FREE CURE FOR MEN.

A Michigan Man Offers to Send His Discovery Free.

Claims to Be a Benefactor to Weakened Mankind.

There is always more or less suspicion attached to anything that is offered free but sometimes a man so overflows with generosity that he cannot rest until his discovery is known to the world, in order that his fellow men may profit by what he has discovered. It is upon this principle that a resident of Kalamazoo, Mich., desires to send free to mankind a prescription which will cure them of any form of nervous debility; relieves them of all the doubt and uncertainty which such men are peculiarly liable to and restores the organs to natural size and vigor. As it costs nothing to try the experiment it would seem that any man, suffering with the nervous troubles that usually attack men who never stopped to realize what might be the final result, ought to be deeply interested in a remedy which will restore them to health, strength and vigor, without which they continue to live an existence of untold misery. As the remedy in question was the result of many years research as to what combination would be peculiarly effective in restoring to man the strength they need, it would seem that all men suffering with any form of nervous weakness ought to write for such a remedy at once. A request to H. C. Olds, Box 1712, Kalamazoo, Mich., stating that you are not sending for the prescription out of idle curiosity, but that you wish to make use of the medicine by giving it a trial, will be answered promptly and without evidence as to where information came from.

The prescription is sent free and although some may wonder how Mr. Olds can afford to give away his discovery, there is no doubt about the offer being genuine. Cut this out and send to Mr. Olds so that he may know how you come to write him. 12-28-78t

SHERMAN FOR PREMIER.

The Rumors Connecting Him with the Place Reiterated.

MR. HANNA FOR THE SENATORSHIP

It Is Believed to be Certain That the Republican National Chairman Will Take Sherman's Seat in the Upper House of Congress—McKinley Returns to Canton.

CLEVELAND, Jan. 11.—The opinion among those who claim to know is that Senator Sherman will be offered and accept the secretaryship of state in Mr. McKinley's cabinet, and that Mr. Hanna will not be one of the cabinet advisers of the next president. It is believed to be certain that Mr. Hanna will be appointed as the successor of Mr. Sherman in the senate, a place which he very much prefers to any portfolio which the president-elect could offer him. Inasmuch as the senatorial appointment would have to be made by Governor Bushnell, the arrangement herein suggested is said to indicate the friendly feeling which Senator-elect Foraker has for the president elect and for the chairman of the national committee.

Regarding the selection of Cornelius M. Bliss, of New York, for secretary of the navy, it is said that Mr. Bliss has been offered the place, but that he deferred his acceptance until he could ascertain whether he could so arrange his business affairs as to permit of his taking the place. General Alger, of Michigan, is counted as certain to be secretary of war.

President-elect McKinley remained at the home of Colonel Myron T. Herrick yesterday. In company with Mr. and Mrs. Herrick he attended services at the Old Stone church. There was a large congregation present. The pastor prayed for divine blessing upon the president-elect and those who were to compose his administration. As Mr. McKinley left the church an amusing incident occurred. After he had taken his seat in the carriage three small boys ranged themselves in line before the carriage door. The president-elect bowed and smiled, and was about to say a pleasant word to the youngsters when one of them, evidently by prearrangement, cried "Three cheers for McKinley." The cheers were given with a hearty good will, while the assembled bystanders clapped their hands and the president-elect's face was wreathed in smiles. Mr. and Mrs. McKinley returned to their home in Canton this forenoon.

M'KINLEY'S INAUGURATION.

Arrangements Perfected for the Care of All Visitors.

WASHINGTON, Jan. 11.—The arrangements for the inauguration of President-elect McKinley are pressing in a manner very satisfactory to the committee having them in charge, and it is believed that the decorations, illuminations and ceremonies incident to this event will at least equal in beauty and impressiveness those of any former inauguration. A large number of committees composed of prominent citizens, each having in charge a single feature, are working in perfect accord, and the results so far obtained gives assurance of complete success. All of the money asked for by the executive committee has been contributed, and a number of contracts have already been let. At a meeting of the executive committee Chairman Wright, of the committee on public comfort, reported that he will be able to furnish lodgings for 100,000 persons if necessary. He had already registered 9,100 places where meals may be obtained and 171 windows and a number of balconies from which the parade may be witnessed.

