PRIDAY, JANUARY 15, 1897.

WANTED, Some now means of stimulatling the laded public tests for sepostlend and icentious news. Address the Coal street manufactory and general jobises.

Text bridgeroom who would give specious sheeks to the chergyman who married bim, the organist, the sexton and the carriage driver who helped to make him happy may have given his betrethed a rhinestone in her

to those who have devoted their time to this good cause.

HE will be the right kind of a citizen who, before going to the primaries to vote this month, first carefully inquires into the character and qualifications of the candidates, and who, having done that, casts his ballot for the one or ones whose recent best on titles them to the support of those who have the cown interests at heavt. This investing gation and constitution should be reached and carried out without regard to individuals.

burg has a conduitte in Professor Sam, Andrews, a member of common councils, and who usually "goes along" with Magee and Plinn, but for the past two years he has been he kept his bands off. Last Spring when Quay appeared us a condulate for president Professor Andrews announced that he would support him. He made a number of speeches in Pittsburg during the campaign for national delegates: A few days ago Professor Andrews slipped down to Washington to see satisfactory:

WHILE the Chronicle and other exchanges are condemning the attendance of women and children at court listening to the fifthy and obscene evidence, they have nothing to my in condemnation of the course of the disreputable sheet that is spreading broadcast among the school children and into the homes of the fisthebest, in fact—the One True Blood Purifier. Prepared only by C. I. Hood & Co., Lowell, Mass. of the vilest character. Besides, this same about all those who are writers for its Hood's Pills grope. All druggfats, 20c. of the vilost character. Besides, this same columns, pose as great moralists. The prople of all shades of opinion, are condensing is the stove. The punishment is severe and it should be applied in deficie of the children of the town. In the language of an indignant parent, it were ledler to have a Superintendent charged with a felony than at the one who is devoid of the better instincts of humanity as in revel in such vio fifth.

END OF THE TARIFF HEARINGS.

With the close of the hearings upon the subject of fariff revision there will probably some a full in the discussion of the subject. The Ways and Menns Committees will hereafter address its energies to the formulation later than of amendments to the existing law, with a view to perfecting the draft for the next Congress to consider. There will pro ably be notatroups to pass a bill before March-Natifice the Sounts upe the present Executive can be depended on not to frustrate the conmittee's work. That the new bill will embody the extreme W. J. WATKINS, Sec'y.

vising of some of the witnesses who appeared before the committee is quite un-likely. It is probable that in some instances duties will be raised, but not in the manner prayed for by the most radical applicants. The revenue idea will take prechance of the protectionist, although the latter will certainly not be ignored.

There eight to be no further disturbance of trade by conjecture on this score. Whatever changes are in be made will be favorable, not hostile, to business. The country can now procued to lay out its plans for a great business revival, assured that whatever form the nee tariff may take the manufacturers and these who depend on those will

Reduced Sixtes to Washington on Account heavy sea. The body of a dead man lay in the boat. Another man was in the stern, and as the boat drifted by the ship he screamed and fainted. He was lifted tend the commonles incident to the inaugura-tion of President-elect McKinley, the Penn. that he and his companion had been blown out to sea from Guadaloupe without food or water lifteen days before, and that his companion had died in delirium. After raving in delirium for two days the ressued man also died.

"Excuse me," observed the man in spec utcles, "but I am a surgeon, and that is not where the liver is." Never you mind where his liver is." reterted the other. "If it This imagaration will be a most interest where his liver in." reterted the other. If it was in his big toe or his left car DeWitt's was number of people from every section of the country.

The country.

The country of the country of the country of the country.

Ask your grocer for se "Royal Patent" flour, and take no other brand. It is the best floor made.
