Mr. You him-self was accorded the privilege of addressing the house in his own behalf. He was very sarcastic in his reference to the Democcatin election of officials of the Old Deminion, characterizing them as "chival-rous Virginians who assemted the mentally weak and unarmed and robbed them of their rights." His resolution calling on the secretary of state for reference was referred to the committee on foreign relations. Unanimous agreement was secured for the taking up of the bill for an annual monetary conference on Tuesday next.