General Clay, from the committee on military organizations, reported that there would be in the parade one division from Pennsylvania, including the governor and his staff, division and brigade commanders and their staffs. Maryland will send her entire National Guard, and large bodies of troops are expected from New York, New Jersey, Ohio, Rhode Island, Massachusetts and other states. The cadets from the United States military academy at West Point and from the United States naval academy at Annapolis also will be in line, as well as a large number of crack military organizations from different parts of the country.

The inaugural ball promises to be an exceptionally brilliant affair. The decorations will be very elaborate, and all of the appointments of a high order. The contract for the banquet was let to Carl G. Essner, of Philadelphia, after a spirited competition among caterers in the east. A military band of sixty-five pieces and an orchestra of 125 pieces will furnish the music.

Reported Massacre at Trebizonde Untrue.

LONDON, Jan. 11.—A dispatch from Constantinople says that rumors of a massacre of Christians at Trebizonde, which originated by the statement that an Italian gunboat had been ordered thither, are untrue. It appears that an Italian subject named Marani was secretly shipped at Trebizonde for exile to Erzeroum. The Italian ambassador, Signor Pansa, demanded the immediate return of Marani to Constantinople for proper trial, and threatened to send gunboats till the porte gave a written promise of compliance. The incident has caused a sensation at Constantinople, on account of the belief that Italy was backed by the powers.

One thing is certain: It will not do to fool with a bad cold. No one can tell what the end will be. Pneumonia, catarrh, chronic bronchitis, if not consumption, invariably result from a neglected cold. It is surprising too, that bad colds are so often neglected when one remembers how easily and at what little expense they may be cured. Chamberlain's Cough Remedy is always prompt and effectual, and costs but a trifle; 25 or 50 cents is a trifle as compared with the disastrous effects of a neglected cold. Mr. Abner Mercer, of Dilworthtown, Chester County, Pa., in speaking of this remedy, said: "Sometime ago I had a bad cold and cough. I tried almost everything. Finally Mr. Hunt, the druggist, recommended Chamberlain's Cough Remedy, and one 50 cent bottle of it cured me entirely." For sale by Gruhler Bros., druggists.

Having Dr. King's New Discovery in my store I sent for a bottle and began its use and from the first dose began to get better, and after using three bottles was up and about again. It is worth its weight in gold. We won't keep store or house without it." Get a free trial at A. Waeley's Drug Store.

Accused Clergyman Acquitted.

ROCHESTER, N. Y., Jan. 11.—Rev. Dr. Kirkpatrick, pastor of the Second Universalist church, of this city, who was arrested some days ago charged with impersonating an officer, has been unanimously acquitted by jury trial. When the announcement of "not guilty" was made the spectators in the court room broke into cheers. His congregation stood by him solidly, all expressing confidence in his innocence throughout the trial.

A hunt for the murderer has been without result.

JANESVILLE, Wis., Jan. 11.—Herman Simm shot and killed his wife and son and then committed suicide. The family trouble in which the tragedy had its origin began several years ago and culminated in a suit for divorce. A POPULIST MANIFESTO.

Mr. Washburn's Address to the People's Party Voters.

NOT ABSORBED BY THE DEMOCRATS

He Declares That the Result of the Recent Election Shows the Rapid Growth of Populist Principles, and That the Party Must Henceforth Work Alone.

BOSTON, Jan. 11.—George F. Washburn, a member of the People's party national executive committee, yesterday issued an address to the Populists of the United States. In part the address is as follows:

"We are to be congratulated upon the growth of our party and the fact that in the recent election nearly half of the voters of the Union indorsed much of our platform. No party ever achieved more brilliant success in so brief a time. Although handicapped in the late campaign, we emerge from the contest stronger than ever. Our party alone has a voting force larger than that which elected Lincoln, and an able, effective reform press of nearly 2,000 papers. We elected several governors, as well as hundreds of other state, county and town officials. We hold the balance of power in the United States senate, and have four times as many congressmen as ever before.

