CONGRESS CAN SOLVE THE PROBLE

Made Clothing is Manufactured.

ALBANY, Jan. 18 .- "Congress can very large degree solve the problem of dition of the sweating system by pas more stringent emigration laws and by a tax that would force the workers out of the tenements into shop buildings, where state legislation can reach them.

That is the most important paragraph in the eleventh annual report of New York State Factory Inspector O'Leary, and he alloges that the greatest cull labor is bared with is no more procalent in New York dity than it is in Buffalo, Rochester, Syracuse, Philadelphia, Boston, Chicago, San Francisco, Hartford, Newark, St. Paul, St. Louis and every other large center of monulation, and expecially in cities or lapopulation, and especially in cities or lo-calities where the manufacture of clothing is carried on to any extent. In his
