is not just that all of the expense of the permattent improvements of roads should fall upon the local, or rural taxpayer, for in that case the cities, towns and boroughs whose inhabitants use the roads fully as much as the farmer, pay no pro-portion of the expense. If both state and township pay the total cost the cities, towns and horoughs still fall to contribute their shure.

### THE SCHOOL QUESTION.

If there is one thing more to be regretted than another in the discussion aroused over the new of superintendent Bogart it is the manifest attempt to stiz up the worst feeling Harper's Weekly pessible over the matter, and the people who have been in the background and who have. been stirring up this feeling that are responsible for a condition of affairs which the town has not seen for 20 years. Irresponsible mouth piaces in public print have been found who have been only too willing to assail those members of the School Board, who were not to be swarved from their duty by a minority for interested motives, and abusing the matority members of the Board only adds a fuel to the flame and it behoover the people who have kept in the background to call off these mongreis, new that the case has been disposed of by a conviction which would be much more convincing had it been secured through other instruments. The membras of the heard were not to be swerved from their idea of duty by personal blackgunst-ium, and we question whether they will be infinenced by any such exhibitions of malignent houtility in the former, but will diacharge their duties according to their best diacharge their duties according to their best jadgment, not according to the wishes of a faction which has been in the minority for anno years past. It is well known that then vitoperation have patiently borns all the vitoperation has pet upon them for their ex-pressed intention to see that the accord appreciation to see that the treatment superintendent was given that fair treatment every one is entitled to. This their ideas of whist was proper under the circumstances differed from those of the minority was to be expected, but that they should be subjected to the abuse of tremponenties entibliers whose sole interest in the matter appears to be to array different chases against each other is outrageons, and for the good of all concerned it would be well if these who are bolind the corner commanded them to halt cere the minority cannot the concerned that they also all the subjected the interest in the matter appears to be to array different chases against each other is outrageons, and for the good of all concerned it would be well if these who are bolind the corner commanded them to halt cere the minority cannot be aching the scenes commanded them to halt ere the mischiaf graws to larger propertions.

Now that the matter has been disposed of by a jury we believe the School Board will take such action as they doom proper, regardless of the persecution they are likely to is subjected to. They did not swerve from be subjucted to. They did not swerve from their duty in the past when strong influence was brought to bear upon them to result. Findage Free he all univerform in the Univer cleaning the entire system, dispel colds, cure from their position, and we believe they are just as couragaons to-day and will do what they consider is right regardless of outside influences or disappointed parties.

The old way of delivering messages by postmedicines." For sale by Grahler Bross, boys compared with the modern telephone, Illustrates the old tadious methods of "break ing" colds compared with their almost in-

tantangous cure by One Minute Cough. Cure, C. H. Hagenbuch. Manager Manley Acquitted.

### CHICADO, Jun. 11. The jury in the case The first of American Newspapers, CHARLES A. DANA, Editor. merce law, returned a verdict of not guilty. The charge against Mr. Hanley, was that in October, 1892, as general traffic with having violated the interstate com The American Constitution, the had knowledge of a rebate of \$3,680 which was said to have been paid to the

American Idea, the American Spirit. George H. Hammond Packing company and Isaac Thompson on some stock ship-These first, last and all the time, ments during the year. The St. Louis Globe-Democrat-Semi-Weekly-Tnesday and Friday-eight pages Daily & Sunday, by mail, \$8 a year Daily & Sunday, by mail, \$8 a year one dollar a year, is unquestionably the biggest, best and cheapeet national news journal published in the United States. Strictly Republican in polities, it still gives

all the news, and gives it at least three days earlier than it can be had from any weekly paper published anywhere. It is indispense ble to the farmer, merchant or professiona man who desires to keep promptly and thoroughly posted, but has not the time to read a large daily paper; while its great variety of well selected reading matter makes

it invaluable as a home and family paper. Remember the price, only one dollar a year.