"We united with the silver forces in the recent campaign—not because we believe free coinage of silver is the solution of the financial problem, but because it would better existing conditions, would meet with the least resistance and would become the entering wedge for our main issue, viz: full legal tender paper money, issued and regulated by the government alone. Having proved our loyalty at the polls, we are free to act separately on advanced lines and to emphasize the real issues our party was born to advocate. We cannot in honor lay down our arms and cease our activity until the war for which we are enlisted has ended in victory for our cause.

"The Democratic party proposes to continue the silver fight. Two parties cannot exist on the same issue. The greater absorbs the smaller. Therefore, if we remain mere camp followers of another party, disintegration will result. Our party success alone forced the Democrats to adopt the Chicago platform and nominate a popocrat for president. Converts made by party regularity cannot be trusted with the reforms of the future.

"We are not Democrats, and cannot be classed as such. We simply united for a single campaign. The Democratic party is but the rear guard of our own. We do not stand for redemption money, but for a scientific dollar, kept invariable by proper regulation of the money volume. Then why should a high school graduate re-enter the intermediate grade? Our grandest achievements are in the future.

"The proposed retirement of the greenbacks and the discussion of the Pacific railroad question will bring before congress the two strongest measures of our platform, and whatever issues the other parties may adopt, the logic of events will so force upon both congress and the people the consideration of these measures as to overshadow all others, and win to our ranks thousands of voters from both the Republican and Democratic parties. I suggest that a national conference of party leaders and workers be held as soon as practicable, that we may have the full expression of opinion regarding our future work."

Widow Murdered for Eighteen Dollars

GREENFIELD, Mass., Jan. 11.—Mrs. Hattie E. McCloud was found murdered beside a lonely road near Shelburne Falls. She was the widow of W. L. McCloud, of New Haven, Conn., and left her home at 5 o'clock Friday night to do some shopping in the village. Her family supposed her to be with a sister. An autopsy showed that her death was caused by strangulation, there being marks on her throat. She had $18 when she left home, but only eight cents were found on her person. There is no clew. Her husband met his death in New Haven six years ago by being struck by a train.

Senator Perkins' Chances for Re-election.

SACRAMENTO, Cal., Jan. 11.—Partisans of Senator Perkins now claim a victory for him tomorrow on the first ballot for United States senator. The illness of Assemblymen Moultrie, Shanahan and Burnett will reduce the number necessary to a choice from sixty-one to less than sixty, and as present members are bound by their caucus pledges there seems little doubt that the claims are correct. Even if Messrs. Burnett and Shanahan should recover sufficiently to be present, the absence of Mr. Moultrie seems at this time unavoidable.

A Bride Asphyxiated.

NEW YORK, Jan. 11.—Amelia Schwartz, aged 21, a bride of three weeks, was suffocated by gas at her rooms, 121 Lewis street. Isidor Schwartz, her husband, was at a lodge meeting. Returning about 11 o'clock, he found the rooms dark and the air heavily charged with gas and his wife dead on the sofa.

I had severe attacks of gravel and kidney trouble; and unable to get a medicine or doctor to cure me until I used Hop Bitters, and they cured me in a short time.—A DISTINGUISHED LAWYER OF WAYNE CO., N. Y.

COLORLESS AND COLD.—A young girl deeply regretted that she was so colorless and cold. Her face was too white, and her hands and feet felt as though the blood did not circulate. After one bottle of Hop Bitters had been taken she was the rosiest and healthiest girl in the town, with a vivacity and cheerfulness of mind gratifying to her friends.

Speedy Railroading.

CLEVELAND, Jan. 11.—A special train bearing the Gelsha company, under direction of Sir William Jardine, accompanied by his business manager, Mr. Adolph La Berge, left St. Louis via the Big Four route yesterday at 8:27 a. m. With a total loss of twenty-five minutes they made the run of 262 miles in 278 minutes from St. Louis to Indianapolis—five hours and five minutes elapsed time and four hours and thirty-eight minutes running time. The total distance of 548 miles from St. Louis to Cleveland was run in 604 minutes.
