It is also the best antidote for the thirst and craving of persons addicted to the alcohol and opium habit.

Or all the boys in the world it is difficalt to point out one who is more to be pited than the little King of Spain. He is a monarch, yet a prisoner. To him freedom of the real boyish sort is a thing unknown. He is the slave of totors and courtiers. He can do nothing without the solemn approval, beforehand, of his teachers and menters. The delight of the second. The other votes were sentsecret raids upon the "cookie" Jar is to terest him a tiring undreamed of; he never knows the joys of pillow fighting, hocker, foot ball or any of the juvenile sports that other boys engage in, and his daily life is a dismal routine of lessons, ceremonies and debilitating finamery which every sound-boiled American lad would vote a heart-breaking bore. The little king is a mild-mannered, generous lad against Pritchard. who is greatly beloved by those who surround him, but he chafes under their restraints and envies the freedom of the other fellows of his own age whose sports he watches from the palace windows. They are the exemplars of liberty, while he, poor little fellow, is only a king!

ARBITRATION TREATY.
